25 Effect: The Duvall Rock Quarry zoning amendment applies Rural Residential zoning to an
26 80-acre that is currently zoned Mineral. The zoning for the site was re-evaluated in

58

59 Effect: The Willows Road zoning amendment applies urban zoning to approximately 128

61 remove an isolated portion of the Rural Area and add it to the Kirkland Potential Annexation
62 Area, creating a logical UGA boundary, and promoting efficient service delivery. The Urban
63 Residential designation in the southern portion of the area will be consistent with the existing

66 has already been set-aside as permanent open space as part of the 4 to 1 program. The

16

17 Effect: The Redmond Ridge Panhandle land use amendment removes approximately 123

10 2422059085

11 2422059020
12

13 Effect: The proposed land use amendment would add four parcels owned by the City of

1 AMENDMENT TO THE KING COUNTY COMPREHENSIVE PLAN – Zoning Atlas

3

4 Amend Map # 15, Section 24, Township 22, Range 5 as follows:
5

6 Reclassify the following parcels from RA-5 SO to UR SO:
7

8 2422059182

9 2422059001

10 2422059085

11 2422059020
12
13

14 Effect: This amendment applies UR – Urban Reserve zoning to four parcels proposed for
15 land use redesignation from Rural Residential to Other Parks/Wilderness. These parcels are
16 also proposed to be included within the Urban Growth Area. The purpose of this amendment
17 is to allow the City of Covington to annex and provide sewer service to land owned by the
18 city that is to be developed with a city park.
19

20 The existing special overlay SO-220 is retained. No change is proposed through this
21 amendment to the seasonal clearing restrictions enumerated in King County Code Chapter
22 16.82.150 D that already apply to the subject properties. Rural clearing limits required by
23 KCC 16.82.150 C no longer are appropriate if these parcels are designated Urban and would
24 therefore be removed.

Map Amendment 12

Spar Road

1 AMENDMENT TO THE KING COUNTY COMPREHENSIVE PLAN – LAND USE MAP
2 _____
3

4 Amend Map #19, Section 22, Township 23, Range 6 as follows:
5

6 Redesignate the following parcels from Rural Residential to Urban Residential, Medium
7 Density 4-12 units per acre:
8

9 2224069109

10 2224069110

11 2224069111

12 2224069152

13 2224069086
14

15 Redesignate a 2438 square foot portion of parcel 2224069014 from Urban Residential, Low
16 Density to Rural Residential.
17
18

19 Effect: The Spar Road land use amendment adds approximately 8.8 acres to the Urban
20 Growth Area. The interlocal agreement related to the Issaquah Highlands development
21 includes a provision anticipating a minor revision to the Urban Growth Area to place all
22 portions of the Spar Road project within the Urban Growth Area, to be annexed by Issaquah
23 within one year. This amendment places a drainage facility associated with the Spar Road
24 within the Urban Area so it may be annexed and maintained by Issaquah and avoids splitting
25 parcels with the UGA boundary line.
26

27 This amendment also removes a 2438 square foot portion of a Rural property from the Urban
28 Growth Area. Assessor records indicate this is not a portion of right of way associated with
29 SE 56th Street.

Map Amendment 12

Spar Road

1 AMENDMENT TO THE KING COUNTY COMPREHENSIVE PLAN – Zoning Atlas
2 _____
3

4 Amend Map #19, Section 22, Township 23, Range 6 as follows:
5

6 Reclassify the following parcels from RA5-P to R-4:
7

8 2224069109

9 2224069110

10 2224069111

11 2224069152

12 2224069086
13

14 Delete existing P-suffix conditions es-p2 and es-p9 from the above parcels.
15

16
17 Reclassify a 2438 square foot portion of parcel 2224069014 from R-1-P to RA-5P.
18

19 Delete existing P-suffix condition es-p20 and apply P-suffix conditions es-p2 and es-p9 to
20 this parcel.
21

22 Effect: The Spar Road zoning amendment reclassifies five parcels from Rural to Urban and
23 removes P suffix conditions appropriate for Rural parcels. This will allow Issaquah to annex
24 these parcels within one year, consistent with our interlocal agreement.
25

26 This amendment also removes a small area of Urban zoning that appears to have been
27 applied in error to a portion of a larger Rural property. It appears the intent was to apply
28 Urban zoning to the right of way for SE 56th Street. This right of way does not extend to
29 parcel 2224069014, so no portion of this parcel should be zoned Urban.
30

31 The existing P-suffix condition es-p20 is appropriate for Urban property and should be
32 deleted. P-suffix conditions es-p2 and es-p9 apply to all Rural properties in this area and are
33 appropriate for this parcel.
