**Subject: Footwear Allowance**

The following provisions apply to regular employees represented by the Union working in the Departments of Transportation and Natural Resources and Parks who are required by the County to wear protective footwear for their job. The County will determine criteria of what constitutes protective footwear based on job assignment.

Regular employees in the Fleet, Airport, and Road Services divisions will receive an annual payment of ninety dollars (\$90), less required tax withholdings, paid in the second paycheck of July of each year of the Agreement to use towards the purchase of the protective footwear.

Regular employees in the Solid Waste Division will receive a credit of seventy-five dollars (\$75.00) for each calendar year of this Agreement to use towards the purchase or repair of protective footwear. Employees must present receipts to the supervisor/designee for reimbursement evidencing the purchase or repair of protective footwear. If the footwear credit is

not fully used in the calendar year, the unused amount can be carried over to the following calendar year for use. No more than \$75.00 can be carried over from one year to the next.
