Dear Councilmember Upthegrove:

I am pleased to transmit to you the September 2024 Harborview Bond Program Monthly Status Report for the 2020 voter approved Harborview bond program, pursuant to Ordinance 19583. The information in this report covers the month of July.

The enclosed report identifies tasks accomplished to advance the Bond Program work and details progress towards achieving the bond program goals. Notably, in addition to this report, the Facilities Management Division (FMD) provides monthly project updates to Harborview's Board of Trustees and the King County Auditor's Office.

In addition, this report includes information regarding the acquisition of the Kaiser property, now known as 9<sup>th</sup> and Alder property, approved by the King County Council in July 2024<sup>1</sup>. FMD identified the nearby property located at the southwest corner of 9th and Alder for medical and hospital/neighborhood parking purposes.

Subsequent monthly reports will update the information included in this document, with exception to the separate 9<sup>th</sup> and Alder property.

If your staff have questions, please contact Anthony Wright, King County Facilities Management Division Director, at 206-477-9352.
