1 AN ORDINANCE authorizing the King County executive
2 to execute an amendment to the interlocal agreement with
3 the King County flood control zone district extending the
4 deadline for notice of renewal of the interlocal agreement;
5 and declaring an emergency.

6 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

7 **SECTION 1. Findings:**

8 A. On February 17, 2009, King County ("county") and the King County flood
9 control zone district ("the district") entered into an interlocal agreement ("the ILA"), as
10 authorized by King County Ordinance 16341 and district Resolution FCD2008-17.1,
11 whereby the county as service provider to the district would provide flood protection
12 services and implement the district's annual work program and budget.

13 B. Section 13.1 of the ILA provides that the ILA shall remain in effect through
14 December 31, 2010. Section 13.1 also provides that the district may extend the term of
15 the ILA once for a period of two years by sending notice to the county of its intention to
16 extend the ILA on or before September 30, 2010.

17 C. The county has determined that Section 13.1 of the ILA should be amended to
18 allow the district additional time to provide notice of its intention to extend the ILA,
19 changing the due date of such notice from September 20, 2010, to December 31, 2010.

20 D. Speedy approval of this amendment to the ILA is necessary so that the county
21 can continue to provide flood protection services and to implement the district's annual
22 work program for the years 2011 and 2012.

23 SECTION 2. The county executive is hereby authorized to execute an
24 amendment to the Section 13.1 of the ILA that would change the due date of notice from
25 September 30, 2010, to December 31, 2010, as provided on Attachment A to this
26 ordinance. All of other provisions of the ILA shall remain in full force and effect.

27 SECTION 3. For the reasons set forth in section 1 of this ordinance, the county
28 council finds as a fact and declares that an emergency exists and that this ordinance is

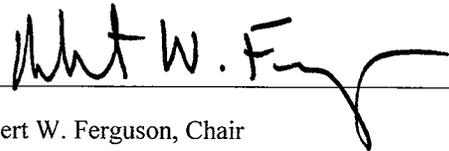

29 necessary for the immediate preservation of public peace, health or safety or for the
30 support of county government and its existing public institutions.
