IX. CORRECTIVE ACTION

The County and Agency agree that when operational or performance issues arise in the course of providing the services of this Contract, a resolution of an issue or concern will be attempted at the lowest administrative level possible, although generally contact with the Agency shall include the managing director.

If the County determines that a performance concern has not been rectified at a less formal level and/or that a breach of contract has occurred, that is, the Agency has failed to comply with any terms or conditions of this Contract or the Agency has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant written corrective action, the following sequential procedure shall apply:

- A. The County shall notify the Agency in writing of the nature of the breach;
- The Agency shall respond in writing within three working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies. The corrective action plan shall specify the proposed completion date for bringing the Agency into Contract compliance, which date shall not be more than 30 days from the date of the County's approval of the Agency's plan, unless the County, at its sole discretion, specifies in writing an extension in the number of days to complete the corrective actions;

The determination of sufficiency of the Agency's corrective action plan shall be at the sole discretion of the County, provided that the County shall take into consideration the reasonableness of the proposed corrective action in light of the breach;
- C. In the event that the Agency does not respond within the appropriate time with a corrective action plan, or the Agency's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section XI.A. if the breach is material;

- D. In addition to and not in lieu of any of its other contractual or legal rights or remedies, the County, in its sole discretion, may withhold any payment owed the Agency hereunder or prohibit the Agency from incurring additional financial obligations, except to the extent such obligations are required by court order or deemed by the County as necessary for the competent and adequate representation of indigent persons assigned to the Agency, until the County is satisfied that corrective action has been taken or completed; and
- E. The County may choose to use corrective action in response to any type of breach by the Agency. The choice of corrective action or termination under Section XI for a material breach is within the County's sole discretion. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section XI. Nor shall the exercise of any right within this section be deemed to be a breach of this Contract by the County.

X. ASSIGNMENT/SUBCONTRACTING

- A. The Agency shall not assign or subcontract any portion of the Legal Services, as defined in Exhibit V, supervision or training which is provided under this Contract or transfer or assign any claim arising pursuant to this Contract without the written consent of the County. Said consent must be sought in writing by the Agency not less than 15 days prior to the date of any proposed assignment. The definition of training, within this subsection only, does not include CLE's. The Agency may contract for training services up to a cumulative amount of \$10,000.00 in a contract year, without seeking consent of the County. These excluded contracts and CLE costs must be reported to the County, as noted in Paragraph X. B. of this Section.
- B. The Agency shall keep all records of any contracts or purchases of goods or services related to this Contract. The Agency shall be required to report these expenditures to the County and the original records may be subject to audit at the County's request.

XI. TERMINATION

- A. The County may terminate this Contract, in whole or in part, upon seven days advance written notice in the event: (1) the Agency breaches any material duty, obligation, or service required pursuant to this Contract, (2) the Agency or any of its officers, directors, employees, subcontractors, agents or representatives engages in the misappropriation or mismanagement of Contract funds or the fraudulent disbursement of Contract funds, (3) the Agency or any of its officers, directors, agents, representatives or designees makes a material misrepresentation regarding the Agency, its finances and/or scope of activities to its independent accountant, auditor, the County, and/or any other agencies or instrumentalities of the federal, state or local government or commits any act or omission that jeopardizes the Agency's tax-exempt status under Code section 501(c)(3) or (4) the duties, obligations, or services required herein become impossible, illegal, or not feasible. The County's termination notice does not bar the Agency from seeking injunctive relief or any other equitable relief available under current Washington State law.

If the Contract is terminated by the County pursuant to (1), (2), or (3) in the first paragraph of XI. A., the Agency shall be liable for damages, including any additional reasonable costs of procurement of similar services from another source.

In the event the County terminates the Contract due to (1), (2), or (3) in the first paragraph of XI. A., or any act or omission which jeopardizes the Agency's tax-exempt

status under IRS Code Section 501(c)(3), then subject to the provisions of this Section, the Agency shall return to the County any funds misappropriated and paid to the Agency by the County under the current Contract and from any available source, including funds from a prior contract. In addition, the Agency shall return such funds determined by the County to be reasonable and necessary to provide legal services, as defined in Exhibit V, for the balance of the Contract term, or until the County is able to obtain a successor agency to provide such services, whichever period is less. This provision and the obligations contained herein shall survive the termination or expiration of this Contract.

The Agency may terminate this Contract, in whole or in part, prior to the end of the Contract Term, by providing the County seven days advance written notice, in the event the County commits any material breach of this Contract caused by non-payment or partial termination of caseload area or geographic location of services by the County without a negotiated amendment.

- B. In the event of the termination of this Contract the Agency shall remit any unexpended balance of funds paid, including prepaid funds for cases assigned and not completed, less the amount the County and the Agency agree shall be necessary to enable the Agency to deliver services in those cases notwithstanding the termination. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or law that either party may have in the event that the obligations, terms, and conditions set forth in this Contract are breached by the other party.
- C. If County expected or actual funding is withdrawn, reduced, or limited in any way prior to the termination date set forth above in Section II, the County may, upon 15 days written notification to the Agency, terminate this Contract in whole or in part.

If the Contract is terminated as provided in this Subsection: (1) the County shall be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Agency shall be released from any obligation to provide such further services pursuant to the Contract as are affected by the termination.

- D. This Contract may be terminated for convenience by either party, prior to the date specified in Section II, by providing 60 days advance written notice of the termination.

XII. DISPUTE RESOLUTION

Agency disputes pertaining to County decisions regarding Contract compliance issues shall be made in writing to The Public Defender. The written dispute shall include the decision being questioned and the point on which the dispute is made. This is a non-exclusive remedy.

The Public Defender shall make a determination decision and respond in writing to the Agency within 15 days of receipt. If the Agency wishes to appeal The Public Defender decision, an additional letter indicating all points of the dispute resolution process to date shall be sent to the Director of the Department of Community and Human Services. The Department Director shall make a final determination and respond in writing to the Agency within 30 days of the Department Director's Office receipt of the appeal notice from the Agency.

Nothing herein shall impair the operation of Section IX above nor the ability of either party to terminate this Contract as set forth in Section XI above.

XIII. FUTURE SUPPORT

- A. The County makes no assurance or commitment to the Agency for a subsequent contract or extension of the effective dates of the Contract for the services contracted for herein.
- B. Should the County or Agency terminate this Contract or not renew this Contract for services in a subsequent period, the County shall work with the Agency to provide appropriate transition planning for assigned Agency clients to ensure their defense is not jeopardized by actions of the Agency or the County.

XIV. HOLD HARMLESS AND INDEMNIFICATION

- A. In providing services under this Contract, the Agency is an independent contractor, and neither it nor any of its officers, directors, employees, subcontractors, agents, or representatives are employees of the County for any purpose. The Agency shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits, or taxes, by, or on behalf of the Agency, its employees, and/or others by reason of this Contract. The Agency shall protect, indemnify, and save harmless the County, its officers, officials, agents, and employees from and against any and all claims, costs, and/or losses whatsoever occurring or resulting from (1) the Agency's failure to pay any such compensation, wages, benefits, or taxes, and/or (2) the supplying to the Agency of work, services, materials, or supplies by Agency employees or other suppliers in connection with or support of the performance of this Contract.

- B. The Agency further agrees that it is financially responsible for and shall repay the County all amounts determined by a fiscal audit exception which occur due to the negligence, intentional act, and/or failure, for any reason, to comply with the terms of this Contract by the Agency, its officers, directors, employees, subcontractors, agents, and/or representatives.
- C. Should it become necessary to institute legal action in order to recoup any funds due and owing to the County or the Agency pursuant to any of the terms of this Contract, the non-prevailing party agrees it is financially responsible and liable for the prevailing attorneys' fees and costs. Each party's duty to repay shall not be diminished or extinguished by the prior termination of the Contract pursuant to any provision hereof.
- D. The Agency shall protect, defend, indemnify, and save harmless the County, its officers, officials, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of, or in any way resulting from, the negligent acts or omissions of the Agency, its officers, directors, employees, subcontractors, agents, and/or representatives in performance and/or non-performance of its obligations under this Contract. The Agency agrees that its obligations under this subparagraph extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the Agency, by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event the County incurs any judgment, award, and/or cost arising

therefrom including attorneys' fees to enforce the provisions of this article, all such fees, expenses, and costs shall be recoverable from the Agency.

The County agrees that its obligations under this subparagraph extends to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the County, by mutual negotiation, hereby waives, as respects the Agency only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. By requiring such minimum insurance, the County shall not be deemed or construed to have assessed the risks that may be applicable to the Agency under this Contract. The Agency shall assess its own risks and, if it deems appropriate and/or prudent, maintain greater limits and/or broader coverage.

Nothing contained within these insurance requirements shall be deemed to limit the scope, application and/or limits of the coverage afforded by said policies, which coverage shall apply to each insured to the full extent provided by the terms and

2. Funds for payment for expert services are not included in this Exhibit. Requests for appointment for expert service shall be made following OPD procedure for allocation of expert services. The Agency must assure that its staff follows the OPD expert procedures, as agreed with OPD.
 3. From the Andress decision, eligible homicide defendants who are currently housed at the Department of Corrections may request a new trial. Cases are also from the King County justice system. The Agency shall provide legal services to Andress decision eligible defendants as appointed by OPD. Credit based funding shall be provided by OPD for these specific assignments.

B. Practice Standards and Records

1. The Agency shall require that all attorneys, paraprofessional staff and supervisors maintain contemporaneous records of all legal services provided on a specific case. The records shall provide a factual description of the work

done and shall be sufficiently detailed to allow monitoring of legal service activity by OPD.

2. Upon closing a case, all attorney, paraprofessional and supervisor files associated with the case shall be cross referenced and accessible as a whole for OPD monitoring.
3. The Agency shall re-draft/amend and submit to OPD its previously submitted practice standards according to the Agency's plan as approved by OPD on October 12, 2005, that shall be sufficiently detailed to set objective expectations for each duty included within the scope of work for each position and shall be measurable by objective means. With each practice standard, the Agency shall include a procedure for monitoring compliance with the standard. The completed, revised practice standards are due to OPD by February 1, 2006.
 - a. Attorney practice standards, include but are not limited to:
 - i. Lawyer-client relationship, initial case actions, investigation and preparation, preliminary hearings; disposition without trial; trial; post conviction or fact finding and any other areas of attorney practice deemed appropriate by Agency management or Board.
 - ii. Attorney use of paraprofessionals and expert service.
 - b. Paraprofessional practice standards.
 - c. Practice standards for supervision of attorneys and paraprofessionals.
4. The Agency agrees that, within available resources, reasonable efforts will be made by the Agency to continue the initial attorney assigned to a client throughout any case in which representation is undertaken. The Agency is not prohibited from rotating attorneys through various Agency divisions or from assigning a single attorney to handle various aspects of legal proceedings for all indigent persons where such method of assignment is the most reasonable method of obtaining effective legal representation for indigent persons.
5. The Agency agrees that a member of the Agency staff shall visit any assigned in-custody criminal defendant, in-custody civil commitment, or dependency clients, and obtain basic contact and other fundamental intake information for a bond hearing within one business day from notification to the Agency of the assignment of the case and the in-custody status of the client, and/or within one business day upon notification of transport to a local detention facility. This provision applies to clients in custody at any facility within the King County jail. If a client is in custody within King County in a non-County jail, the Agency shall make contact within three business days of receiving the assignment.
6. The Agency agrees that an attorney shall make contact with all assigned persons within five working days from a case assignment.
7. The Agency agrees that a preliminary written response to any written complaints from OPD concerning services provided by the employees of the Agency or the Agency itself shall be submitted to OPD within three working days of the date the complaint is received by the Agency Director or the Director's designee. Written complaints include email communications from OPD; email response date will be provided.

8. Upon assignment of any client to an Agency, the Agency shall make diligent and reasonable efforts to obtain discovery within five business days of the assignment, whether initial or subsequent, on any case. Discovery shall be reviewed within five business days after receipt for purposes of determining any conflicts of interest. The Agency shall notify OPD immediately of any conflict of interest as defined by the Washington State Rules of Professional Conduct. The Agency shall state the basis when possible, as court determines, for the conflict in its written notification.
9. The Agency shall establish and enforce policies and procedures to ensure that attorney time and other Agency resources funded by this Contract shall be for work, which is the subject of this Contract.

The Agency shall establish policies and procedures for pro-bono work provided by staff of the Agency. These policies and procedures shall assure that any such pro bono work is not provided to the exclusion or detriment of legal services that are the subject of this Contract.

10. Attorney Support Staff

The Agency shall provide sufficient paraprofessional support staff, including investigators, social workers and paralegals to provide for effective assistance of counsel.

11. Minimum Attorney Qualifications

- a. Each staff attorney assigned as primary counsel, representing a client accused of a Murder 2 or Murder 1, must have at least three years experience as a criminal attorney, either defense attorney or prosecutor, one year as a Class A qualified felony attorney, or having tried at least three Class A or felony sex offender or sex offender commitment cases which have been submitted to a jury or which have reached a verdict in a bench trial.
- b. Each staff attorney representing a client accused of a Class A felony must have served two years as a prosecutor or as a public defender or have been trial counsel and handled a significant portion of the trial in five felony cases that have been submitted to a jury.
- c. Each staff attorney representing a juvenile respondent in a Class A felony shall meet the qualifications in (a) above or been a prosecutor or public defender for one year assigned to the prosecution or defense of accused persons and handled at least five felony cases through fact finding and disposition in juvenile court.
- d. Each staff attorney representing a defendant accused of a Class B or C felony, or a felony probation must have served one year as a prosecutor or as a public defender, or been trial counsel of record alone in five misdemeanor cases brought to final resolution, or been trial counsel alone or of record with other trial counsel and handled a significant portion of the trial in two criminal cases that have been submitted to a jury.

- e. Each staff attorney representing any client assigned by OPD shall work under the supervision of a supervising attorney employed by the Agency. Such supervision shall provide the staff attorney with sufficient resources so the attorney will be able to handle cases on his/her own. The employees of the Agency are not employees of the County and the County will not provide supervision to any of the Agency's employees.
- f. The Agency may choose to use Rule 9 Interns or Rule 8 attorneys, as allowed by Washington State Bar Association regulations.

12. Attorney/Paraprofessional Evaluation

The Agency director, or his/her designee, shall evaluate the professional performance of each individual Agency attorney and paraprofessional staff member annually. Attorney evaluations shall include: quality of case preparation, compliance with the requirements of this Contract, monitoring of time and caseload records, review of case files, and in-court observation.

Paraprofessional evaluations shall be sufficiently comprehensive to assess the quality of the actual work performed.

The Agency shall keep a written record of all required performance evaluations.

13. Attorney/Paraprofessional Training

The Agency shall provide access to sufficient training to support attorney and paraprofessional performance of duties under this Contract. The Agency shall maintain all necessary records to assess the adequacy of the training. A CLE approved by the Washington State Bar Association is presumptively adequate.

At a minimum, the Agency shall require each attorney to attend at least seven WSBA approved credits worth of CLE in a practice area under this Contract. Each Agency attorney also shall satisfy the minimum requirements for practicing law in the State of Washington as determined by the Washington Supreme Court.

14. Case Credit Workload Guidelines

The County shall review Agency case credit work loads, case assignments, standards, and support staff/attorney ratios for each area of cases to assess compliance with the requirements of this Contract.

The total amount of reimbursement included in this Contract resulted from the application of the Public Defense Payment Model approved by the King County Council by Motion 12160 on July 18, 2005. Pursuant to the policies stated in Motion 12160, the allocation for each case area was calculated to provide funding for public defenders at parity with similarly situated attorneys in the Office of the Prosecuting Attorney. The Agency's staffing plan may be reviewed by OPD to verify that an attorney's experience level meets or exceeds required experience for case practice area, and placement within the salary schedule is reasonable. The Agency agrees to comply with the following average annual case credit work loads per attorney per case type:

Supervisors	0
Felony	150
Complex	150
593	150
King County Misdemeanor	450
Juvenile	330
Dependency	180
Contempt of Court	225
ITA	410

A supervisor, including a managing director or assistant director, may provide minimal representation to clients under this Contract solely for the purpose of addressing management issues, emergencies or caseload overflow beyond the projections. OPD shall be notified of primary representation by supervisory staff constituting a caseload that exceeds available one to ten ratio of supervisory availability.

15. The Agency agrees to abide by the OPD Withdrawal rules (form) when declining a case or withdrawing from a case because of a conflict of interest.
16. The Agency shall report all extraordinary occurrences to OPD in accordance with the Extraordinary Occurrences Policy and Procedure, and cooperate with any OPD extraordinary occurrence review. The Agency shall adopt an Agency specific extraordinary occurrence policy. The requirement to report to OPD does not replace reporting requirements by other entities.
17. The Agency shall have a process for the filing and review of complaints that are brought to the Agency's attention by clients, OPD, or other criminal justice system staff. The Agency shall establish an internal complaint procedure that is accessible to all clients, in accordance with RCW 34.05, 49.60, RPCs, and the OPD Client Complaint Services Policy and Procedure. The Agency shall maintain a file system for reliable report backup of each complaint.
18. The Agency agrees to abide by the terms of the OPD Attorney Supervision Policy and Procedures.
19. The Agency shall have an Information System (IS) that can report accurate data to OPD, and shall comply with the OPD IS Policy and Procedure. The Agency shall have functional personal computers using a Windows Operating System version 2000 or above and shall be connected to the Internet with the following supports:
 - a. The Agency shall have at least one trained primary and one trained backup on-site IT support person who has training on Basic Administration of Windows 2000, and other basic software training.
 - b. The Agency shall notify OPD, in writing, of staffing changes (i.e. new hires, transfers, and terminations) for those staff directly responsible for data reporting and IS maintenance.

- c. If a virus attacks an Agency computer, Agency response must be immediate (i.e. within 15 minutes) to take the computer off line and other appropriate action.

IV. COMPENSATION AND METHOD OF PAYMENT

- A. The Agency shall be paid monthly as provided in Attachment C of this Exhibit except as paragraph IV B. applies. The Payment Schedule shall pertain to all cases assigned to the Agency from January 1, 2006 through December 31, 2006. The Agency shall submit reports in a format approved by the County, as stated in Section V. Reporting Requirements of this Exhibit. The reports are due within ten days after Agency receipt of the OPD Case Credit Certification Report.
- B. Payment shall be made monthly, subject to performance requirements being met and upon completion of scheduled corrective action requirements noted in the OPD 2005 site visit review and the Agency plan for corrective action, and for the Practice Standards requirement of this Contract as stated in Section III. B. 3. For each corrective action due date missed by the established due date, one percent of the subsequent month's payment will be withheld until action is completed or report is received and accepted by the County.
- C. Payments may be made for extraordinary expenses that are in addition to those payments shown in Attachment C, Payment Schedule. Extraordinary expenses shall include case assignments of King County murder cases affected by the Andress decision. Extraordinary expenses shall be approved in writing in advance of the expenditure by OPD.
- D. In the event that workload demand exceeds the projected levels, the Agency shall accept case assignments and case credits above the variance levels on a monthly basis. OPD will monitor the distribution on a cumulative monthly basis to ensure that a reasonable distribution of cases has been maintained.
- E. For quarterly and annual payment purposes, the variance shall be no more than five percent, for all case areas except felony and other complex case litigation cases, which shall have a variance of no more than two-and-one-half percent. These variance percentages will be applied to the projected caseload to establish the variance range.
- F. Quarterly reconciliation: At the end of each quarter, OPD will evaluate the case credit accumulation for each Agency for each case type. Action taken will be as follows:
1. The actual quarterly caseload for each type of case area, as shown in the quarterly Certified Statistics will be compared to the actual variance range, for each practice area. Variance does not apply to calendars, specialty court agreements, Andress cases, Becca cases, or Sexually Violent Predator cases.
 2. If the Agency's actual quarterly caseload falls within the high and low values of the variance, an adjustment to the reimbursement will not be made.
 3. If the Agency's actual quarterly caseload falls outside of either the high or low values of the projected variance range, an adjustment to the payment may be made.

4. If a quarterly reconciliation results in payment due to the Agency from the County, the Agency may, at the Agency's option, defer such payment to a later month in the Contract year.
 5. If the quarterly reconciliation results in payment due to the County from the Agency, the County may, at the County option, defer such payment to a later month in the Contract year.
- G. Year end reconciliation: The final payment will be the result of a reconciliation of actual performance to Contract specifications. The reconciliation will be conducted as follows:
1. The annual variance percentages outlined in Section III. Program Requirements will be applied to the projected caseload to establish the variance range.
 2. The actual annual caseload for each type of case, as shown in the December Certified Statistics will be compared to the actual variance range, for each type of case, except for Andress cases, Becca cases, or Sexually Violent Predator cases.
 3. If the Agency's actual annual caseload falls within the high and low values of the variance, an adjustment to December reimbursement will not be made.
 4. If the Agency's actual annual caseload falls outside of either the high or low values of the projected variance range, an adjustment to the final payment will be made.
- H. Becca Cases: The Agency shall be paid by OPD for CHINS, ARY, and Truancy legal services from funds provided by the State of Washington through King County Superior Court, Juvenile Court Services, Becca settlement budget allocation, a monthly amount equivalent to the proportion of projected cases to be assigned to the Agency by OPD or as ordered by the Court. The Agency and County share a risk-based allocation methodology in which the monthly amount constitutes both the minimum and maximum payment to the Agency for services in this case type. OPD will make every effort to assign cases consistent with the Agency's proportion of funding.
- I. Sexual Predator cases: The Agency shall be paid by OPD from funds provided by the State of Washington for cases filed under RCW 71.09 and assigned to the Agency by OPD at a rate determined by DSHS or as ordered by the Court. Agency reimbursement shall be based on submission of regular monthly expenditure reports and an invoice to OPD that includes a statement of the names and the number of hours spent by each attorney working on the case during the month. OPD shall submit to the State of Washington an invoice that includes the information provided by the Agency within ten days of receipt of the Agency invoice. OPD shall remit funds received from the State of Washington to the Agency within ten days of receipt. Payment to the Agency shall be made subject to such other conditions as stated by agreement between the County and the State of Washington Department of Social and Health Services.
- J. Prepayments
1. The Agency shall ensure that it has sufficient funds to complete prepaid cases assigned but not completed at the end of the Contract period. The Agency must report its calculated prepayment retention amount and cost estimate,

include the method of calculation, and provide a conclusion about whether the funds available would cover all costs associated with completing the cases assigned and prepaid. Not having an adequate reserve shall not be cause for a material breach of contract, but may require Agency corrective action.

2. In the absence of a precise calculation of prepayments by the Agency, the County shall estimate the sufficiency of funds using the following formula:

For all felony, misdemeanor, initial dependency assignments, and juvenile offender cases assigned during October, November, and December that remain open at year-end, it is assumed that October cases are 75 percent completed, November cases are 50 percent completed, and December cases are 25 percent completed. For dependency cases it is assumed October cases are 15 percent completed, November cases are ten percent completed, and December cases are five percent completed.

The estimation shall be the result of calculating the number of open cases for each month by the corresponding percentage of uncompleted work, and then determining the sum of the uncompleted case count by the per case revenue amount to determine the sufficiency of funds.

V. REPORTING REQUIREMENTS

Racial Disparity Project

The funding allocated to the Racial Disparity Project (RDP) in 2006 will support approximately .3 FTE attorney, or roughly 500 hours of work. We expect to allocate about two-thirds of that time to reducing racial disparity in drug enforcement through litigation and/or policy advocacy, and the remainder on defender anti-bias training and trauancies.

We will submit a status report to the Office of the Public Defender (OPD) on July 15, 2006, on our progress in all three areas.

I. REDUCING RACIAL DISPARITY IN DRUG ENFORCEMENT**A. History**

Beginning in 2001, with staffing supported primarily by foundation grants, the Racial Disparity litigated a selective enforcement challenge in King County Superior Court to Seattle Police Department (SPD) drug arrests. The litigation was based on a 1999 Minority & Justice Commission report finding that the cause of the dramatic over-representation of blacks and Latinos in Washington prisons on drug offenses flowed either from disproportionate engagement of those groups in drug crimes, or from policing choices, rather than from judicial or prosecutorial decisions; and a 2001 report by researchers with the Kennedy School of Government at Harvard, identifying SPD enforcement patterns as a primary cause of racial disparity.

The RDP acted as lead counsel for a group of 19 defendants charged with delivery of small amounts of narcotics. The cases had been assigned to all four defender agencies and to assigned counsel; the RDP staff attorneys, however, were primarily responsible for the motions to dismiss, by agreement of all defendants and counsel. OPD authorized funds for expert services after the trial court (Hon. Richard Jones) ordered voluminous discovery. OPD also authorized funds for extraordinary investigation and paralegal support, and several months of one attorney prior to what was expected to be the evidentiary hearing on the motion. The RDP contributed approximately one FTE attorney for almost four years, without cost to the county.

In spring 2005, that case effectively ended, when the defendants won a decision in the Court of Appeals affirming the trial judge's order for depositions of many police commanders about the department's priorities and policies in drug enforcement. We believe this is the first appellate court decision in the nation to uphold a trial court's discovery order in a selective enforcement case since U.S. v. Armstrong, the 1996 Supreme Court case which raised the threshold to get discovery in such cases. Shortly thereafter, the prosecutor made offers to our clients to plead to reduced charges for time served, which they accepted. (Some faced up to ten years in prison if we were ultimately unsuccessful on our selective enforcement motion.)

In the course of the litigation, the defense coded and analyzed 28 months of narcotics arrest reports, creating the first reliable database reflecting SPD drug enforcement patterns. Our experts also produced the first profile of the "actual offender population," that is, those actually delivering drugs, and demonstrated a striking racial disparity between offenders and those arrested. The arrest data, however, cover 1999-2001, so by the time the case ended, it was difficult to say with certainty whether the same disproportionate arrest pattern remained in place in 2005.

B. 2006 Workplan

1. Examine one month sample data from SPD. Due date: March 31, 2006. Since the consolidated case resolved, SPD and the King County Prosecutor have represented in informal discussions their belief that SPD practices have changed, in part in response to our litigation. However, since there are no verifiable data against which to evaluate that sense, the RDP has filed a Public Disclosure Act request for one month of arrest and complaint data, and will request funding from OPD to code and analyze those records to determine whether there has been a significant shift in the racial composition of arrests.
2. Work for policy changes. Due date: May 31, 2006. The RDP has also initiated talks with the King County Prosecutor, SPD and the Mayor's office on voluntary policy changes that might affect the racial disparity we believe was apparent in the case that concluded this year. Those talks will continue in 2006. If they do not appear to be leading to verifiable policy changes, the RDP likely will move to consolidate current drug cases for litigation of a new selective enforcement motion. The experts with whom we worked in the 2001 case have agreed to assist us again. However, if talks are promising regarding voluntary policy shifts, we will continue them, enlisting the experts in those discussions, and seeking their involvement in ongoing oversight of SPD enforcement decisions.

The RDP will coordinate with the other three defender agencies and assigned counsel if selective enforcement litigation is pursued, and again would provide technical assistance for other lawyers to allow their clients to participate in a consolidated motion.

After June 2006, we have no foundation funding committed to support this work.

II. **DEFENDER ANTI-BIAS TRAINING**

2006 Workplan

Conduct one Client Perspectives Training Session. Due date: November 30, 2006. RDP staff will conduct an additional training on client perspectives on the defender-client relationship in fall 2006, following up on the training we are currently arranging for January. If additional funding is obtained for consultants to conduct defender anti-bias training, we will staff that effort instead, developing the training in the spring and summer, and conducting it in the fall of 2006.

III. **TRUANCIES**

A. History

In 2005, RDP staff worked with Dr. Wanda Hackett, author of the recent and well-received report on racial bias in the dependency system, on a proposal to study disparity in truancies. We are exploring foundation funding for that study, and if funding is obtained, will work closely with Dr. Hackett to convene the stake-holders' group that will help to guide the study.

B. 2006 Workplan

1. Develop a community anti-bias agenda. Due date: June 30, 2006. RDP will continue our collaboration with CURE, one of the foremost community organizations combating racial bias in public schools, to develop a community anti-bias agenda for trancies, and will work with CURE and allies to obtain policy changes consonant with that agenda. We also plan to collaborate with the NAACP-Seattle and the Minority Executive Directors' Coalition (MEDC), both of which have projects focused on reducing racial bias in the public schools, on developing a consensus about how the schools and the court system can most constructively address student attendance issues.
2. Conceptual plan to integrate RDP with Juvenile Justice Operational Master Plan work. Due date: May 31, 2006. We plan to attend the Juvenile conference in Bellevue in December 2005, and informed by the discussions there, will consider the best way to coordinate the work of the RDP with the ongoing efforts of the Juvenile Detention Oversight Committee and the Juvenile Justice Operational Master Plan Committee. Director Bob Boruchowitz continues to attend the meetings of those committees as the defender representative. We also will continue to consult with Defender Association Dependency Division staff on truancy issues.
