SUMMARY OF RECOMMENDATIONS:

Department's Recommendation: Approve 23.07 acres for 40% of assessed value
Examiner's Recommendation: Approve 23.07 acres for 40% of assessed value

PRELIMINARY REPORT:

On January 17, 2019, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E18CT010 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on January 29, 2019, in the Fred Conference Room, 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owners:	Shawna and Gaylen Pelts 18888 NE 116th Street Redmond, WA 98052
Location:	18888 NE 116th Street, Redmond
STR:	SE 30-26-06
Zoning:	RA-2.5
Parcel no.:	7273100235
Total acreage:	26.17 acres

- The Applicants timely filed an application to King County for PBRS program current use valuation of the property to begin in 2020. As required by law, notification of the application occurred.
- A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~strike through~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any *asterisk* represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	Aquifer protection area	5
	Farm and agricultural conservation land	5

Significant wildlife or salmonid habitat 5

Bonus Category

Resource restoration

15

The DNRP-recommended score of 15 points results in a current use valuation of 40% of assessed value for the enrolled portion of the property. Additional credit may be awarded administratively under the resource restoration category, subject to submittal of a resource restoration plan by **August 31, 2019**, and subsequent approval by **October 31, 2019**. Award of credit under this category will increase the point total by 5 points, resulting in a current use valuation of 30% of assessed value for the enrolled portion of the property.

4. As to the land area recommended for PBRS enrollment, the Applicant requested 22.77 acres and DNRP recommends 23.07 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the January 29, 2019, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
6. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 15 points and a current use valuation of 40% of assessed value for 23.07 acres of the property and conditional approval of 5 additional points (which will bring the total to 20 points and 30% of assessed value for those 23.07 acres of property), is consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.
7. The subject property is currently enrolled in the PBRS program. Any open space taxation participation agreement signed as a result of approval of this application should be worded to supersede any prior agreements for the parcel.

RECOMMENDATION:

1. APPROVE current use valuation of 40% of assessed value for the 23.07-acre enrolled portion of the property.

2. **CONDITIONALLY APPROVE** additional credit for the resource restoration category, to be awarded administratively, if the Applicants submit a resource restoration plan by **August 31, 2019**, and that plan is approved by **October 31, 2019**. This will result in a current use valuation of 30% of assessed value for the 23.07-acre enrolled portion of the property.

DATED February 8, 2019.

Hearing Examiner

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD). Appeal statements may refer only to facts contained in the hearing record; new facts may not be presented on appeal. KCC 20.22.230 also requires that the appellant provide copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner's recommendation.

Prior to the close of business (4:30 p.m.) on *March 4, 2019*, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the Clerk of the Council's Office, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. If the Office of the Clerk is not officially open on the specified closing date, delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

Unless both a timely and sufficient appeal statement and filing fee are filed by *March 4, 2019*, the Clerk of the Council shall place on the agenda of the next available Council meeting a proposed ordinance implementing the Examiner's recommended action. At that meeting the Council may adopt the Examiner's recommendation, defer action, refer the matter to a Council committee, or remand to the Examiner for further hearing or further consideration.

If a timely and sufficient appeal statement and filing fee are filed by *March 4, 2019*, the Examiner will notify all parties and interested persons and provide information about "next steps."
