RE: The Bear Creek School: TEFRA Hearing

Dear Mr. Phillips,

I am writing you on behalf of The Bear Creek School ("Bear Creek School"). Enclosed please find a donation in the amount of Six Thousand Five Hundred Dollars (\$6,500.00) from Bear Creek School to the King County Council which may be used for the following purposes:

1. first, to reimburse the King County Council's costs related to the County publishing notice and proceeding with the public hearing on May 27, 2014 required for the Bear Creek School's TEFRA request, and
2. the remainder, if any, to be applied as the King County Council desires, in its sole discretion.

Thank you and your staff for your past and continuing cooperation in scheduling the TEFRA Hearing for Bear Creek School.

Sincerely,

President, On Behalf of The Bear Creek School
