1 **STRIKING AMENDMENT TO PROPOSED MOTION 2021-0467, VERSION 1**

2 On page 1, beginning on line 3, strike everything through page 7, line 123, and insert:

3 WHEREAS, King County is committed to creating a racially and socially just
4 county for all residents, and

5 WHEREAS, historic structural racism and disenfranchisement have suppressed
6 access for marginalized populations, including communities of color, to economic, health
7 and environmental opportunities to reach their full potential and thrive, and

8 WHEREAS, laws and policies at every level of government, such as alien land
9 laws passed in Washington state between 1886 and 1923 and racially restrictive
10 covenants, were racially discriminatory and prevented Black, indigenous and people of
11 color ("BIPOC") populations from attaining homeownership and achieving generational
12 wealth, and

13 WHEREAS, there are persistent inequities by race, ethnicity and place for many
14 communities that hinder access to early childhood development, quality education, parks
15 and open space, community spaces, culturally relevant businesses, affordable housing,
16 healthcare and human services, and

17 WHEREAS, the double-digit increase in housing prices in King County year-
18 over-year and the loss of 112,000 units of housing affordable to those making 80 percent

19 area median income or less since 2012 has led to increasing unaffordability and
20 ultimately displacement of low-income families and communities of color, and

21 WHEREAS, equitable development refers to public and private investments,
22 programs and policies in geographic areas that take into account past history and current
23 conditions to meet the needs of marginalized populations and to reduce disparities so that
24 quality of life outcomes are equitably distributed for both existing residents and new
25 residents to create strong communities, and

26 WHEREAS, inequities in community investment perpetuate disparate outcomes
27 and displacement for historically marginalized populations including BIPOC, immigrants
28 and refugees, LGBTQ and persons with disabilities, and

29 WHEREAS, the council seeks to directly address negative impacts caused by
30 historical structural racism, disenfranchisement and inequities in community investment,
31 and

32 WHEREAS, the council unanimously adopted Ordinance 16948, which is also
33 referred to as the Equity and Social Justice Ordinance, in 2010, reaffirming a shared
34 vision in which all King County residents have equitable opportunity to thrive, defining
35 equity for the county and identifying determinants of equity and priorities for government
36 in advancing equity, and

37 WHEREAS, the 2016-2022 King County Equity and Social Justice Strategic Plan
38 establishes a blueprint for action and change aimed at expanding access to opportunities
39 in eight areas, including: child and youth development; economic development and jobs;
40 environment and climate; health and human services; housing; information and
41 technology; the justice system; and transportation and mobility, and

42 WHEREAS, dedicated place-based funding to advance these eight opportunity
43 areas, along with community partnerships, is critical to advance and implement racial and
44 social equity in King County, and

45 WHEREAS, an equitable development initiative provides investment, programs
46 and policies that take into account past policy decisions, historic inequities and current
47 conditions that will improve access to opportunities to the most affected communities and
48 allocate resources to communities at risk from displacement, and

49 WHEREAS, an equitable development initiative includes investment and resource
50 allocation to identified communities to advance economic mobility and opportunity,
51 prevent residential, economic and cultural displacement, build upon local cultural assets,
52 promote transportation mobility and connectivity, create healthy and safe communities,
53 and enable equitable access for all communities;

54 NOW, THEREFORE, BE IT MOVED by the Council of King County:

55 A.1. The council requests that the executive establish an equitable development
56 initiative.

57 2. Planning and creation of the initiative shall be completed in partnership with a
58 planning workgroup comprised of community membership emphasizing Black,

61 process. Consideration should be given to individuals with lived experience or expertise
62 relevant to the initiative. Appointees shall be compensated for their participation.

63 3. The initiative shall be countywide in scope. The planning workgroup is
64 requested to make recommendations to the executive and council regarding how to

65 prioritize the initiative's work in unincorporated area communities, particularly

79 adopted grant criteria in the Best Starts for Kids implementation plan.

80 C. The council requests that the executive transmit phase 1 of an equitable

- 84 1. A framework that is consistent with equitable community-driven
85 development principles identified in section A. of this motion;

86 2. Recommendations and next steps for county and community structure,

88 informed by similar programs.

89 D. The council further requests that the executive transmit phase 2 of the
90 equitable development initiative implementation plan created in partnership with the
91 planning workgroup identified in section A. of this motion. Phase 2 of the plan should:

92 1. Include objectives and strategies for reducing economic and racial disparities,
93 by preventing residential, economic and cultural displacement and creating and

109 guide;

110 9. Propose next steps, including a timeline, that would be needed to implement
111 the initiative, including legislation; and

112 10. Include a recommendation the duties and responsibilities of a permanent
113 advisory board to implement the initiative. The permanent advisory board should be
114 comprised of four representatives selected by the executive and one representative
115 selected by each councilmember, and appointments should emphasize Black, indigenous
116 and people of color and those most impacted by displacement pressures. The board shall
117 be compensated for their participation.

118 E. The executive should electronically file phase 1 of the plan, no later than
119 August 31, 2022, with the clerk of the council, who shall retain an electronic copy and
120 provide an electronic copy to all councilmembers, the council chief of staff and the lead
121 staff for the mobility and environment committee, or its successor.

122 F. The executive should electronically file phase 2 of the plan, as well as any
