Ordinance 15849

Proposed No. 2007-0017.2

Sponsors Phillips

1 AN ORDINANCE authorizing the vacation of a portion of
2 151st Avenue SE, File V-2536; Petitioners: Ming and
3 Helen Yu.
4

5 **STATEMENT OF FACTS:**

- 6 1. A petition has been filed requesting vacation of a portion of 151st Avenue
7 SE hereinafter described.
- 8 2. The department of transportation notified the various utility companies serving
9 the area and has been advised that easements are required within the vacation area
10 and have been obtained. Puget Sound Energy, Qwest, and King County Water
11 District No. 117 have retained Utility Easements under recording numbers
12 20060323000563, and 20060811001099, records of King County, Washington.
13 The City of Bellevue has retained an Agreement Regarding Annexation of Real
14 Estate under recording number 20060210000236, records of King County,
15 Washington.
- 16 3. The department of transportation is requiring a Drainage Easement for the two
17 road cross culverts conveying and discharging stormwater drainage within the

18 subject vacation area. The petitioners, their heirs or assigns, will be responsible
19 for any future maintenance of any and all drainage systems located within their
20 property outside of the 151st Avenue SE right-of-way and said drainage easement,
21 recorded under Recording No. 20070315001247, records of King County.

22 4. The department of transportation records indicates that King County has been
23 maintaining 151st Avenue SE. The records indicate that public funds have been
24 expended for its acquisition.

25 5. The department of transportation considers the subject portion of the right-of-
26 way useless as part of the county road system and believes the public would
27 benefit by the return of this unused area to the public tax rolls.

28 6. The right-of-way is classified as "B-Class" and, in accordance with King
29 County Code 14.40.020, the compensation due King County is based on seventy-
30 five percent of the assessed value of the subject right-of-way, which was
31 determined from records of the department of assessments. King County is in
32 receipt of \$6,909.75 from the petitioners.

33 Due notice was given in the manner provided by law and a hearing was held by
34 the office of the hearing examiner on the 7th day of March 2007.

35 In consideration of the benefits to be derived from the subject vacation the council
36 has determined that it is in the best interest of the citizens of King County to grant
37 said petition.

38 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

39 SECTION 1. The council, on the effective date of this ordinance, hereby vacates
40 and abandons that portion of 151st Avenue Southeast as conveyed to King County by the

SUMMARY OF RECOMMENDATIONS:

Department's Preliminary:	Approve road vacation
Department's Final:	Approve road vacation
Examiner's:	Approve road vacation

DEPARTMENT'S REPORT:

The Department of Transportation's written report to the King County Hearing Examiner for Item No. V-2536 was received by the Examiner on February 12, 2007.

PUBLIC HEARING:

After reviewing the Department's Report and examining available information on file with the petition, the Examiner conducted a public hearing on the subject as follows:

The hearing on Item No. V-2536 was opened by the Examiner on March 7, 2007, in the Hearing Examiner's Conference Room, 400 Yesler Way, Seattle, WA 98104, and was continued administratively for receipt of a recorded drainage easement document, which was received on March 15, 2007 and a recorded survey document which was received on March 19, 2007. Final confirmation of their conformity and that of the proposed ordinance language was received on April 30, 2007, and the record closed. Participants at the public hearing and the exhibits offered and entered are listed in the attached minutes. A verbatim recording of the hearing is available in the office of the Hearing Examiner.

FINDINGS, CONCLUSIONS & RECOMMENDATION: Having reviewed the record in this matter, the Examiner now makes and enters the following:

FINDINGS:

1. General Information:

Road name and location:	Portion of 151st Avenue Southeast
Right of way classification:	C
Area:	6,142 square feet
Compensation:	\$6,909.75

2. The Notice of Hearing on the Department's report was given as required by law, and a hearing on the report was conducted by the Examiner on behalf of the Metropolitan King County Council.
3. Except as provided below, the Examiner adopts and incorporates herein by this reference the facts set forth in the Department's report to the Examiner for the March 7, 2007, public hearing and the statement of facts contained in Proposed Ordinance No. 2007-0017. The Department's report will be attached to those copies of this report and recommendation that are submitted to the County Council.
4. Maps showing the vicinity of the proposed vacation and the specific area to be vacated appear in the hearing record as exhibit nos. 11 and 14.
5. The subject right-of-way is currently maintained for public use, but is not necessary for the present or future public road system for travel or general utilities purposes (subject to the establishment of utility easements as necessary; see Finding 7).
6. Vacation of the right-of-way would have no adverse effect on the provision of access and fire and emergency services to the abutting subject property and surrounding area.
7. The easements necessary to be retained for the construction, repair and maintenance of public utilities and services have been duly recorded, with the exception of one, for Comcast cable communications. Comcast has obtained an easement pre-authorization from the Applicants.

8. The compensation required by law to be paid as a condition precedent to vacation of this road has been deposited with King County.

CONCLUSION:

1. The right-of-way segment subject to this petition is useless as part of the King County road system, and the public will be benefited by its vacation.

RECOMMENDATION:

APPROVE proposed Ordinance No. 2007-0017 to vacate the subject road right-of-way.

RECOMMENDED May 25, 2007.
