Request For Waiver Of Statutory Time Limits For Property Tax Refund

RCW 84.69.020-030, KCC 4.64 as amended by Ordinance 12240 (4/29/96)

I, MICHELE DAMICO hereby request a waiver of the statutory time limit for property

tax refunds specified in RCW 84.69.030 on the property designated by Assessor's tax account number

750402-0230-06 or legally described as address: 2514 SAHALEE DR EAST

(formerly Redmond 98052 and Redmond 98053) SAMMAMISH, WA 98074

A completed Petition for Property Tax Refund (Long Form) for each tax year involved is attached, along with proof the property taxes for that year were paid by the individual requesting the refund, and proof the conditions justifying the refund existed as of the assessment date for the tax levy.

I attest I was unable to make a timely request for refund for the following reason: - No REMODELS DONE TO HOME -

(ERROR #24) A clerical error changed sq. footage of my home unbeknown to me in 1983. No sq. footage is noted on assessment notification so did not realize the error until I had home appraised after my husband died suddenly in 2001. Since 2002 I have been dealing with death of my spouse and trying to straighten out estate and medical issues. I appealed Prop. Tax Manifest and it was changed for past 3 years. Now I just received paperwork from Dept of Assessments for previous years. Refd. Feb. 2007

Signed: Michele Damico Date: 2-25-2007

Assessor's recommendation and comments: An error in the square footage of subject property resulted in a reduced assessed value. Marsden Nikitina

Treasurer's recommendation and comments: No recommendation. RECEIVED MAY 2 2007 KING COUNTY TREASURY OPERATIONS REAL ESTATE TAX

RCW 84.69.020 provides for refund of taxes that:

1. Were paid more than once
2. Resulted from a manifest error in description (RCW 84.48.065, WAC 458-14-005(13))
3. Resulted from a clerical error in extending the tax roll (i.e. in calculating the tax)
4. Resulted from other clerical errors in listing the property (e.g. erroneous segregations/mergers)
5. Were paid on buildings or other improvements that didn't exist on the assessment date
6. Were paid under laws adjudicated to be illegal
7. Were paid through inadvertence or ignorance by a person eligible for but not receiving a senior/disabled exemption
8. Were paid by a person with no legal interest in the property involved, as a result of ignorance or error
9. Were paid on property acquired by purchase or condemnation by the State
10. Were paid on taxes assessed on a valuation later reduced by an order of the Board of Equalization, the State Board of Tax Appeals, or a court

RCW 84.69.030 requires refund petitions to be filed with the county treasurer within three years of payment of the taxes sought to be refunded, unless the Council acts on its own motion to overcome this time limit.

EXPLAIN BRIEFLY THE SPECIFIC CIRCUMSTANCES FOR CLAIMING THIS REFUND: CLERICAL ERROR IN 1983 changed sq. footage unbeknown to me and I had no way of realizing the error on the manifest since there was no sq. ft. designation on the notice of change in valuation. So I had been paying taxes on 850 sq. ft. of property I didn't even have for over 20 years! The property appraiser who measured my house for refinance in 2002 made me aware of the discrepancy. My husband passed away and I have been trying to straighten out the estate and deal with medical issues since then.

Re: Correction on the Manifest Error for prior years

Thank you for the recommendation of a reduction in value of my property. However, through no fault of mine and without any way to realize the County had made an input error of the square footage in the 1980's, I have been paying taxes on over 850 square feet of property I don't even have for over 20 years! Since there is no designation of square footage on the notice of change in valuation, I had no way of realizing there had been an error until I had my house appraised for a refinance in 2002. The appraiser recommended I call your office about it, which I did, but your representative told me on the phone that there was no error and that garage space as well as my tri-level home with open cathedral ceiling space all counted as 2 story living floor space.

Per my telephone call with David Goff today, I am returning the signed form to Board of Equalization (enclosed), but I am requesting a correction on the Manifest Error for prior years. I understand that 20 years of overpayment amounts to a substantial injustice and respectfully request the County to provide me with tax credits or whatever is legally available to make an accommodation

Thank you,

Petition: BE0401627
Account: 750402-0230

The Board of Equalization for King County, Washington, after consideration of all evidence, hereby orders the valuation of the property identified above be adjusted and placed on the assessment roll as specified herein.

The true and fair value of the property for assessment year 2004 resulting in taxes payable in 2005 is adjusted by the Board as follows:

	<u>Set by Assessor</u>	<u>Equalized by the Board</u>
Land	\$122,000	\$122,000
Improvements	\$290,000	\$278,000
TOTAL VALUE	\$412,000	\$400,000

During a review for this appeal, the Assessor has concluded that a reduction in value is warranted to correct inaccuracies in the subject residence's finished living area. The Board agrees these changes reduce the subject's value, concluding the comparable sales provided demonstrate that the Assessor's recommended value represents the property's true and fair market value.

Neither party was present at the Board's review of the facts.

David B. Goff, Clerk of the Board
