## Comments

The proposed neighborhood to be affected by this ordinance is adjacent to another neighborhood, which currently has this type of time-restricted parking zone. This ordinance will expand the zone encompassing the existing parking restrictions.

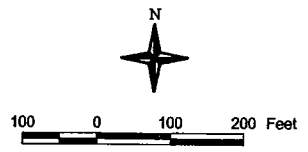

Neighborhood complaints include:

- High School Commuter parking is creating litter and vandalism issues in the neighborhood.
- Large vehicles i.e. school buses have difficulty-navigating roadway due to parked vehicles.
- Parked vehicles reduce the street to one-lane roadway, thereby creating potential access hazard for emergency vehicles.
- Parked vehicles are forcing pedestrians to walk in the travel lanes.

Dear Mr. Mageher,

I contacted you in June to request that parking restriction signs be posted on 92<sup>nd</sup> and 175<sup>th</sup> Streets. At that time, you indicated that we would need to prepare a petition and collect signatures to support our request. Once we had a signed petition, you indicated that you would submit the request to King County Council for consideration.

Enclosed is our petition to request the parking restrictions. If you have any questions or need any additional information please contact Kelly Petty at the number and address below.

Thank you for your assistance in this matter.

Sincerely,

Yolanda Coleman
