1W	Technology	Central business systems steering committee reports on benefits achieved as a result of committee's work to integrate countywide systems for human resources, payroll, time, etc. (accountable business transformation)	2.36.100	2013-0224	Annual	No standalone (could have been combined in another report or the budget)	Staff flagged reporting requirement as potentially in need of content changes, which were outside of scope of this effort	Staff is currently using provisos to get this information, but suggested updating the reporting requirements in code instead.
2W	FMD	Real Estate Services Division reports on performance measurements for the permit and franchise section including (# permits, average/longest/shortest period for permits processed, criteria used for value of easements, appraisal reports)	14.44.115	2001-0526	Annual	Submitted with budget	Staff flagged reporting requirement as potentially in need of content changes, which were outside of scope of this effort	The Code does not reflect the biennial budget process, so frequency should be modified to coincide with the biennial budget. Additionally, Ordinance 18403 was adopted in November 2016 to modify franchise fees and rates. Based on this Ordinance, the Council may want to modify reporting requirements as this will provide input as Council evaluates franchise revenues in future budgets.
3W	Fleet	Executive reports on fleet standards including types of vehicles, maintenance and retirement schedule	4.56.300	2012-0180	Annual	2015-RPT0131; 2016-RPT0110	Staff flagged reporting requirement as potentially in need of content changes, which were outside of scope of this effort	Staff suggested updating report content to include more useful accountability information (such as progress on agency policies like "right sized fleet").
