What interests you about serving on the King County Board for Developmental Disabilities?

We are parents of a quadriplegic cerebral palsy daughter named Sabra. All through her life we advocated for her and guided her to become a member of working community. She has a diploma from Renton Technical College in Para-Education and has been working for Auburn School District for nine years.

I hope to be able to use the experience I gained, and still gaining, to advocate and help disable members of Puget Sound.

Please indicate which of the following categories best describes you:

- Family Advocate
- Self-Advocate
- Professional
- Interested Citizen

How did you learn about this opportunity?
