### METROPOLITAN KING COUNTY COUNCIL NOTICE OF ENACTMENT ORDINANCE 17476

NOTICE IS HEREBY GIVEN that the Metropolitan King County Council (the Council) held a public hearing in the King County Council Chambers, 10th Floor, King County Courthouse, Seattle, Washington on Monday November 5, 2012 at 11:00 A.M. The purpose of this hearing was to consider adoption of Proposed Ordinance No. 2012-0391, (Ordinance 17476) adopting the 2013 Annual Budget and making appropriations for the operation of county agencies and departments and capital improvements for the fiscal year beginning January 1, 2013 and ending December 31, 2013. Additionally, this ordinance adopts the 2013/2014 Biennial Budgets for the county operations for the fiscal biennium beginning January 1, 2013 and ending December 31, 2014. Ordinance 17476 was adopted on November 13, 2012.

#### SUMMARY

The 2013-2018 CIP budget calls for capital outlays of about \$2.64 billion over the next six years. Of that budget authority, approximately \$54.7 million is assumed for expenditure in 2013, with \$46.3 million for general government capital programs and \$8.5 million for major maintenance projects. Biennial, two-year budgets for 2013/2014 are as follows: \$451.8 million is for the Wastewater Treatment capital program, \$25 million for Surface Water Management facilities, \$101.2 million for Solid Waste facilities, \$70.6 million for Roads and \$454.3 million for other biennial capital projects.

The Capital Improvement Program Budget is divided into three program categories that reflect the goals of the King County Strategic Plan:

1. The Economic Growth and Built Environment Area encompasses economic development, transportation, planning and permitting, trails, and rural activities and services. This category supports the International Airport, road services, transit, park facilities and housing programs.

2. The Environmental Sustainability Area includes programs for safeguarding and enhancing the county's natural resources and environment. This category includes wastewater treatment, solid waste, flood and surface water, and open space acquisition.

3. The General Government Area reflects how the county provides services to the public. These services include lease costs for county agencies, facility capital improvements, Harborview Medical Center and technology improvements for King County agencies.

A copy of Ordinance 17476 will be mailed upon request to the Clerk of the Council, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, WA 98104, telephone 206-296-1020.
