**PUBLIC HEARING:**

After reviewing the report and examining available information on file with the application, the Examiner conducted a public hearing on the application as follows:

The hearing on item no. E06CT083 was opened by the Examiner on April 4, 2007, in the Hearing Examiner's Conference Room, 400 Yesler Way, Room 404, Seattle, Washington, and continued (for notice of the conversion from a Timber Land application to a PBRs application) to May 16, 2007, when it was closed.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the King County Hearing Examiner.

**FINDINGS, CONCLUSIONS & RECOMMENDATION:** Having reviewed the record in this matter, the Examiner now makes and enters the following:

Total acreage:	5.06	3.58	1.06	5.57
Excluded area:	0	0	0	1.0
Requested PBRS:	5.06	3.58	1.06	4.57
Recommended PBRS:	5.06	3.58	1.06	4.57

(The land area recommended for PBRS enrollment is the entire parcel less the excluded area(s), which is what has been calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)

2. Except as modified herein, the facts set forth in the King County Department of Natural Resources & Parks, Water and Land Resources Division, Preliminary Report for the April 4, 2007, public hearing are found correct and are incorporated herein by reference. Copies of the department report will be provided with the copies of this report submitted to the King County Council.
3. Timely application was made to King County for current use valuation of the subject property to begin in 2008. Notice of the application was given as required by law.
4. The property contains priority open space resources and is eligible for a total award of 28 points under the King County Public Benefit Rating System. The resulting current use value therefore would be 20% of market value for 14.27 acres of the property.

#### CONCLUSION:

1. Approval of current use valuation of 20% of market value for 14.27 acres of the property pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, would be consistent with the purposes and intent of King County to maintain, preserve, conserve and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

#### RECOMMENDATION:

APPROVE current use valuation of 20% of market value for 14.27 acres of the subject property, subject to the conditions recommended in the Department of Natural Resources & Parks report for the April 4, 2007, public hearing.
