Proposed No.: 2022-0439.2

1 **AMENDMENT TO PROPOSED ORDINANCE 2022-0439, VERSION 2**

2 On page 2, after line 21, insert:

3 G. South Correctional Entity's policies and procedures are compliant with
4 American Correctional Association Standards. South Correctional Entity is accredited by
5 both the National Commission on Correctional Health Care and the Washington State
6 Association of Sheriffs and Police Chiefs. Those accreditations are a crucial factor of the
7 King County council's authorization of execution of an interlocal agreement with South
8 Correctional Entity for jail services. Continued housing of King County inmates at South
9 Correctional Entity through the duration of the contract is conditioned on South
10 Correctional Entity maintaining accreditation by the National Commission on
11 Correctional Health Care and the Washington State Association of Sheriffs and Police
12 Chiefs and continuing to comply with American Correctional Association Standards."

13 **EFFECT prepared by Leah Krekel-Zoppi: *Would add a finding that***
14 ***acknowledges SCORE's professional accreditations and states the County's intent to***
15 ***house people at SCORE only as long as SCORE maintains those accreditations and***
16 ***adheres to ACA standards.***
