

2023 TEG Tier 1 Award Recommendations

Applicant	Project Name	Council District	Grant Award	Project Type	Project Summary
City of Auburn Parks Department	City of Auburn – Rec n Roll, Mobile Recreation	District 7	\$14,999	Programs	The Rec n Roll mobile program will provide free, accessible recreation opportunities to underserved youth in Auburn by addressing traditional barriers, such as transportation, language, and cost.
Skyhawks Sports Academy	Sports for All Summer Camps	District 5	\$14,500	Programs	The Academy will provide free 8-week summer camps for under-served and low-income youth participants (who are primarily ages 6-12). The 3 camp sites will operate Monday through at parks in Tukwila, SeaTac, and Burien.
Youth Experiential Training Institute (Y.E.T.I.)	All Youth in Nature Project	District 8	\$14,999	Programs	Y.E.T.I. will lead 30+ outdoor trips for low-income middle school students, where they will gain physical exercise, discover new recreation activities, and explore public lands while building valuable life skills.
Rainier Valley Corps/First Five Years & Beyond	Active Play for Boys and Girls	District 5	\$14,999	Programs	The Active Play for Boys and Girls summer program will engage immigrant and African diaspora youth in culturally appropriate sports and recreation, with a focus on increasing participation by girls ages 3-17.
Summit Community Center	Summit Community Center Programming	District 8	\$14,999	Programs	The Summit Community Center will provide programs for young adults with disabilities that foster community building, personal growth, and recreation. Programs include fitness, nutrition, arts, music, nature, leadership development, service projects, and social activities.
Baseball Beyond Borders	Increasing Softball Access	District 2	\$14,999	Programs	Baseball Beyond Borders will increase participation in girls' softball by teaching fundamental skills to young women of color.
Needs Of the Community Society	Cascade Mountains Travel Camp	District 4	\$14,968	Programs	The Cascade Mountain Travel Camp will address barriers that disproportionately affect marginalized communities to create opportunities for young adults with disabilities to enjoy outdoor recreation and open spaces.
Friends on Bikes	Friends on Bikes Program Support	District 2	\$4,789	Programs	Friends on Bikes will provide trauma-informed events and programs to increase access to cycling for Black, Indigenous, and other people of the global majority, and trans, woman, intersex, and gender nonconforming identities.
Delridge Neighborhoods Development Association	Delridge Wetland Park	District 8	\$14,999	Capital - Construction	The Delridge Wetland Park project will restore wetlands in West Seattle by reshaping site topography, installing bioswales to treat stormwater, and installing public walkways.
Ubuntu Nerudo African Heritage	Mbira: Rhythm and Aroma of Zimbabwe	District 3	\$14,750	Programs	The Mbira: Rhythm and Aroma of Zimbabwe event will welcome African immigrants into a community park and encourage future use of this public space.

Applicant	Project Name	Council District	Grant Award	Project Type	Project Summary
Brothers United in Leadership Development	BUILD Back to School Community Bash	District 8	\$14,999	Programs	Brothers United in Leadership Development will support students and families from underserved neighborhoods in South King County at a back-to-school celebration that includes a backpack giveaway and resource fair.
Seattle PlayGarden	PlayGarden Free Play Days	District 2	\$14,725	Programs	Seattle PlayGarden Free Play Days will provide free sports, arts, nature, and social activities for children of all abilities and their families.
Big Drip Hoops	Big Drip Hoops Basketball Programming	District 7	\$14,999	Programs	Big Drip Hoops will expand access to athletic development, exposure, and mentorship by providing free and affordable basketball programs to low-income youth in South King County.
The Nature Project	TNP-Let's Get Outside	District 5	\$14,889	Programs	The Nature Project will partner professional athlete mentors with local organizations to provide outdoor recreation activities to BIPOC teens. Activities include hiking, snowshoeing, biking, and farming.
