Description of the Notes

The Notes will be dated the date of their initial delivery. Interest on the Notes will be payable only at maturity. The Notes are not subject to redemption prior to maturity.

The Notes are issuable only as fully registered notes and when issued will be registered in the name of Cede & Co. as Note owner and nominee for DTC. DTC will act as securities depository for the Notes. Purchases of the Notes will be made in book-entry form, in the denomination of \$5,000 or any integral multiple thereof. Purchasers will not receive certificates representing their interest in the Notes purchased. The principal of and interest on the Notes are payable by the fiscal agency for the State of Washington in New York, New York, currently The Bank of New York Mellon (the "Bond Registrar"), to DTC, which in turn is obligated to remit such principal and interest to the DTC participants for subsequent disbursement to beneficial owners of the Notes.

Security

The Notes are general obligations of the County. The County has irrevocably covenanted that, for as long as any of the Notes are outstanding and unpaid, it will include in its budget and levy an *ad valorem* tax within the constitutional and statutory tax limitations provided by law without a vote of the people upon all property within the County subject to taxation in an amount that will be sufficient, together with bond proceeds and all other revenues, taxes and money of the County legally available for such purposes, to pay the principal of and interest on the Notes as the same will become due. The County has irrevocably pledged its full faith, credit and resources for the annual levy and collection of such taxes and the prompt payment of the principal and interest on the Notes as the same shall become due.

The County always has met principal and interest payments on outstanding bonds and notes when due.

Bidding Information

Bidders are invited to submit separate bids for the purchase of either or both series of the Notes fixing the interest rate that the Notes of each series will bear. The interest rates bid must be in a multiple of 1/8 or 1/20 of one percent. Bids will be without condition and may only be submitted electronically via Parity.

No bid will be considered for the Series B Notes that is less than an amount equal to 99 percent of the par value of the Series B Notes nor more than an amount equal to 104 percent of the par value of the Series B Notes, or for less than the entire offering of the Series B Notes.

No bid will be considered for the Series C Notes that is less than an amount equal to 99 percent of the par value of the Series C Notes nor more than an amount equal to 104 percent of the par value of the Series C Notes, or for less than the entire offering of the Series C Notes.

Bidders are requested to provide a list of any syndicate members with their bids or within 24 hours of submitting their bids. The County strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Adjustment of Par Amount After Award

The County reserves the right to increase or decrease the total par amount of the Series B Notes by ten percent of the total par amount of the Series B Notes, and to increase or decrease the total par amount of the Series C Notes by ten percent of the total par amount of the Series C Notes following the opening of the bids.

The price bid by the successful bidder for each series of the Notes will be adjusted by the County on a proportionate basis to reflect an increase or decrease in the principal amount of such series of the Notes within 24 hours of the bid opening. The County will not be responsible in the event and to the extent that any adjustment affects the net compensation to be realized by the successful bidder of any series of the Notes.

Good Faith Deposit

The successful bidder for the Series B Notes is required to deliver a good faith deposit in the amount of \$60,000 and the successful bidder for the Series C Notes is required to deliver a good faith deposit in the amount of \$170,000, in each case by federal funds wire transfer to the Treasury Section of the Finance Division by no later than 90 minutes following the successful bidder's receipt of the verbal award. Wiring instructions will be provided to the successful bidder for each series of the Notes at the time of the verbal award.

The good faith deposit of the successful bidder of each series of the Notes will be retained by the County as security for the performance of such bid, and will be applied to the purchase price of such series of the Notes on the delivery of such series of the Notes to the successful bidder. Pending delivery of the Notes, the good faith deposit for each series of the Notes may be invested for the sole benefit of the County.

If the Notes of a series are ready for delivery and the successful bidder fails to complete the purchase of such series of the Notes within 40 days following the acceptance of its bid, the good faith deposit will be forfeited to the County, and, in that event, the County Council may accept the next best bid or call for additional proposals.

Insurance

Bids for the Notes shall not be conditioned upon obtaining insurance or any other credit enhancement. If the Notes qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of a bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs of issuance of the Notes resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder. Any failure of the Notes to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of its contractual obligations arising from the acceptance of its proposal for the purchase of the Notes.

Award

Each series of the Notes will be sold to the bidder making a bid for such series of the Notes that conforms to the terms of the offering and that, on the basis of the lowest net interest cost, is the best bid. For the purpose of comparing bids only, each bid must state the net interest cost of the bid determined in the manner hereinafter stated. The net interest cost will be equal to the total interest cost plus any premium and minus any discount, divided by the bond year dollars.

If there are two or more equal bids for a series of the Notes and those bids are the best bids received, the County Council will determine by lot which bid will be accepted. The County reserves the right to reject any or all bids submitted and to waive any formality in the bidding or bidding process and, if all bids for an offering are rejected, such series of the Notes may be readvertised for sale in the manner provided by law and as provided above.

Issue Price Information

Upon award of the Notes, the successful bidder for each series of the Notes shall advise the County and Bond Counsel of the initial reoffering prices to the public of such series of the Notes (the "Initial Reoffering Prices"). Simultaneously with or before delivery of each series of the Notes, the successful bidder for each series of the Notes shall furnish to the County and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

- (i) confirming the applicable Initial Reoffering Price,
- (ii) certifying that a *bona fide* offering of the applicable series of the Notes has been made to the public (excluding bond houses, brokers and other intermediaries),
- (iii) stating the prices at which a substantial amount (at least ten percent) of such series of the Notes was sold to the public (excluding bond houses, brokers and other intermediaries),
- (iv) stating the price at which any portion of the Notes that remains unsold at the date of closing would have been sold on the date the Notes were awarded, and
- (v) stating the offering price of each portion of the Notes sold to institutional or other investors at discount.

Delivery

The County will deliver the Notes (consisting of one word-processed certificate for each series of the Notes) to DTC in New York, New York, or to the Bond Registrar on behalf of DTC by Fast Automated Securities Transfer, prior to the date of closing. Closing shall occur within 40 days after the sale date. Settlement shall be in federal funds available in Seattle, Washington, on the date of delivery. Delivery is expected to be December 1, 2010.

If, prior to the delivery of the Series B Notes, the interest receivable by the owners of the Series B Notes becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in this Preliminary Official Statement, the successful bidder for the Series B Notes, at its option, may be relieved of its obligation to purchase the Series B Notes, and in that case the good faith deposit accompanying its bid will be returned without interest.

The approving legal opinions of Gottlieb Fisher PLLC, Seattle, Washington, Bond Counsel, will be provided to the purchaser(s) at the time of the delivery of the Notes. Bond Counsel's opinion will express no opinion concerning the accuracy, completeness or sufficiency of this Preliminary Official Statement or other offering material relating to the Notes, nor will there be an opinion of Bond Counsel relating to the undertaking of the County to provide ongoing disclosure pursuant to Securities and Exchange Commission ("SEC") Rule 15c2-12 (the "Rule"). A no-litigation certificate will be included in the closing papers of the Notes.

CUSIP Numbers

It is anticipated that a CUSIP identification number will be printed on each series of the Notes, but neither the failure to print such numbers on the Notes nor any error with respect thereto will constitute cause for a failure or refusal by the purchaser of the Notes thereof to accept delivery of and pay for the Notes in accordance with the terms of this Official Notice of Sale.

The successful bidder for each series of the Notes is responsible for obtaining a CUSIP number for such series of the Notes. The charge of the CUSIP Service Bureau will be paid by each successful bidder; however, all expenses for printing the CUSIP number on the Notes will be paid by the County.

Ongoing Disclosure Undertaking

To assist bidders in complying with paragraph (b)(5) of the Rule, the County will undertake, pursuant to the Sale Motion, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in this Preliminary Official Statement and will also be set forth in the final Official Statement.

Preliminary Official Statement

The Preliminary Official Statement is in a form that the County expects to deem final for the purpose of paragraph (b)(1) of the Rule, but is subject to revision, amendment and completion in a final Official Statement, which the County will deliver, at the expense of the County, to each purchaser through its designated representative not later than seven business days after the County's acceptance of the purchaser's bid, in sufficient quantities to permit each successful bidder to comply with the Rule.

By submitting the successful proposal, each purchaser's designated senior representative agrees:

- (i) to provide to the Finance Division, in writing, within 24 hours after the acceptance of the bid, pricing and other related information, including the Initial Reoffering Price of applicable series of the Notes, necessary for completion of the final Official Statement;
- (ii) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any amendments or supplements prepared by the County;
- (iii) to take any and all actions necessary to comply with applicable rules of the SEC and the Municipal Securities Rulemaking Board ("MSRB") governing the offering, sale and delivery of the Notes to ultimate purchasers, including the delivery of a final Official Statement to each investor who purchases the Notes; and
- (iv) to file the final Official Statement or cause it to be filed with the MSRB within one business day following its receipt from the County.

Official Statement

At closing, the County will furnish a certificate of an official or officials of the County, stating that, to the best knowledge of such official(s) and relying on the opinions of Bond Counsel where appropriate, as of the date of the Official Statement and as of the date of delivery of the Notes,

- (i) the information (including financial information) regarding the County contained in the Official Statement was and is true and correct in all material respects and did not and does not contain any untrue statement of a material fact or omit any statement or information which is necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (however, the County will make no representation regarding Bond Counsel's form of opinion or the information provided by DTC, The Bank of New York Mellon, or any entity providing bond insurance, reserve insurance or other credit facility); and

13369

- (ii) the descriptions and statements, including financial data, of or pertaining to other bodies and their activities contained in the Official Statement have been obtained from sources that the County believes to be reliable and the County has no reason to believe that they are untrue in any material respect.

DATED at Seattle, Washington, this 1st day of November, 2010.
