Assumptions:

1. A The petition has been filed requesting vacation of that portion of 228th Way NE.
2. The department of transportation notified the various utility companies serving the area and has been advised that easements were either obtained or are not required within the vacation area.
3. The department of transportation records indicates that King County has not been maintaining 228th Way NE as petitioned. The records indicate that no public funds have been expended for its acquisition.
4. The department of transportation considers the subject portion of the right-of-way useless as part of the county road system and believes the public would benefit by the return of this unused area to the public tax rolls.
5. The right-of-way is classified as "C-Class" and, in accordance with King County Code 14.40.020, the compensation due King County for a road vacation may be waived at the discretion of the King County Council. No compensation has been received at this time. Road Services is recommending that the full amount of compensation for this petition be waived.
