Proposed No.: 2013-0386

1 **AMENDMENT TO PROPOSED MOTION 2013-0386, VERSION 1**

2 On page 3, line 50, after "crossing" insert "s"

3 On page 5, beginning on line 103 delete everything through line 105 and insert:

4 "WHEREAS, the United States Army Corps of Engineers has not committed to a
5 conducting a comprehensive environmental impact statement of the proposed coal export
6 terminal near Boardman, Oregon, and has instead reported it will conduct a more limited
7 review referred to an environmental assessment, which is typically much briefer and
8 offers few opportunities for public comment than an environmental impact statement,
9 and,

10 WHEREAS, the United States Army Corps of Engineers has not committed to
11 addressing the area-wide cumulative impacts analysis related to these three proposals,
12 and"

13 On page 6, line 118 after "commends" delete "the recent decision by"

EFFECT: This amendment corrects typographical errors in the motion and clarifies the potential type of environmental review to be conducted by the United States Army Corp of Engineers
