SUMMARY OF RECOMMENDATIONS:

Department's Recommendation:
Examiner's Recommendation:

Approve 20 acres for 50% of market value
Approve 20 acres for 50% of market value

PRELIMINARY REPORT:

On June 9, 2017, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E17CT005 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on June 22, 2017, in the Ginger Conference Room, 12th Floor, King County Courthouse, 516 Third Avenue, Seattle, Washington.

Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the Hearing Examiner's Office.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owner: Seattle Polo & Equestrian Club
425 Westlake Avenue N
Seattle, WA 98109

Location: Parcel no. 1120069016
STR: SE 11-20-06
Zoning: A-35
Parcel no.: 1120069016
Total acreage: 20 acres

2. The Applicant timely filed an application to King County for PBRS program current use valuation of the property to begin in 2019. As required by law, notification of the application occurred.

3. A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~striketrough~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any **asterisk** represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	Farm and agricultural conservation land	*5*
		5

The DNRP-recommended score of 5 points results in a current use valuation of 50% of market value for the enrolled portion of the property. Award under the farm and agricultural conservation land category is contingent upon submittal of a King Conservation District-approved farm management plan for the property by **October 31, 2018**. Because the property is not eligible under any other PBRS resource category, failure to qualify as farm and agricultural conservation land will preclude the property from enrollment in the PBRS program.

4. As to the land area recommended for PBRS enrollment, the Applicant requested 20 acres and DNRP recommends 20 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
5. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the June 22, 2017, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
6. Approval, pursuant to the Public Benefit Rating System adopted by Chapter 20.36 KCC, of 5 points and a current use valuation of 50% of market value for 20 acres of the property, is consistent with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

1. APPROVE current use valuation of 50% of market value for the 20-acre enrolled portion of the property, CONTINGENT on submittal of a King Conservation District-approved farm management plan by **October 31, 2018**.

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD). Appeal statements may refer only to facts contained in the hearing record; new facts may not be presented on appeal. KCC 20.22.230 also requires that the appellant provide copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner's recommendation.

Prior to the close of business (4:30 p.m.) on *July 31, 2017*, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the **Clerk of the Council's Office**, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. If the Office of the Clerk is not officially open on the specified closing date, delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

Unless both a timely and sufficient appeal statement and filing fee are filed by *July 31, 2017*, the Clerk of the Council shall place on the agenda of the next available Council meeting a proposed ordinance implementing the Examiner's recommended action. At that meeting the Council may adopt the Examiner's recommendation, defer action, refer the matter to a Council committee, or remand to the Examiner for further hearing or further consideration.

If a timely and sufficient appeal statement and filing fee are filed by *July 31, 2017*, the Examiner will notify all parties and interested persons and provide information about "next steps."
