The Honorable Dave Upthegrove
Chair, King County Council
Room 1200
C O U R T H O U S E

Dear Councilmember Upthegrove:

This letter transmits the King County Search and Rescue Association's (KCSARA) Market Research and Feasibility Study (funding report) in accordance with Ordinance 19546, Section 94, Proviso P1, and a proposed Motion that would, if enacted, acknowledge receipt of the report.

This funding report was developed by a consultant and provided by KCSARA. It summarizes information about KCSARA's proposed new headquarters. In particular, the report provides details about the total amount of funding and financial commitments that have been secured for the proposed new headquarters as of March 31, 2024. It also provides details about the amount of money that still needs to be secured to fund the full project, including acquisition, design, engineering, and construction.

Thank you for your consideration of this report. The information found in the report, authored by KCSARA, will help King County residents better understand the association's progress toward securing funding for its proposed new headquarters.

If your staff have questions, please contact Warren Jimenez, Division Director, Parks and Recreation Division, Department of Natural Resources and Parks, at 206-477-4525.

The Honorable Dave Upthegrove
