Subject: Agreement regarding wage study and wage modifications for Wastewater Treatment Division Supervisors Bargaining Unit Classifications

This Memorandum of Agreement (Agreement) is entered into by and between King County (the County), and the International Brotherhood of Teamsters Local 117 (Union).

RECITALS

The Parties are subject to a collective bargaining agreement (CBA) which covers certain supervisors employed by King County’s Wastewater Treatment Division (WTD). The Parties had been engaged in good faith bargaining as part of the Master Labor Agreement (MLA) process in 2017 and the Total Compensation bargaining process in 2018. As part of that process, the Union sought range adjustments for bargaining unit members. In order to reach agreement and to finalize the MLA and Total Compensation process, the Parties agreed to delay addressing the range adjustment issue until a later date when a joint wage study could be conducted. As a result of such study and with respect to the WTD Supervisors classifications covered by the CBA, the parties have reached agreement on terms that will be implemented upon full ratification of this MOA by the parties.
