Y ☐ NA ☒

Y ☐ NA ☐

Other background information not included in transmittal letter, including explanation of impact to cities, county agencies, or stakeholders: In order to give council ample time for ordinance package review and since the three design-build teams won't submit final designs until late April, project staff and attorneys have worked with council counterparts on basics of contract and other items needed to satisfy Expenditure Restriction. This will reduce the amount of new information for consideration once the Executive has made a recommendation for a Design-Build team.
