2080 connecting to the system for the first time after the initiation of the wastewater capacity
2081 charge in 1990, and the current and projected rate of the capacity charge through 2025;
2082 and

2083 E. An analysis and recommendation on the establishment of a wastewater
2084 capacity charge exemption or reduced rate for identified populations, and identification of
2085 program considerations such as the estimated numbers of persons who may be eligible to
2086 participate in such exemption or reduced rate, including any changes to the King County
2087 Code or county policies necessary to implement an exemption or reduced-rate program.

2088 If the recommendation of the executive is to propose an exemption program or a

Ordinance 19479

2099 regional water quality committee and the budget and fiscal management committee, or

2108 executive transmits a report on the shift of the sewer rate cost burden to the single-family
2109 sector from the commercial/industrial/multifamily sector, and a motion that
2110 acknowledges receipt of the report and a motion acknowledging receipt of the report is
2111 passed by the council. The motion should reference the subject matter, the proviso's
2112 ordinance number, ordinance section and proviso number in both the title and body of the
2113 motion.

2114 The report shall include, but not be limited to, the following:

2115 A. A discussion of the history of, and rationale for, the sewer rate cost structure
2116 that has resulted in the shifting of the cost burden from commercial/industrial/multifamily
2117 housing sectors to single-family homeowners;

2118 B. Options for alternative cost structures that would distinguish multifamily
2119 ratepayers from commercial and industrial ratepayers; and

2120 C. A discussion of the appropriate balance of costs between the residential sector
2121 and the commercial/industrial sector in sewer rate revenues, and the criteria impacting

Ordinance 19479

2122 that balance.

2123 The executive should electronically file the report and motion required by this
2124 proviso no later than August 1, 2021, with the clerk of the council, who shall retain the
2125 electronic copy and provide an electronic copy to all councilmembers, the council chief
2126 of staff and the lead staff for the regional water quality committee and the budget and
2127 fiscal management committee, or their successors.

2128 P4 PROVIDED FURTHER THAT:

2129 Of this appropriation, \$300,000 shall not be expended or encumbered until the
2130 executive transmits a status report and a final report on toxics in King County wastewater
2131 effluent, evaluating the presence of toxic elements in the effluent of treatment plants, and
2132 a motion that acknowledges receipt of the final report and a motion acknowledging the
2133 receipt of the final report is passed by the council. The motion should reference the
2134 subject matter, the proviso's ordinance, ordinance section and proviso number in both the
2135 title and body of the motion.

2136 The report shall include, but not be limited to, a summary of the results of an
2137 evaluation of toxic elements in the effluent of treatment plants. The evaluation shall
2138 comply with the following:

2139 A. The evaluation shall be based on testing of the undiluted effluent of treatment
2140 plants, and shall be compared with chemical elements being discharged as industrial
2141 wastes into the wastewater collection system; sampling of effluents shall be timed to
2142 include at least one seasonal period of high winter discharge volumes;

2143 B. The evaluation shall address and report on the presence, origin, volume,
2144 toxicity, environmental fate and impacts to the marine environment from toxics including

Ordinance 19479

2145 metals, volatile organic compounds, chemicals of emerging concern and other toxics in
2146 the undiluted effluent of treatment plants;

2147 C. While the evaluation shall be as broad as possible within costs, to the extent
2148 necessary to narrow the scope of the evaluation in light of the extensive range of
2149 potentially toxic elements, the focus shall be on:

2150 1. Those elements considered most toxic to the marine environment generally;
2151 and

2152 2. Those elements considered potentially toxic to Southern Resident Orcas and
2153 the hierarchy of marine species upon which the Southern Resident Orcas depend;

2154 D. The evaluation shall assess whole effluent toxicity of the discharges, to assess
2155 the impact of the complex mix of toxic elements on marine species. The assessment shall
2156 be designed to indicate whether undiluted wastewater effluent represents a potential
2157 source of deleterious toxic influence to Puget Sound marine organisms, and to Southern
2158 Resident Orcas and the hierarchy of marine species upon which they depend particularly;

2159 E. The evaluation shall include an assessment of the accumulation of those toxic
2160 elements in marine organisms, either directly or through bioaccumulation, and shall
2161 discuss potential impacts on metabolic processes, behavior and mortality. The
2162 assessment may be accomplished either through analysis of the tissue of selected species,
2163 or through bioaccumulation modeling;

2164 F. The evaluation shall describe potential wastewater treatment technologies that
2165 have the capacity, in part or in whole, to limit or control the discharge of toxics in
2166 wastewater effluents to a significantly greater extent than is currently being accomplished
2167 at King County treatment plants; and

Ordinance 19479

2168 G. The evaluation shall be contracted to an entity with the capacity to address the
2169 required elements of the evaluation. Preference shall be given to entities with a
2170 demonstrated history of evaluating and reporting on the impacts of wastewater effluents
2171 on the marine environment, including impacts on Southern Resident Orcas or their prey
2172 species, and that have the capacity for modeling the bioaccumulation of toxics.

2173 The executive should file electronically a report on the status of the evaluation
2174 project by December 31, 2021, and the final report and motion required by this proviso

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO King County ITD (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Carahsoft OBO King County ITD:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

We do not require any other information from you to change your email address..

In addition, you must notify DocuSign, Inc. to arrange for your new email address to be reflected in your DocuSign account by following the process for changing e-mail in the DocuSign system.

To request paper copies from Carahsoft OBO King County ITD

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an e-mail to bob.johnson@kingcounty.gov and in the body of such request you must state your e-mail address, full name, US Postal address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Carahsoft OBO King County ITD
