Proposed No.: 2017-0323.1

1 **AMENDMENT TO PROPOSED ORDINANCE 2017-0323.1, VERSION 1**

2 On page 4, at the beginning of line 70, insert the following:

3 “NEW SECTION: SECTION 5. Debt service schedules for the projects listed in
4 Attachment A to this ordinance shall be structured so that any capital construction bonds
5 issued are fully repaid on or before December 31, 2040 when solid waste management
6 interlocal agreements with cities expire, unless new and extended interlocal agreements
7 with cities are in place at the time of capital bond issuance.

8 On page 4, at the beginning of line 70, renumber the current ((SECTION 5)) as
9 SECTION 6.

10

11 **Ensures that the construction of a new Northeast transfer station is paid off before**
12 **cities possibly leave the federated system when current interlocal agreements expire**
13 **on December 31, 2040.**

Proposed No.: 2017-0323.1

1 **AMENDMENT TO PROPOSED ORDINANCE 2017-0323.1, VERSION 1**

2 On page 3, at the beginning of line 47, delete lines 47 through 51.

3 On page 3, after line 46, insert:

4 " Lines 47-51 in the Statement of Facts should be amended as follows:

5

6 "10. If Bellevue extends its interlocal agreement and the Houghton transfer station is

7 close in accordance with earlier plans, the county's transfer system ~~would~~ might exceed

8 level-of-service standards without a Northeast station and demand management at the

9 Factoria transfer and recycling station ~~would~~ may no longer be a substitute for a

10 Northeast station".

11

12 **Amended language does not make a statement of fact that presumes that demand**

13 **management strategies would not be successful in managing transfer station**

14 **transactions.**
