Representing Employees in the Department of Assessments**

**Subject: Assessments Auditor Wage Adjustment**

Memorandum of Agreement (MOA) by and between King County (the County) and the Public, Professional & Office-Clerical Employees and Drivers, Teamsters Local 763 (the Union), representing employees in the Department of Assessments (The Department).

**Background:**

1. According to the classification specification, the Assessments Auditor classification ensures accuracy and completeness of business assessments audits, conducts internal audits as requested or approved by the County, prepares tax appeal cases for the King County Board of Equalization and the Washington State Board of Tax Appeals, and provides testimony in a court of law as required. This classification is currently placed at Range 55 on the King County Squared Table.
2. The County reviewed the classification at the request of the Department and determined the Assessments Auditor classification is comparable to the Current Use Evaluation Specialist classification, also within the Union's bargaining unit. The Current Use Evaluation Specialist is currently placed at Range 57 on the King County Squared Table.
3. The following represents the parties' agreement to adjust the wage range for the Assessments Auditor classification on the King County Squared Table.

**Agreement:**

1. This Agreement shall modify the Wage Addendum for Appendix 220 and shall place the Assessments Auditor classification at Range 57 on the King County Squared Table. The parties have bargained the decision and impacts of addressing the wage rate for the Assessments Auditor classification to conclusion. This agreement reflects the final binding agreement reached between the parties.
  2. **EFFECTIVE DATE.** This wage adjustment is prospective and shall be effective prospectively upon implementation of the Coalition Labor Agreement, and the Union's Appendix. Any signature received by facsimile or electronic signature will have the same force and effect as does an original signature on this document.
