1 A MOTION requesting the executive to propose policies to
2 guide the development and use of electric vehicle charging
3 stations at county facilities.

4
5 WHEREAS, fossil fuel vehicles emit greenhouse gasses and contribute to global
6 climate change, and

7 WHEREAS, fossil fuels are limited in supply and eventually societies will
8 eventually need to find alternative fuels, and

9 WHEREAS new technologies are making electric vehicles economically feasible
10 to produce and own, and

11 WHEREAS, owners of electric vehicles will need charging stations where they
12 can recharge the batteries of their vehicles, and

13 WHEREAS, King County operates park and ride lots as well as other facilities
14 that could serve as electric vehicle charging stations, and

15 WHEREAS, King County agencies will incur costs to develop and operate
16 electric vehicle charging stations, and

17 WHEREAS, King County is in difficult financial circumstances and may need to
18 recover some or all of the costs of developing and operating charging stations, and

19 WHEREAS, there needs to be a policy framework for the development and
20 operation of electric vehicle charging stations;

21 NOW, THEREFORE, BE IT MOVED by the Council of King County:

22 The executive is requested to propose policies to guide the development and
23 operation of electric vehicle charging stations located on property owned or leased by
24 King County. The policies should, among other matters, consider the need for recovery
