On-call officers must refrain from the consumption of alcohol or medications which cause drowsiness and/or impaired vision while on call.

Seniority will relate to the on-call areas established by the County so that seniority relates to those officers whose residences are within 15 miles of the on-call area. Selection of assignment to on-call shall be conducted as vacancies occur and shall be based solely on seniority. In the event that there are no volunteers for on-call duty, Officers are chosen by inverse seniority for each on-call area. Officers responding to emergency calls after 2:00 a.m., or whose response to emergency calls extends past 2:00 a.m., are allowed to report to work on the following work shift no later than 10:00 a.m. If the officer works to the conclusion of his regular shift for that day, he or she will experience no loss of pay, vacation or compensatory time. Mandatory overtime is defined as work beyond an employee's regularly assigned work schedule which is required to meet the business needs of the program and which could not be anticipated. An employee shall be required to work beyond their regular schedule, however, the County will attempt to assign mandatory overtime on the basis of reverse classification seniority within the applicable job category.

Section 5. <u>Schedule Change</u>: The County shall notify employees of a schedule change at least fourteen (14) calendar days prior to the effective date of the change, provided that the County may temporarily assign an employee to fill vacancies created by unscheduled employee absences.

- D. Shelter personnel may bid on any vacancy in field assignments as they occur on a seniority basis.
- E. The County has the right to determine the schedules for employees in order to provide services to the public.
- F. For the purposes of this Section, seniority shall be defined as total length of service with the County in the Animal Control Division.

Section 1. <u>Definition:</u> Grievance - a dispute as to the interpretation or application of an express term of this Agreement.

1.1 <u>Grievance/Arbitration</u>: The right to process and settle grievances is wholly, to the exclusion of any other means available, dependent upon the provisions of this Article. The Guild and Employer agree to act promptly and fairly in all grievances. For purposes of this grievance procedure, working days shall be considered Monday through Friday excluding Holidays.

The existing wage structures are not to be subjected to the provisions of this Article for determination or alteration.

By written mutual agreement the parties may extend the timelines contained in this Article. The Guild shall not be required to press employee grievances if, in the Guild's opinion, such lack merit. With respect to the processing, disposition and/or settlement of any grievance, including hearings and final decision of Boards and Arbitrators, the Guild shall be the exclusive representative of the employee(s) covered.

The processing, disposition and/or settlement by and between the Guild and the Employer of any grievance or other matter shall, except as in the preceding paragraph provided, be absolute and final and binding on the Guild and its members, the employee(s) involved and the Employer.

Likewise, as to hearings and the final decisions of a Board or Arbitrator.

An Arbitrator shall have no power to add or to subtract from or to disregard, modify or otherwise alter any terms of this or any other agreement(s) between the Guild and Employer or to negotiate new agreements. Arbitrator's powers are limited to interpretations of a decision concerning appropriate application of the terms of this Agreement or other existing pertinent agreement(s), if any. The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne equally by both parties. Regardless of outcome, each party to an arbitration proceeding shall bear the full cost of its representatives and witnesses.

Step One: Manager of Animal Services and Programs: Should a matter coming to the knowledge of the Guild or the Employer, give rise to a grievance, such shall be submitted in writing to the Guild by the Employer, or to the Employer by the Guild, within ten (10)

working days of the occurrence. The written grievance must include the nature of the grievance, the provision of the agreement that has been violated, facts supporting the grievance and the personal remedy sought. The Manager of Animal Services and Programs shall make a written decision available to the aggrieved employee within ten (10) working days.

Step Two: Division Manager: If the grievance has not been satisfactorily resolved, the employee and the Guild representative may within ten (10) working days of the receipt of the step one decision present the grievance in writing to the Division Manager or designee for investigation, discussion and reply. The Division Manager shall make a decision available to the aggrieved employee and the Guild within ten (10) working days.

Step Three: If, after thorough evaluation, the decision of the Division

Manager has not resolved the grievance to the satisfaction of the employee, the grievance may be

presented to the Labor Relations Manager or his/her designee for review within ten (10) working

days. The Labor Relations Manager or his/her designee may request information in addition to that in
the grievance file, and shall determine the scope and method of review. The Labor Relations

Manager or his/her designee shall render a decision within ten (10) working days of his/her receipt of
the grievance file. If the Labor Relations Manager or his/her designee fails to so issue, the Guild may
proceed to Step 4 of this grievance procedure.

Step Four: If within ten (10) working days of the date of response provided in Step 3 the matter has not been resolved the grievance may be submitted to Arbitration. If Arbitration has been timely requested the parties may with mutual consent attempt grievance mediation. The process will use a mutually acceptable mediator and conclude within 30 days after the mutual request. Should arbitration be necessary either after an attempt to mediate the dispute or directly after Step 3, the Parties shall select a third disinterested party to serve as an arbitrator. In the event that the parties are unable to agree upon an arbitrator, the arbitrator shall be selected from a panel of five arbitrators furnished by the American Arbitration Association or the Federal Mediation and Conciliation Service, whichever source is mutually acceptable. The arbitrator will be selected from the list by both the County representative and the Guild, each alternatively striking a name from the list until only one name remains. The Guild shall be first to strike from the list. The arbitrator under voluntary labor

arbitration rules of the Association shall be asked to render a decision promptly and the decision of the arbitrator shall be final and binding on both parties. No matter may be arbitrated which the County, by law, has no authority over, has no authority to change, or has been delegated to any civil service commission or personnel board, as defined in RCW 41.56.

Section 2. Alternative Dispute Resolution Procedures:

A. ULP

The parties agree that 30 days prior to filing a ULP complaint with PERC, the complaining party will notify the other party, in writing, meet, and make a good faith attempt to resolve the concerns unless the deadline for filing with PERC would otherwise pass or the complaining party is seeking a temporary restraining order as relief of the alleged Unfair Labor Practice.

B. Grievances

After a grievance is initially filed, the following Alternative Dispute Resolution (ADR) process may be followed, with mutual consent. This process will not exceed 10 days:

- A meeting will be arranged by the Guild president and the Human Resources Division Director of the Department of Executive Services representative (or their designees) to attempt to resolve the matter.
 - a. The meeting will include a mediator and the affected parties.
- b. The parties may mutually agree to other participants such as Guild and management representatives or subject matter experts.
 - C. The parties will meet at mutually agreeable times to attempt to resolve the matter.
 - D. If the matter is resolved, the grievance will be withdrawn.
- E. If the matter is not resolved, the grievance will continue through the grievance process.
- F. The moving party can initiate the next step in the grievance process at the appropriate times, irrespective of this process.
- G. Offers to settle and aspects of settlement discussions will not be used as evidence or referred to if the grievance is not resolved by this process.

This Section does not supersede or preclude any use of grievance mediation later in the

grievance process. Animal Control Officers Guild - Animal Control - Department of Executive Services (Records, Elections and Licensing Services)

Following management's notice of intent to suspend or discharge, a pretermination/suspension (Loudermill) hearing shall normally be held within (10) working days, unless otherwise mutually agreed to by the parties or other extenuating circumstances exist. A decision shall normally be rendered within ten (10) days of the hearing, unless otherwise mutually agreed to by the parties or other extenuating circumstances exist.

Employees may request removal of a letter of reprimand after twelve months. Non-disciplinary performance tools (for example but not limited to: verbal counseling, letter of corrective counseling, performance improvement plan, employee performance evaluations) are not subject to grievance.

Further, in order to provide harmonious relations between bargaining unit members and volunteers, the Department will provide each volunteer training prior to any assignments so that they understand their limited role. Volunteers will also be provided some type of identification or uniform that clearly distinguishes them from regular employees. Volunteers shall be supervised at all times by the Community Relations Coordinator in conjunction with shelter sergeant(s) and/or Animal Control Management Staff. ADDENDUM B Transition to Bi-Weekly Payroll

The parties, King County (The County), and The Animal Control Officers Guild (the Guild) agree as follows:

- 1. The County provided timely notice to the Guild of its intent to implement a bi-weekly payroll schedule for employees represented by the Guild who are currently paid on a semi-monthly schedule.
- 2. As provided in this collective bargaining agreement, the County is entitled to implement a bi-weekly payroll schedule for employees represented by the Guild. The affected employees are members of the Animal Control Officers Guild bargaining unit.
- 3. To assist the employees during the transition period, employees may elect to receive a transition paycheck to be issued, in an amount equivalent to one week of regular earnings.
- 4. The transition paycheck will be a payment of earnings for time worked after the close of the pay period covered by the last semi-monthly paycheck. Employees who elect to receive the transition check must request it on the designated form by no later than the cut-off established for such designation.
- 5. Employees who elect to receive the transition check must designate a repayment schedule; the options are to pay back in equal deductions from future paychecks over three months, six months, or twelve months, beginning with the second bi-weekly paycheck.
- 6. If an employee separates from County service prior to returning the full transition check amount, the remaining amount will be due and payable on the last day of County employment. The remainder may be deducted from the employee's final paycheck. If the amount of the final paycheck is insufficient to recover the remainder of the funds advanced in the transition check, the amount may be deducted from the payoff of accrued vacation leave. If the final paycheck and vacation payout are insufficient, the employee will be required to agree to a repayment plan acceptable to the County.
- 7. The County agrees to provide briefings on the progress of the transition to Guild representatives at least once a month in the three months preceding the transition.
- 8. The Guild acknowledges that the County has fulfilled its obligation to bargain the effects of implementation of the bi-weekly pay with the execution of this Agreement.
