Part B: Work Experience

1. Work Completed

On the attached **Project Experience form**, please list all construction contracts completed in the past five (5) years (or longer if required in the specifications) which are similar in type, size and scope of work to this project. **If this project contains specific supplemental bidder qualifications, the specifications will define type, size, and scope of work along with any other requirements for the number of projects and date of projects.**

Note: In evaluating whether the projects were "successfully completed," the Owner may check owner references for previous projects and use the owner's assessment of the Bidder's performance, including but not limited to the following areas, so please be thorough in your descriptions:

- Quality control;
- Safety record;
- Timeliness of performance;
- Use of skilled personnel;
- Management of subcontractors;
- Availability of and use of appropriate equipment;
- Compliance with contract documents;
- Management of submittals process, change orders and close out; and
- Any other criteria listed on this form.

2. Personnel

List the Superintendent and Project Manager who will be assigned to this project. Identify any concurrent projects in process, or planned projects, and how their time will be allotted among the projects. **Attach detailed resumes** for each with a listing of all projects supervised or managed within the past five (5) years (or longer if required in the specifications), with references and contact information for each project. **If this project contains specific supplemental bidder qualifications, the specifications will define type, size, and scope of work along with any other requirements for the number of projects and date of projects.**

Superintendent	Project Manager

Note: In evaluating the resumes, the Owner may check owner references for previous projects and use the owner's assessment of the Personnel's performance, including but not limited to the following areas, so please be thorough in your descriptions:

- Quality control;
- Safety record;
- Timeliness of performance;
- Use of skilled personnel;
- Management of subcontractors;
- Availability of and use of appropriate equipment;
- Compliance with contract documents;
- Management of submittals process, change orders and close out; and
- Any other criteria listed on this form.

3. Equipment

List all equipment owned or leased which you intend to use on this project:

Project Name	Owner and Contact Information	Contract Amount	% Self Performed	Completion Date

- For the following, please check the appropriate box and attach an explanation if required.
- A “yes” answer does not automatically make your firm not responsible, but your firm will be evaluated based on your explanation.

Part C: Compliance History

Performance Evaluation

6. Has your firm, under present or past business name, received one or more “Deficient “or “Inadequate” evaluations from the City of Seattle or another governmental agency on a construction project within the last five (5) years?

Yes No

If “yes” attach a separate, signed/dated statement listing the projects and an explanation.

Debarment

7. In the last five (5) years has your firm, any firm with which any of your company’s owners, officers or partners was associated, been debarred, disqualified, removed or otherwise prevented from bidding on, or completing any government agency or public works project for any reason?

NOTE: “associated with” refers to another construction firm in which an owner, partner or officer of your firm held a similar position.

Yes No

If “yes,” attach a separate signed/dated statement indicating whether the firm involved was the firm bidding on this contract or another firm. Please include the name of the company, name of the person within your firm who was associated with that company, year of the event, project owner, project name, contract value and the basis for the action.

Safety

8. Has the Washington State Department of Labor and Industries, federal OSHA, or any other state’s occupational safety and health agency cited your firm for any “serious,” “willful” or “repeat” violations of its safety or health regulations in the past five years?

Yes No

If “yes,” attach a separate signed/dated statement describing each citation, including information about the dates of the citations, the nature of the violation, the project on which the citation(s) was or were issued, the amount of penalty paid, if any. If the citation was appealed and a decision has been issued, state the case number and the date of the decision.

9. List the Experience Factor (Washington workers’ compensation insurance) of your firm for each of the past three years. NOTE: An Experience Factor is calculated annually by the Washington Department of Labor and Industries.

Supplemental Bidder Responsibility Criteria

Current Year:		Previous Year:		Year to previous year:

Instructions for the Supplemental Bidder Responsibility Form

After bid opening and prior to award, the apparent low bidder must complete, sign and submit this form with attached documentation to the Contracting Services Division by one of the methods listed below. This information may be requested from additional bidders at the Owner's discretion, and if so, shall be provided within three (3) Business Days.

The Owner's evaluation may include further investigations to establish the responsibility, qualifications, financial resources and experience of a Bidder to complete the Work of this Contract. The Owner may contact previous owners or others to validate the information provided by the Bidder. The Owner will assess the information provided and other information gathered in determining whether a Bidder is responsible. Please list all information you feel is relevant to the Owner making an informed decision. The Owner reserves the right to request additional information from the Bidder.

For criteria with check boxes, the Bidder will check either "Yes" or "No." Where provided, the Bidder may check "Not Applicable" if the Bidder has not had a project which included this requirement. If "Not Applicable" is not an option, the Bidder would check "No." For each "Yes" answer on the form, the Bidder must provide a signed and dated statement providing the project information requested and explaining the extenuating circumstances.

Form submittal:

Submit this form to Contracting Services Division (CSD) of the City of Seattle Department of Executive Administration by one of the following methods by the close of business (5:00 pm) on the third (3) Business Day after the Date of Bid Opening (unless the specifications provide a different time or date):
