Re: State Environmental Policy Act (SEPA) Threshold Determination of Non-significance (DNS) for a non-project action identified as: Fall City Rural Town Interim Residential Zoning Regulations (PO 2023-0202)

---

Jenny,

As a SEPA official within the Permitting Division of the Department of Local Services, I was tasked with performing the SEPA review and threshold determination under SEPA for the Fall City Rural Town Interim Residential Zoning Regulations.

As part of that process, I reviewed the SEPA checklist, proposed ordinance, existing codes, regulations and policies.

A DNS was issued and published on August 16, 2023, with a comment period ending September 6, 2023. No substantive comments were received. No further action as it relates to this SEPA review and the DNS is necessary at this time.

I have included a copy of the final SEPA checklist, Threshold Determination, newspaper affidavit of publishing.
