Ordinance 19646

Proposed No. 2023-0182.2

Sponsors Dembowski

1 AN ORDINANCE authorizing the use of an interlocal
2 agreement template for cities, towns, and metropolitan park
3 districts for open space acquisition projects.

4 **STATEMENT OF FACTS:**

5 1. King County conservation futures tax levy proceeds are collected from
6 throughout King County as a dedicated portion of property taxes, for the
7 acquisition of open space and natural resource lands.

8 2. Ordinance 14714 established procedures for the annual allocation of
9 conservation futures tax levy proceeds, which directs the conservation
10 futures advisory committee to make funding recommendations to the
11 executive, to consider for inclusion in the annual budget ordinance.

12 3. Starting in 1990 and through 2019, the executive, as authorized by the
13 council, executed interlocal cooperation agreements with cities and park
14 districts.

15 4. Ordinance 18978, enacted September 18, 2019, adopted a new
16 interlocal agreement template for cities, towns and metropolitan park
17 districts for open space acquisition projects. The new template has been
18 adopted by cities and park districts as they have received conservation
19 futures awards.

Ordinance 19646

20 5. The executive has proposed Ordinance 2023-0183, which would update
21 the conservation futures program policies by: reducing the required match
22 for conservation futures tax funds from fifty percent to twenty-five
23 percent; expanding eligible uses to include initial site stabilization
24 activities associated with property acquisition, which are necessary to
25 protect natural resources and reduce public safety risks; and making
26 scheduling refinements and other minor process improvements.

27 6. If the proposed conservation futures policies updates are enacted, an
28 amendment to existing interlocal agreements with cities, towns and
29 metropolitan park districts will be needed. For cities, towns and
30 metropolitan park districts that have not yet adopted an interlocal
31 agreement approved by Ordinance 18978, a new version with the updates
32 will be needed.

33 7. The existing interlocal agreements can remain in place for the projects
34 to which they apply.

35 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

36 SECTION 1. The executive is hereby authorized to execute interlocal agreements
37 with the cities, towns and metropolitan park districts that receive conservation futures tax
38 proceeds, in substantially the form of Attachment A to this ordinance.

39 SECTION 2. For cities and metropolitan park districts that have already
40 implemented the interlocal agreement approved under Ordinance 18978, the executive is

Ordinance 19646

41 hereby authorized to execute the amendment to the interlocal agreements, in substantially
42 the form of Attachment B to this ordinance.

Ordinance 19646 was introduced on 5/16/2023 and passed by the Metropolitan King County Council on 7/11/2023, by the following vote:

Amendment to the Conservation Futures Interlocal Cooperation Agreement Between King County and the City of [City Name] for Open Space Acquisition Projects dated June 13, 2023

**INTERLOCAL COOPERATION AGREEMENT
BETWEEN KING COUNTY AND THE CITY OF [CITY NAME]
FOR CONSERVATION FUTURES-FUNDED
OPEN SPACE ACQUISITION PROJECTS**

THIS INTERLOCAL COOPERATION AGREEMENT is a grant agreement entered into between the CITY OF [CITY NAME] (“City”) and KING COUNTY (“County”), (collectively, “parties”).

Article I. Recitals

On February 27, 1989, the King County Council passed Ordinance 8867, which established a process to allocate the proceeds of the Conservation Futures Fund.

On September 21, 1989, the King County Council passed Ordinance 9128, which established a Conservation Futures Levy Fund to provide for the receipt and disbursement of Conservation Futures tax levy proceeds and established conditions for use of the Fund, including conditions covering allowable costs and expenses.

On July 21, 2003, the King County Council passed Ordinance 14714, authorizing funding allocation procedures for King County Conservation Futures tax levy collections and amending Ordinance 8867, Section 2, as amended.

The Conservation Futures Advisory Committee has recommended an allocation of Conservation Futures proceeds to specific projects from the Conservation Futures Levy Fund following notification to the cities that proceeds were available, provision of an opportunity for the cities to respond and receipt by the committee of requests for funding, all pursuant to Ordinance 8867, as amended by Ordinance 14714.

Starting in 1990 and through 2017, the King County Executive, as authorized by the King County Council, executed Interlocal Cooperation Agreements with the cities of Auburn, Bellevue, Black Diamond, Bothell, Burien, Carnation, Covington, Des Moines, Duvall, Enumclaw, Federal Way, Issaquah, Kenmore, Kent, Kirkland, Lake Forest Park, Mercer Island, Milton, Newcastle, Normandy Park, North Bend, Pacific, Redmond, Renton, Sammamish, Seattle, Shoreline, Snoqualmie and Tukwila, and Vashon Park District. Many of these agreements were amended over time to add new projects.

The existing Interlocal Cooperation Agreements remain in place with an indefinite term for the projects for which Conservation Futures proceeds were disbursed. The agreements require the properties to be maintained as open space in perpetuity.

The King County Council, by Ordinance 18978, has approved a new Interlocal Cooperation Agreement for future projects in order to add terms for the use of bond proceeds for certain projects, achieve consistency between the agreement and the King County Code, and make other technical changes.

Pursuant to chapter 39.34 RCW, the parties agree to the following:

Article II. Definitions

1. Open Space

The term “open space” or “open space land” means: (a) any land area so designated by an official comprehensive land use plan adopted by any city or county and zoned accordingly; or (b) any land area, the preservation of which in its present use would (i) conserve and enhance natural or scenic resources, or (ii) protect streams or water supply, or (iii) promote conservation of soils, wetlands, beaches or tidal marshes,

or (iv) enhance the value to the public of abutting or neighboring parks, forests, wildlife reserves, natural reservations or sanctuaries, or other open space, or (v) enhance recreational activities, or (vi) preserve historic sites, or (vii) preserve visual quality along highway, road, and street corridors or scenic vistas, or (viii) retain in its natural state tracts of land of not less than one acre situated in an urban area and open to public use on such conditions as may be reasonably required by the legislative body granting the open space classification, or (c) any land meeting the definition of “farm and agricultural land” conservation under subsection (8) of RCW 84.34.020. As a condition of granting open space classification, the legislative body may not require public access on land classified under (b) (iii) of this subsection for the purpose of promoting conservation of wetlands.

2. Project

The term “Project” means the specific projects described in Exhibit A or added by follow-on amendments to disburse proceeds pursuant to Section 8.2 of this agreement.

3. Conservation Futures

The term “Conservation Futures” means developmental rights which may be acquired by purchase, gift, grant, bequest, devise, lease or otherwise, except by eminent domain, and may consist of fee simple or any lesser interest, development right, easement, covenant, or other contractual right necessary to protect, preserve, maintain, improve restore, limit future use of, or otherwise conserve open space land, all in accordance with chapter 84.34 RCW and K.C.C. chapter 26.12.

Article III. Purpose of the Agreement

The purpose of this agreement is to create a cooperative arrangement between the City and the County relating to the Project and to define the terms and conditions governing both parties' obligations created by this agreement.

Article IV. Term of Agreement

This agreement shall continue in full force and effect and be binding upon the parties hereto upon execution of the agreement by both parties. The term of the agreement shall be indefinite. The agreement will be terminated if the City is: 1) unable or unwilling to expend the proceeds provided through this agreement; 2) unable or unwilling to satisfy the matching requirements contained in this agreement; and 3) upon reimbursement by the City to the County of all unexpended proceeds provided by the County pursuant to this agreement in the manner and amounts described below and payment of all amounts due pursuant to Section 8.1.

Article V. Conditions of Agreement

Section 5.1 – Project Descriptions. Proceeds available pursuant to this agreement may be used only for the Projects listed in Exhibit A, such substituted Projects as may be approved by the County as set forth below, or Projects added by follow-on amendments to disburse proceeds pursuant to Section 8.2 of this agreement. All County funded Projects must meet open space criteria as described in chapter 84.34 RCW and K.C.C. chapter 26.12.

Section 5.2 – Use of Proceeds. Proceeds provided to the City pursuant to this agreement as well as moneys provided by the City as match pursuant to this agreement may be used only to pay capital costs related to property acquisition and initial site

stabilization activities. Those costs include appraisals, title searches, negotiations, administrative overhead, and the cost of actual acquisition or purchase options, and all other costs meeting the requirements of K.C.C. 26.12.010. The City shall have the property valued by an appraisal performed by an independent state-certified real estate appraiser with a current general real estate appraiser license, and reviewed by an independent state-certified general real estate appraiser unless otherwise provided in K.C.C. 26.12.010. In requesting reimbursement of proceeds for the Project, the City shall demonstrate to the County compliance with this Section 5.2. Proceeds utilized pursuant to this agreement may not be used to purchase land obtained through the exercise of eminent domain.

Section 5.3 – Completion/Substitution/Deletion of Projects. The City shall complete the Project described in Section 5.1 of this Agreement within a two-year period from the effective date of the County ordinance appropriating funding for the Project. If the City does not meet this two-year requirement, unless the City demonstrates to the Advisory Committee a compelling reason for continuance of CFT funding for the Project beyond the two-year limit or a reprogramming request is timely approved as provided for below, the County shall be released from any obligation to fund the Project, and the County in its sole discretion may reallocate such proceeds for other projects in other jurisdictions. The City may submit specific requests for project reprogramming to the County for its approval within the two-year period. All projects proposed for reprogramming must meet open space criteria as described in chapter 84.34 RCW and K.C.C. chapter 26.12, be submitted for recommendation by the County's Advisory

Committee or its successor, and be approved by action of the King County Council. All reprogramming requests shall be submitted to the County's Department of Natural Resources and Parks, Open Space Acquisitions Unit, or its successor.

Section 5.4 – Eminent Domain. If any Project requires the exercise of eminent domain to acquire the property, all proceeds provided pursuant to this agreement plus accrued interest on such proceeds shall be reprogrammed as provided in this agreement or repaid to the County.

Article VI. Responsibilities of the City

Section 6.1 – Matching Requirements. Except for acquisitions of property interests in opportunity areas, as defined by K.C.C. 26.12.003, any Project funded by Conservation Futures Levy proceeds shall be supported by the City in which the Project is located with a matching contribution, which is no less than twenty-five percent of the total costs of the Project including the value of the matching contribution provided by the City. This contribution may be in the form of cash, land match with a valuation verified by an appraisal by an independent state-certified real estate appraiser with a current general real estate appraiser license, or the cash value, excluding King County conservation futures contributions, of other open spaces acquired within the previous two years from the date of submittal of the application by the City. The appraisal, to be reviewed, shall have been performed within two years of the application deadline set for the annual allocation of conservation futures tax levy proceeds under which the Property received funding. Properties considered as land match or cash value of other open space acquisitions should be directly linked to the property under application. Any City match,

other than cash, shall require County approval. County approval and County acceptance of the City's match will be transmitted in writing to the City by the County's Designated Representative.

Section 6.2 – Reporting. All proceeds received pursuant to this agreement and accrued interest therefrom will be accounted for separately from all other City moneys, accounts and moneys. Until the property described in the Project is acquired and all proceeds provided pursuant to this agreement have been expended, the City shall provide the reports required by K.C.C. 26.12.035.

Section 6.3 – Disposition of Remaining Proceeds. If the City does not expend all proceeds obligated to be provided through this agreement and no substitute project is requested or approved as to the excess proceeds, such proceeds, if held by the City, shall be refunded to the County. For purposes of this section, "proceeds" shall include all moneys obligated to be provided by the County plus interest accrued by the City on such moneys. Any proceeds in excess of those required to be provided by the County for the actual costs of the Project shall remain with the County for use in its sole discretion.

Section 6.4 – Maintenance in Perpetuity. Except as provided in this Section 6.4, the City, and any successor in interest, agree to maintain properties acquired with proceeds provided pursuant to this agreement as open space in perpetuity and, as required by the County, to include in the real property records notice of this restriction. Projects carried out by the City in whole or in part with funds provided for under the terms of this agreement shall not be transferred or conveyed except by agreement with an agency or nonprofit organization as defined in K.C.C. 26.12.003, which shall provide that the land

or interest in land shall be continued to be used for the purposes of K.C.C. chapter 26.12, and in strict conformance with the uses authorized under chapter 84.34 RCW.

The City shall not change the status or use of properties acquired with proceeds provided pursuant to this agreement unless the City provides equivalent lands or cash in exchange for the land to be changed to a different use, or a combination of land and cash reimbursement is provided. The land shall be valued in its changed status or use, and not based upon its value as open space, and the replacement land or payment amount must be approved by the County. If requested by the County, at its own cost the City will provide the County an appraisal performed within the previous year by an independent state-certified real estate appraiser with a current general real estate appraiser license. The value established by the appraisal will not be binding on the County. If the County approves replacement land, the City shall complete the replacement within one year of approval. If the County approves cash reimbursement, the City shall pay the County within 90 days of approval.

Section 6.5 – Tax Covenants. The City acknowledges that proceeds provided by the County for a Project may be proceeds of tax-exempt bonds (the “Bonds”) subject to certain requirements of the Internal Revenue Code of 1986, as amended (the “Tax Code”), including any implementing regulations and any administrative or judicial interpretations. The City will comply with Tax Code requirements, including those set forth in Exhibit B, which is incorporated herein, applicable to Bond-financed Projects identified in Exhibit A, which is incorporated herein, as well as Bond-financed Projects identified in subsequent amendments to this agreement.

Article VII. Responsibilities of the County

Subject to the terms of this agreement, the County will provide Conservation Futures Tax Levy proceeds in the amounts and for the Projects identified in Exhibit A as well as in those amounts and for those Projects identified in subsequent amendments to this agreement. The City may request additional proceeds; however, the County has no obligation to provide proceeds to the City in excess of the amount shown in Exhibit A. The County assumes no obligation for future support of the Project described herein except as expressly set forth in this agreement.

Article VIII. Other Provisions

Section 8.1 – Hold Harmless and Indemnification.

A. The County assumes no responsibility for the payment of any compensation, fees, wages, benefits or taxes to or on behalf of the City, its employees, contractors or others by reason of this agreement. The City shall protect, indemnify, and save harmless the County, its officers, agents and employees from any and all claims, cost and whatsoever occurring or resulting from: 1) the City's failure to pay any compensation, fees, wages, benefits, or taxes; and 2) the supplying to the City of work, services, materials or supplies by City employees, agents, or other contractors, or suppliers in connection with or in support of performance of this agreement.

B. The City further agrees that it is financially responsible for and will repay the County all indicated amounts following an audit exception, which occurs due to the

negligent or intentional acts of this agreement by the City, its officer, employees, agents, or representatives arising out of the performance of the terms of this agreement.

C. The City shall protect, indemnify, and save harmless the County from any and all costs, claims, judgments, or awards of damages, arising out of or in any way resulting from the negligent acts or omissions of the City, its officers, employees, or agents in the performance of its obligations under the terms of this agreement. For the purposes of this agreement only, the City agrees to waive the immunity granted it for industrial insurance claims pursuant to Title 51 RCW to the extent necessary to extend its obligations under this paragraph to any claim, demand, or cause of action brought by or on behalf of any employee, including judgments, awards, and costs arising therefrom including attorney's fees.

D. To the extent permitted by law, and except to the extent caused by the sole negligence of the County, the City agrees, at its expense, to pay, and to indemnify and hold the County, its officers, employees or agents harmless of, from and against, any and all claims, damages, demands, losses, liens, liabilities, penalties, fines, taxes, lawsuits, and other proceedings and costs and expenses (including attorneys' fees) of every conceivable kind, character or nature whatsoever, arising directly or indirectly from or out of, or in any way connected with any examination or audit of any Bond issued to finance or refinance costs of any Bond-financed Project identified in Exhibit A as well as Bond-financed Projects identified in subsequent amendments to this agreement by the Internal Revenue Service, or any determination by the Internal Revenue Service or a court of competent jurisdiction that the interest on any such Bond is or should be subject

to federal income taxation; provided, however, that the City shall not be liable for any payment made by the County with respect to any settlement of any such examination or audit, or of any other proceeding related thereto, entered into without the consent of the City.

Section 8.2 – Amendment. The parties reserve the right to amend or modify this agreement. Amendments or modifications to disburse proceeds approved by the County Council must be by written instrument signed by the parties substantially in the form of Exhibit C. Other amendments also must be approved by the respective City and County Councils.

Section 8.3 – Contract Waiver. No waiver by either party of any term or condition of this agreement shall be deemed or construed to be a waiver of any other term or condition, nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach whether of the same or different provision of this agreement. No waiver shall be effective unless made in writing.

Section 8.4 – Entirety. This agreement is the complete expression of the terms hereto and any oral representations or understandings not incorporated are excluded. This agreement merges and supersedes all prior negotiations, representations and agreements between the parties relating to the Project and constitutes the entire agreement between the parties. The parties recognize that time is of the essence in the performance of the provisions of this agreement.

The City acknowledges that proceeds provided by the County for the Project may be proceeds of Bonds subject to certain requirements of the Tax Code. The City will take all actions with respect to the Project, and proceeds received for the Project, necessary to assure the exclusion of interest on the Bonds from the gross income of the owners of the Bonds, including but not limited to the following:

(a) Expenditure of Proceeds. The City will expend proceeds of the Bonds received from the County for capital expenditures for federal income tax purposes within the meaning of Section 1.150-1(b) of the Tax Code. - (4) The grant is required to be used for open space as required under Article II but does not impose any conditions relating to the use of the Project or other property of the City by the County or any of its agencies or authorities.
- (5) This agreement is a grant agreement.

(d) Limitations on Disposition of Project. The City will not sell or otherwise dispose of any components of the Project without prior approval by the County and compliance with timeframes for completion of land replacement or cash reimbursement as provided in Section 6.4.

(e) Record Retention. The City will retain its records of all accounting and monitoring it carries out with respect to the Bond proceeds received and with respect to the

Project for at least three years after the Bonds mature or are redeemed as provided in the amendment granting such Bond proceeds to the City.

(f) Cooperation. The City will provide tax certificates when and as requested by the County or County's bond counsel in order to establish or maintain the tax-exempt status of the Bonds. The City will cooperate in any audit of the Bonds by the Internal Revenue Service, including disclosure of any record, contracts and other materials relating to the Bond proceeds received by the City and the Project.

Electronic Record and Signature Disclosure
--

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, King County-Department of 02 (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
