RE: Certificate of Petition in Support of No Shooting Area – Mt. Si Road Area

Dear Ms Noris,

In response to your memorandum dated December 7, 2004, Records, Elections and Licensing Services Division has examined the signatures contained on the petition filed in support of the proposed no shooting area.

A review of the legal description attached to the petition indicates that the proposed no shooting area is contained within Alpine Precinct.

Of the signatures contained on the petition, at least 10 were determined to be registered voters of Alpine Precinct. According to K.C.C. 12.68.010, the number meets the requirements to certify, therefore it is determined the petition for creating a no shooting area within Alpine Precinct is sufficient.

Sincerely,

Bill Huennekens
Superintendent of Elections

Dear King County Council Members,

We, the elector-residents of the Mt. Si Road area on the Middle Fork of the Snoqualmie River, in the Alpine voting precinct, as signed below, hereby respectfully request that the King County City Council create a No Shooting Zone in the area bounded by the Middle Fork of the Snoqualmie River on the south, 452nd Ave SE on the East, the entrance from Mt. Si Road to SE 127th Place (River Si Estates) on the West, and the state and county owned land of Mt. Si to the North.

Legal description: Township 23, Range 8, Sections NE and NW 14, and Sections SE and SW 11.

See included map.

Narrative:

Over fifty children live and play in the area. Area residents have experienced numerous problems with hunters trespassing, poaching, and shooting guns through yards where children were playing less than 100 feet from homes. Despite neighborhood hunter watch efforts and several calls to local police and game wardens, these problems persist. Please grant this request to give us a tool to discourage these dangerous practices.

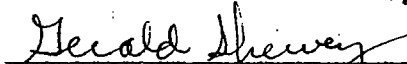

Thank you for your consideration,
