2011 King County Board of Health Work Plan

The 2011 King County Board of Health Work Plan maintains focus on prevention strategies in the categories of tobacco control and healthy eating and active living (HEAL). An additional focus in 2011 is sustainable funding for public health. The scheduling of topics on the Board of Health calendar will be flexible and responsive to the dynamic public health policy environment in 2011.

Regulations and Fees

- Guidelines and recommendations: Add a new policy mechanism to the Board of Health operating rules to increase the reach of Board of Health policy making.
- Local Hazardous Waste Management Program: Consider a rate proposal for the fees charged to pay for the Local Hazardous Waste Management Program.
- Menu Labeling: As policy is enacted at the federal level, revisit existing regulations to incorporate required changes.

Policy Opportunities

- Tobacco Prevention and Control: Rules and regulations and guidelines and recommendations to implement and support policies that reduce smoking and second hand smoke in King County.
- Healthy Eating Active Living (HEAL): Rules and regulations and guidelines and recommendations to implement and support policies that promote a healthy diet, and increase access to safe and convenient opportunities for physical activity and exercise.

Required Annual BOH Review and Approval

- Health Care for the Homeless: Endorse the Governance Plan for the Federal Health Care for the Homeless Health Center Grant per Board of Health Resolution 09-03.2. and obtain formal consumer input to meet grant requirements.
- Annual Report to the Board of Health: Fulfill a requirement under the Washington State Public Health Standards and Measures to provide the Board with information on current patterns and trends in King County public health data.

Public Health Emerging Issues

- Health care reform
- Sustainable funding for Public Health and community health safety net
- Economic development – Global to Local initiative

Additional Member Interests

- Sudden Infant Death Syndrome
- Traumatic Brain Injury
- Asthma Reduction Strategies
