Ordinance 19433

Proposed No. 2022-0087.2

Sponsors Dembowski

1 AN ORDINANCE approving the grant funding allocation
 2 for projects funded through the 2020-2025 parks,
 3 recreation, trails and open space levy grant program in
 4 accordance with Ordinance 18890, Motion 15378,
 5 Ordinance 19166 and the 2021-2022 Biennial Budget
 6 Ordinance, Ordinance 19210, Section 93.

7 **STATEMENT OF FACTS:**

8 1. Ordinance 19166 established grant award criteria and the process for
 9 the King County parks, recreation, trails and open space levy grant
 10 programs, as well as the proposed composition of advisory committees in
 11 accordance with Ordinance 18890, Section 6, Motion 15378, Section F.1.,
 12 and Attachments A, B, D and E to Motion 15378.

13 2. Ordinance 18890, which took effect May 13, 2019, called for a special
 14 election to authorize the King County parks, recreation trails and open
 15 space levy. On August 6, 2019, King County voters approved the levy,
 16 which included funding for various grant programs, including parks
 17 capital and open space and aquatics facilities.

18 3. The parks capital and open space grant program under Attachment A to
 19 Ordinance 19166 will provide funding for a range of land improvements,
 20 including land acquisition, park and open space development, habitat

Ordinance 19433

21 conservation, community gardens and construction of passive and active
22 recreation facilities. The goal of the program is to acquire lands that might
23 be lost to future development pressures, and also to construct new and
24 improved facilities to address rapid growth in urban areas.

25 4. The aquatic facilities grant program under Attachment C to Ordinance
26 19166 will provide levy proceeds for a wide range of improvements to
27 public aquatics facilities located in King County. The projects may
28 include feasibility studies, design, permitting and new construction or
29 improvements to existing capital facilities. The grant program will assist
30 communities as the region grows and existing facilities become obsolete
31 or reach capacity.

32 5. The aquatic facilities grant and parks capital and open space grant
33 advisory committee convened in the fall of 2021 to review and score grant
34 proposals and has recommended funding for the projects listed in sections
35 1 and 2 of this ordinance, based upon the eligibility and additional criteria
36 set forth in Attachments A and C to Ordinance 19166.

37 6. These recommendations reflect the first round of what is expected to be
38 a three-round grant cycle over the course of the levy. The second round of
39 grants is expected to begin in 2022, and the third and final round of grants
40 is expected to begin in 2024.

This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
