Proposed Resolution FCD2024-06: A resolution authorizing the chair to enter into a second amendment to the agreement for Lower Green River Corridor Plan and PEIS project manager services.

Proposed Resolution FCD2024-06 authorizes the chair to enter into a second amendment to the agreement with Lund Consulting for the purpose of providing project management services for the King County Flood Control District's (District) Lower Green River Corridor Flood Hazard Management Plan and Programmatic Environmental Impact Statement (LGRCFHMP PEIS) process. FCDECM2018-02 authorized the chair to enter into the original contract and FCD2022-11 was the most recent amendment to the original contract. This contract amendment is the final amendment to this contract allowing Lund Consulting to continue as the project manager/"owner's rep" for the preparation of the Final PEIS and potential next steps associated with the implementation of the District's selected alternative.

The District's LGRCFHMP PEIS represents the largest and most challenging integrated floodplain management program envisioned for the central Puget Sound area in our state's history. The expected outcomes of the LGRCFHMP PEIS are:

1. A shared vision and goals for the Lower Green River corridor related to integrated floodplain management;
2. A Draft PEIS for public review; and
3. A final PEIS.

Under the proposed contract amendment, Lund Consulting's project management/"owner's rep". tasks include:

1. Serve as project manager/"owner's rep" to the LGRCFHMP PEIS process reporting to the District Executive Director;
2. Manage the contracts for the technical consulting team ensuring work products meet the quality standards of the District;
3. Oversee the technical consulting team contract, review invoices, manage budget, and ensure timeliness of deliverables;
4. Coordinate with King County staff to obtain technical support;
5. Review draft documents on behalf of the District, coordinate review by District Executive Director, and oversee revisions to draft documents;
6. Facilitate meetings of the Advisory Committee; and

7. Meet weekly with technical team of consultants and District Executive Director.

The amendment to the contract for project management services is for an amount not to exceed total of \$131,040 and is for a term of 12 months.
