Financial Plan Notes

¹ 2015-2016 Biennial-to-Date Actuals reflects actual revenues and expenditures as of 12/31/2016, using EBS report GL_010.

² 2017-2018 Adopted Budget reflects the council approved budget per ordinance 18409.

³ 2017-2018 Current Budget reflects the council approved budget per ordinance 18409 and 2017 supplemental per ordinance 18544.

⁴ 2017-2018 Biennial-to-Date Actuals reflects actual revenues and expenditures as of 8/31/2017, using EBS report GL_010.

⁵ 2017/18 Estimated is adjusted for the recently approved supplemental and reflects updated revenue forecast per the August 2017 OEFA.

⁶ Out year projections assume revenue growth per August 2017 OEFA forecasts and King County Office of Performance, Strategy and Budget planning assumptions.

⁷ We anticipate reprogramming \$5.7 million for initiatives being revised and/or new initiatives on hold.

⁸ The request for budget reappropriation of \$2.5 million in the first 2017 supplemental was inadvertently doubled. This is to reflect the correction coming in the next supplemental.

⁹ Revenue Reserve is equal to 5.25% of MIDD tax receipts. In 2017-2018 the fund will switch to a 60 day expenditure reserve (see also footnote 14).

¹⁰ The Services Stabilization Reserve is designated to fund MIDD 1 services during transition to MIDD 2 to avoid service disruptions for vulnerable populations.

¹¹ Funding in the Emerging Issues Reserve will be appropriated by Council on an as-needed basis through the supplemental process.

¹² The Reappropriation Reserve sets aside unspent dollars from council approved supplemental requests approved in 2016 to be fully expended in 2017. These requests will be part of the first 2017-2018 Omnibus supplemental. The supplemental request has been approved by ordinance 18544 and is now shown as an increase to the current budget.

¹³ A Medicaid Reconciliation Reserve has been created for initiatives with a lower Medicaid proportion than formally budgeted.

¹⁴ Reserve for 2016 invoices received in 2017 and for Intensive Case Management in 2018.

¹⁵ Reserve to create an incentive pool to be used for system wide value based purchasing incentives. In addition, due to the uncertainty around Medicaid rates, these funds may be utilized to maintain core services.

¹⁶ The Rainy Day Reserve is to provide a 60 day expenditure reserve in case operations are reduced or closed down.
