51 individual declarations signed July 20, 2008 stating they are a current TC4 resident. at B'nai Torah  
 These also came from discovery in Mercer Island  
 10 of the 51 individuals or roughly 20% committed crimes while in TC4. Given 93 of the 100 residents came from the previous encampment and each of the 51 declarations indicated a desire to move to Mercer Island, we believe they may still be residents of TC4.  
 15 crimes and arrests occurred while the individuals were residents of TC4.  
 10 of the arrests resulted in convictions.  
 5 cases are still pending. when this was done  
 3 of 10 have outstanding warrants. 2 were arrested by MI Police when this chart was given to them, one wasn't.

\*Colley lived at Northshore United Church- Where Crime first took place (Woodinville May- August 2006), Woodinville Unitarian (August- November 2006), St. John Vianney (Finn Hill Nov. 2006-Feb 2007), St. Jude (Redmond Feb-May 2007), Church of the Resurrection (Bellevue May -August 2007), Community Church of Issaquah (Aug), **JAILED Sept- Dec. 2007**, 1/5/2008 returned to Holy Spirit Lutheran, Temple Bnai Torah (Bellevue May-Aug 2008)

Was finally asked to leave when this became public in Mercer Island. TC4 + Sharewheel claimed to have never known about any of this, although she had the victim come to a site, the police came to speak to her at another site, she went to + from court + jail from TC4 sites, + then came back to TC4 after her jail term was up.
