

DETERMINATION OF NONSIGNIFICANCE

Issued with a 14 Day comment and appeals period

Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are in effect a single action:

1. The adoption of the Federal Way Public Schools' 2004/05 Six Year Capital Facilities Plan by the Federal Way Public Schools for the purposes of planning for the facilities needs of the District.

2. The amendment of the King County Comprehensive Plan by King County to include the Federal Way Public Schools' 2004/05 Capital Facilities Plan as part of the Capital Facilities Plan Element of the King County Comprehensive Plan.

3. The amendment of the Comprehensive Plans of the City of Federal Way and the City of Kent to include the Federal Way Public Schools' 2004/05 Capital Facilities Plan as part of the Capital Facilities Plan Element of the City of Federal Way and the City of Kent's Comprehensive Plan.

This proposal may also involve the amendment of the Comprehensive Plans of the Cities of Auburn, and Des Moines to incorporate the Federal Way Public Schools' 2004/05 Capital Facilities Plan into the Capital Facilities Element of each jurisdiction's Comprehensive Plan.

Proponent: Federal Way Public Schools

Location of the Proposal:

The Federal Way Public Schools District includes an area of approximately 35 square miles. The cities of Federal Way, Kent, Des Moines and Auburn fall within the District's boundaries, as do parts of unincorporated King County.

Lead Agency:

Federal Way Public Schools is the lead agency pursuant to WAC 197-11-926.

The lead agency for this proposal has determined that the proposal does not have a probable significant adverse environmental impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 14 days from the date of issue. Comments must be submitted by 5:00 p.m., June 14, 2004. The responsible official will reconsider the DNS based on timely comments and may retain, modify, or, if significant adverse impacts are likely, withdraw the DNS. If the DNS is retained, it will be final after the expiration of the comment deadline.

Responsible Official: Ms. Geri Walker
Enrollment and Boundary Analyst
Federal Way Public Schools
Telephone: (253) 945-2071
Address: 31405 18th Avenue South
Federal Way WA 98003

You may appeal this determination in writing by 5:00 p.m., June 14, 2004 to Geri Walker, Federal Way Public Schools, 31405 18th Avenue South, Federal Way, WA 98003.

Date of Issue: June 1, 2004
Date Published: June 3, 2004

DETERMINATION OF NONSIGNIFICANCE

2004-458

Issued with a 14-day comment and appeals period

Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are in effect a single course of action:

1. The adoption of the Riverview School District's Capital Facilities Plan 2004-2009 by the Riverview School District No. 407 for the purposes of planning for the facilities needs of the District; and
2. The amendment of the Comprehensive Plans of King County, the City of Carnation, and the City of Duvall to include the Riverview School District's Capital Facilities Plan 2004-2009 as part of the Capital Facilities Element of each jurisdiction's Comprehensive Plan.

Proponent: Riverview School District No. 407

Location of the Proposal:

The Riverview School District includes an area of approximately 250 square miles. The City of Carnation, the City of Duvall, and parts of unincorporated King County fall within the District's boundaries.

Lead Agency:

Riverview School District No. 407

The lead agency for this proposal has determined that the proposal does not have a probable significant adverse environmental impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21 C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 14 days from the date of issue. Comments must be submitted by 4:30 p.m., May 25, 2004. The responsible official will reconsider the DNS based on timely comments and may retain, modify, or, if significant adverse impacts are likely, withdraw the DNS. If the DNS is retained, it will be final after the expiration of the comment deadline.

DETERMINATION OF NONSIGNIFICANCE

Issued with a 14-day comment and appeals period

Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are in effect a single course of action:

1. The adoption of the Issaquah School District's Capital Facilities Plan 2004-2009 by the Issaquah School District No. 411 for the purposes of planning for the facilities needs of the District; and
2. The amendment of the Comprehensive Plans of King County, the City of Bellevue, City of Issaquah, City of Renton, City of Sammamish, and the City of Newcastle to include the Issaquah School District's Capital Facilities Plan 2004-2009 as part of the Capital Facilities Element of each jurisdiction's Comprehensive Plan.

Proponent: Issaquah School District No. 411

Location of the Proposal:

The Issaquah School District includes an area of approximately 110 square miles. The City of Issaquah, the City of Sammamish, parts of the cities of Bellevue, Newcastle, Renton, and parts of unincorporated King County fall within the District's boundaries.

Lead Agency:

Issaquah School District No. 411

The lead agency for this proposal has determined that the proposal does not have a probable significant adverse environmental impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 14 days from the date of issue. Comments must be submitted by 4:30 p.m., June 8, 2004. The responsible official will reconsider the DNS based on

timely comments and may retain, modify, or, if significant adverse impacts are likely, withdraw the DNS. If the DNS is retained, it will be final after the expiration of the comment deadline.

DETERMINATION OF NONSIGNIFICANCE

Issued with a 14 day comment and appeals period

Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are in effect a single action:

1. The adoption of the Lake Washington School District 2004 Six Year Capital Facilities Plan by the Lake Washington School District for the purposes of planning for the facilities needs of the District.
2. The amendment of the King County Comprehensive Plan by King County to include the Lake Washington School District 2004 Capital Facilities Plan as a part of the Capital Facilities Plan Element of the King County Comprehensive Plan.

This proposal may also involve the amendment of the Comprehensive Plans of the Cities of Redmond and Kirkland to incorporate the Lake Washington School District 2004 Capital Facilities Plan into the Capital Facilities Element of each jurisdiction's Comprehensive Plan.

Proponent: Lake Washington School District

Location of the Proposal:

The Lake Washington School District includes an area of approximately 75 square miles. The cities of Redmond and Kirkland fall within the District's boundaries, as do parts of unincorporated King County.

Lead Agency:

Lake Washington School District is the lead agency pursuant to WAC 197-11-926.

The lead agency for this proposal has determined that the proposal does not have a probable significant adverse environmental impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 15 days from the date of issue. Comments must be submitted by 5 p.m., May 17, 2004. The responsible official will reconsider the DNS based on timely comments and may retain, modify, or, if significant adverse impacts are likely, withdraw the DNS. If the DNS is retained, it will be final after the expiration of the comment deadline.

DETERMINATION OF NONSIGNIFICANCE

for

Kent School District No. 415
2004 Capital Facilities Plan

Issued with a 14-day comment and appeals period.

Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are in effect a single action:

1. The adoption of the Kent School District 2004 Six-Year Capital Facilities Plan by the Kent School District for the purposes of planning for the facilities needs of the District.
2. The amendment of the King County Comprehensive Plan to include the Kent School District 2004 Capital Facilities Plan as a part of the Capital Facilities Plan Element of the King County Comprehensive Plan.
3. The amendment of the Comprehensive Plan of the City of Kent to include the Kent School District's 2004 Capital Facilities Plan as part of the Capital Facilities Plan Element of the Comprehensive Plans of the City of Kent.
4. The amendment of the Comprehensive Plan of the City of Covington to include the Kent School District's 2004 Capital Facilities Plan as part of the Capital Facilities Plan Element of the Comprehensive Plans of the City of Covington.
5. The amendment of the Comprehensive Plan of the City of Auburn to include the Kent School District's 2004 Capital Facilities Plan as part of the Capital Facilities Plan Element of the Comprehensive Plans of the City of Auburn.
6. This proposal may also involve amendment of Comprehensive Plans of the Cities of Maple Valley, Black Diamond, SeaTac and/or Renton to incorporate the Kent School District 2004 Capital Facilities Plan into the Capital Facilities element of that jurisdiction's Comprehensive Plan.

Proponent: Kent School District

Location of the Proposal:

The Kent School District includes an area of approximately 73 square miles. The City of Covington and portions of the cities of Kent, Auburn, SeaTac and Black Diamond fall within the District's boundaries, as do parts of unincorporated King County.

Lead Agency:

Kent School District No. 415 is the lead agency pursuant to WAC 197-11-926.

The lead agency for this proposal has determined that the proposal does not pose a probable significant adverse impact to the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 14 days from the date of issue. Comments must be submitted by 4:00 p.m., May 28, 2004. The responsible official will reconsider the DNS based on timely comments and may retain, modify, or, if significant adverse impacts are likely, withdraw the DNS. If the DNS is retained, it will be final after the expiration of the comment deadline.

DETERMINATION OF NONSIGNIFICANCE Issued with a 14 Day comment and appeals period

Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are, in effect, a single action:

1. The adoption of the Northshore School District's 2004 Six-Year Capital Facilities Plan by the Northshore School District for the purposes of planning for the facilities needs of the District.
2. The amendment of the King County Comprehensive Plan by King County to include the Northshore School District's 2004 Capital Facilities Plan as part of the Capital Facilities Plan Element of the King County Comprehensive Plan.
3. This proposal may also involve the amendment of the Comprehensive Plans of Snohomish County and the cities of Bothell, Woodinville, and Kenmore to incorporate the Northshore School District's 2004 Capital Facilities Plan into the Capital Facilities Element of each jurisdiction's Comprehensive Plan.

Proponent: Northshore School District No. 417

Location of the Proposal:

The Northshore School District includes an area of approximately 60 square miles. The cities of Bothell, Woodinville, and Kenmore fall within the District's boundaries, as do parts of unincorporated King and Snohomish Counties.

Lead Agency:

Northshore School District is the lead agency pursuant to WAC 197-11-926.

The lead agency for this proposal has determined that the proposal does not have a probable significant adverse environmental impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 14 days from the date of issue. Comments must be submitted by 5:00 p.m., April 22, 2004. The responsible official will reconsider the DNS based on timely comments and may retain, modify, or, if significant adverse impacts are likely, withdraw the DNS. If the DNS is retained, it will be final after the expiration of the comment deadline.

DETERMINATION OF NONSIGNIFICANCE

Issued with a 14-day comment and appeals period

Description of Proposal:

This threshold determination analyzes the environmental impacts associated with the following actions, which are so closely related to each other that they are in effect a single course of action:

1. The adoption of the Auburn School District's Capital Facilities Plan 2004-2009 by the Auburn School District No. 408 for the purposes of planning for the facilities needs of the District; and

2. The amendment of the Comprehensive Plans of King County, Pierce County, and the City of Auburn to include the Auburn School District's Capital Facilities Plan 2004-2009 as part of the Capital Facilities Element of each jurisdiction's Comprehensive Plan. The Cities of Algona, Pacific and Kent may also amend their Comprehensive Plans to include the Auburn School District's Capital Facilities Plan as part of the Capital Facilities Element of each jurisdiction's Comprehensive Plan.

Proponent: Auburn School District No. 408

Location of the Proposal:

The Auburn School District includes an area of approximately 57 square miles. The Cities of Auburn, Algona, Kent and Pacific and parts of unincorporated King and Pierce Counties fall within the District's boundaries.

Lead Agency:

Auburn School District No. 408

The lead agency for this proposal has determined that the proposal does not have a probable significant adverse environmental impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after a review of the completed environmental checklist and other information on file with the lead agency. This information is available to the public upon request.

This Determination of Nonsignificance (DNS) is issued under WAC 197-11-340(2). The lead agency will not act on this proposal for 14 days from the date of issue.
