## **3. Taxes, Utility and Other Charges**

**3.1** The County shall pay any property taxes or any contractual obligations including any fines, if any are due or owing up until the time of conveyance or transfer. The County shall also pay any utility charges if any are due or owing, until the time of conveyance or transfer.

The City may not, however, assert such a claim to the excess cost of remediation to the extent that the City negligently exacerbates the cost of remediation upon which a statutory claim for contribution is based as a result of the City performing construction activities on any of the County Properties, or changing the use or configuration thereof.

**5.4** If the City discovers the presence of Hazardous Substances at levels that could give rise to a statutory claim for contribution against the County it shall immediately notify the County in writing. Such notice shall in no event be provided more than 60 days after discovery. The

In the event that any suit based upon such claims, actions, suits, liabilities, losses, costs, expenses or damages is brought against the City or the City and King County, King County shall defend the same at its sole cost and expense and, if final judgment be rendered against the City and its elected officials, officers, agents and employees or jointly against the City and King County and their respective elected officials, officers, agents and employees, King County shall satisfy the same.

**6.2** To the maximum extent permitted by law, the City shall protect, indemnify and hold harmless King County and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liabilities, losses, costs, expenses or damages of any nature whatsoever, arising from those occurrences related to the County Properties that occurred on or after the effective date of conveyance of the County Properties to the City, except to the extent that the occurrence is caused by or results from a negligent act or omission of King County, its officers, agents and employees occurring on or after the effective date of conveyance of the County Properties to the City, and except to the extent that indemnifying or holding the County harmless would be limited by Section A.5 of this Agreement. In the event that any suit based upon such claims, actions, losses, costs, expenses or damages is brought against King County or King County and the City, the City shall defend the same at its sole cost and expense and, if final judgment be rendered against King County and its officers, agents and employees or jointly against King County and the City and their respective officers, agents and employees, the City shall satisfy the same.

For this purpose, each party, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.

**6.5** The terms of these indemnity provisions, as well as the terms of the environmental liability section shall survive the closing of the property transfer and the termination of this Agreement.
