SUMMARY OF RECOMMENDATIONS:

**Department's Recommendation:** Approve 4.01 acres for 50% reduction in appraised value  
**Examiner's Recommendation:** Approve 4.01 acres for 50% reduction in appraised value

PROCEDURAL BACKGROUND:

Per Ch. 20.36 KCC, the Department of Natural Resources and Parks (DNRP) transmitted the subject application along with its Report for Property Enrollment in the Public Benefit Rating System (PBRs) File No. E25CT013, to the Examiner.

The Examiner conducted a remote public hearing on the application on April 23, 2026. Megan Kim, representing DNRP, presented the application and DNRP’s recommendation. Applicants Janice and Cody Hodge and Theresa Styka did not participate.

FINDINGS AND CONCLUSIONS:

1. Except as modified herein, the facts set forth in DNRP’s staff report and testimony at the April 23, 2026, public hearing are correct and incorporated here by reference. We will provide copies of this report and DNRP’s staff report to the King County Council for final action.
2. The property at issue is at 46728 SE 161st Street, North Bend, WA 98045, Parcel No. 252308-9042, owned by the Applicants Janice and Cody Hodge and Theresa Styka.
3. The Applicants timely filed an application with King County for current use assessment of the above identified property under the PBRs to begin in 2026.
4. Timely and proper legal notice of the public hearing on the application was provided.
5. A list of the PBRs Open Space Resource categories identified by DNRP as relevant to the property are provided below. Categories that DNRP determined were eligible (or eligible with contingencies) for credit are assigned the applicable number of points.

PBRs categories:	Forest stewardship land	5*
	Total points awarded	5

The DNRP-recommended score of 5 points results in a 50% reduction in the appraised value of the enrolled portion of the property. Each category where points are recommended is discussed below.

6. **Forest stewardship land – 5 points.** To be eligible for this category, the property must contain at least four acres of contiguous forestland which is met by the parcel at issue here. For the property to qualify for this category and enroll in PBRs, a forest stewardship plan must be implemented. The owners will work with King County foresters to develop a forest stewardship plan. Credit for this category is recommended dependent upon the plan being provided by November 1, 2026, and approved by the Department on or before December 31.

7. **Contingencies, Conditions, and Requirements.**
  - A. Because the property is not eligible for any other PBRS resource category, failure to qualify as forest stewardship land will preclude the property from enrolling in PBRS.
  - B. The Examiner incorporates all conditions and requirements identified in the PBRS Staff Report. Ex. 1.
8. **Enrollment Acreage.** DNRP recommends that, subject to the above conditions, 4.01 acres of the subject property be enrolled in the PBRS program. Ex. D2. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
9. Conditional approval of 5 points and a current use valuation of 50% of assessed value for 4.01 acres is consistent with Ch. 20.36 KCC and with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

CONDITIONALLY APPROVE credit for the "forest stewardship land" category, on 4.01 acres on parcel 252308-9042, for a current use valuation of 50% of assessed value for the enrolled portion of the property. Administrative approval should be subject to any conditions and requirements listed herein or incorporated from the DNRP staff report.

DATED April 28, 2026.
