17877

METROPOLITAN KING COUNTY COUNCIL NOTICE OF ADOPTION

Ordinance 17877

NOTICE IS HEREBY GIVEN that the Metropolitan King County Council (the Council) held a public hearing in the Council Chambers on the 10th Floor of the King County Courthouse (516 Third Avenue, Seattle, WA) on Monday, August 25, 2014, beginning at 1:30 PM. The purpose of this public hearing was to consider adoption of Proposed Ordinance 2014-0229 (Ordinance 17877), an ordinance establishing a demonstration project, as authorized under K.C.C. chapter 21A.55, for alluvial fan management pilot projects in areas outside of the shoreline jurisdiction.

SUMMARY:

Ordinance 17877 would establish a demonstration project, as authorized under K.C.C. chapter 21A.55, for alluvial fan management pilot projects in areas outside of the shoreline jurisdiction. The demonstration project will consist of up to five individual projects located within the Snoqualmie River watershed basin, outside areas of shoreline jurisdiction, and will be implemented within streams with mean annual flows of less than twenty cubic feet per second. The individual projects will involve property owners constructing sediment management facilities designed by the Department of Natural Resources and Parks on alluvial fans with existing infrastructure. "Existing infrastructure" includes such things as structures, utilities, roads, fences and pipe systems, or cleared alluvial fans used for agricultural or recreational purposes. These pilot projects will test different designs, identify best management practices, and determine whether sediment management facilities are a viable way to address alluvial fans and the buildup of deposited materials. The demonstration project will last for six years. A report by the Executive on lessons learned and proposed code amendments will be transmitted to the Council.

A copy of Ordinance 17877 will be mailed upon request to the Clerk of the Council, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, WA 98104, telephone 206-477-1020. It is available on the Internet at http://www.kingcounty.gov/council/clerk/notice_enactment.aspx.
