Except that Article 7 Section 7D (Education) applies to TLT employees but not to temporaries.

Vacation, sick leave, holidays and health care benefits for temporary and term limited employees shall be governed by King County Code, Section 3.12.

Section 2. <u>Union Security</u>: It shall be a condition of employment that all regular full-time, regular part-time, temporary and term limited employees who are members of the Union on the effective date of this Agreement, shall remain members in good standing, or pay an agency fee to the Union for their representation to the extent permitted by law.

The signatory organization agrees to refund to the County any amounts paid to it in error on account of check-off provision upon presentation of proper evidence thereof.

Section 3. Overtime Authorization: All overtime shall be authorized by the Department

Director or his/her designee in writing. Saturday and Sunday work is not overtime when it is a regularly scheduled work day for the individual crew.

- Section 4. <u>Minimum Standards Set By Law</u>: If any provision of this article conflicts with minimum standards established by RCW 49.46 (Washington Minimum Wage Act) or the Federal FLSA, then those minimum standards shall apply.
- Section 5. *Workweek*: The workweek for employees in DAJD shall begin at 12 a.m. on Sunday and continue to 11:59 p.m. on Saturday.
- Section 6. <u>Compensatory Time</u>: In lieu of overtime pay, an employee may request, in writing, prior to working the overtime, compensatory time at the rate of time and one half for each hour of overtime that was worked, provided: all comp time must be authorized by Department management. If denied, the overtime work will be compensated with overtime pay. A denial of a request to be compensated for overtime hours worked with comp time rather than overtime pay is within the discretion of management and is not subject to the grievance procedure of this collective bargaining agreement, but may be discussed in Labor Management Meetings.

Under normal conditions, the following conditions will apply to the use of comp time:

- A. A maximum of forty (40) straight time hours may be accrued.
- B. Comp time balances may be carried over from calendar year to calendar year, but may not go above the referenced forty (40) hour maximum. All overtime hours worked by an employee whose comp time balance is already at the above-referenced maximum will be compensated with overtime pay.
- C. When an employee requests to use accrued comp time, comp time will be equivalent to vacation leave. It will be scheduled and used like vacation time, and the same operational and staffing considerations will apply. When such a request is submitted, it will be granted within a reasonable period of time after such request, unless to do so will "unduly disrupt" the operations of the department.
- **D.** The parties agree that a "reasonable period" of time, as referred to above, and as defined by the Fair Labor Standards Act (FLSA), is no longer than six (6) months after the employee has made the request to use accrued comp time.

E. Employees will note their comp time balances (as reflected either on their pay stubs or in payroll) and submit requests for the use of comp time only when they have adequate leave in their comp time bank to cover the request.

The parties share an interest in keeping both the cost and administrative burden of compensatory time to a minimum. Both factors will be evaluated at the end of the contract period.

Section 7. <u>Voluntary Training</u>: Employees who request training on a voluntary basis will not be paid for study time associated with said training, nor will overtime compensation be paid for workdays that extend beyond the normal contractual workday if said workday is part of the normal training schedule, provided, however, employees who are required to attend by the Department will be paid their regular wage for attending training plus any overtime, if applicable, pursuant to the overtime provisions of this agreement.

Section 8. <u>Executive Leave</u>: Employees who are both FLSA and contract overtime exempt employees shall receive a minimum of five (5) days of Executive Leave, each calendar year, consistent with King County policies, rules and procedures for the assignment and use of such leave. This leave must be taken the year it was awarded, and may not be carried over from year to year.

Section 9. Overtime-eligible employees who receive work related calls at home on their off hours shall be paid overtime for hours worked as long as the work is a minimum of eight (8) consecutive minutes. Such overtime will be paid in fifteen (15) minute increments.

Section 10. Mandatory overtime assignments for Corrections Technicians shall be assigned consistent with an overtime "wheel" rotation as negotiated between the parties and developed by the Department of Adult and Juvenile Detention.

Section 11. Mandatory overtime assignments for Corrections Technicians to a worksite other than the employee's regular worksite (Seattle v. King County Regional Justice Center) shall be made consistent with the procedure as negotiated between the parties and developed by the Department of Adult and Juvenile Detention for such assignments.

Section 12. <u>Reopener</u>: King County may reopen this Article if requested in writing during the life of this collective bargaining agreement to bargain any changes (or effects) required by King County's Accountable Business Transformation (ABT) Program.

ARTICLE 9: HOURS OF WORK

Section 1. The working hours of the full-time classifications affected by this Agreement shall be the equivalent of thirty five (35) to forty (40) hours per week on an annualized basis.

Section 2. <u>Work Schedules</u>: The establishment of reasonable work schedules and starting times is vested solely within the purview of department management and may be changed from time to time provided a two (2) week prior notice of change is given, except in those circumstances over which the Department cannot exercise control. PROVIDED: the required two (2) calendar week (or ten (10) working days) notification period shall not commence until the employee has received verbal or written notification of the proposed change.

In the exercise of this prerogative, department management will establish schedules to meet the dictates of the workload, however, nothing contained herein will permit split shifts.

Employees with paid meal periods are subject to being called back to work at any time during a paid break or meal period. To this end, employees with paid meal periods are not allowed to leave the employer's facility to which the employee is assigned, during their paid breaks or meal periods. The employer will schedule break periods to assure adequate coverage.

Section 3. <u>Minimum Standards</u>: If any provision in this article shall conflict with the minimum standards of RCW 49.46, then that provision shall be automatically amended to conform.

Section 4. <u>Employee Requests</u>: Work schedules may be altered, upon written request of the employee, to a flex schedule, a 4/10 schedule, or an alternative schedule mutually agreed upon by the employee and management, for so long as the parties agree in writing.

Section 5. *Workweek*: The workweek for employees in DAJD shall begin at 12 a.m. on Sunday and continue to 11:59 p.m. on Saturday.

Section 6. <u>Job Sharing</u>: If two employees in the same job classification and work site wish to job share one full-time position, they shall submit such a request in writing to their immediate supervisor. The immediate supervisor shall submit such request to the Department Director, or Division Manager. The request shall be transmitted to the Department Director. The Department Director have ninety (90) days from the date he/she receives the request to review the request and either approve or deny the request for job sharing. Employees who job share one full-time position

shall receive pro-rata benefits except medical benefits shall be granted on the same basis as other half-time County employees. In the event that one of the job-sharing employees terminates his/her employment (voluntarily or involuntarily), the County shall have the following options:

- A. No change to the situation, allowing a half-time position to continue.
- B. Fill the vacant half-time position with temporary help.
- C. Expand the half-time position to a full-time position, as long as the employee is given sixty (60) calendar days notice of the employer's intent to so expand.

Section 7. <u>Reopener:</u> King County may reopen this Article if requested in writing during the life of this collective bargaining agreement to bargain any changes (or effects) required by King County's Accountable Business Transformation (ABT) Program.

5

King County presently participates in group medical, dental and life insurance programs. The County agrees to maintain a plan during the term of this Agreement, provided that the Union and County agree that the County may implement changes to employee insurance benefits to which the Joint Labor-Management Insurance Committee has agreed.

ARTICLE 11: MISCELLANEOUS

Section 1. <u>Leave of Absence for Union Employment</u>: An employee elected or appointed to office in a local of the signatory organization which requires a part or all of his/her time shall be given leave of absence up to one (1) year without pay upon application.

Section 2. <u>Mileage Reimbursement</u>: All employees who have been authorized to use their own transportation on County business shall be reimbursed at the rate established by the County Council by ordinance.

Section 3. <u>Access to Premises</u>: The Employer administration shall afford Union representatives a reasonable amount of time while on on-duty status to consult with appropriate management officials and/or aggrieved employees, provided that the Union representative and/or aggrieved employees contact their immediate supervisors, indicate the general nature of the business to be conducted, request necessary time without undue interference with assignment duties. Time spent on such activities shall be recorded by the Union representative on a time sheet provided by the supervisor. Union representatives shall guard against use of excessive time in handling such responsibilities.

Section 4. <u>Loss of Personal Effects</u>: Employees who suffer a loss or damage, in the line of duty, to personal property and/or clothing worn on the body, will have same repaired or replaced at department expense, not to exceed \$150.00.

Section 5. <u>Mandatory Higher Education</u>: Employees who are required to obtain additional formal education beyond that initially required for employment shall be allowed time off from work with pay to attend classes/seminars with scheduling approval of same at the sole discretion of management.

Section 6. <u>Jury Duty</u>: An employee required by law to serve on jury duty shall continue to receive his/her salary and shall be relieved of regular duties and assigned to day shift for the period of time necessary for such assignment. If they have four hours or more left on their shift at the completion of the jury duty assignment for the day, they shall report to their work location and complete the day shift. Once the employee is released for the day, or more than one day, then he/she is required to contact the supervisor who will determine if he/she is required to report for duty,

provided however such release time is prior to 1:00 p.m. If an employee is released after 1:00 p.m. he/she shall not be required to report for work on that particular day.

The fees, exclusive of mileage, paid by the Court for jury duty shall be forwarded to the Comptroller. The employer may request verification of jury duty service.

When an employee is notified to serve on jury duty, he/she will inform his/her immediate supervisor as soon as possible, but not later than two (2) weeks in advance, regarding the dates of absence from regular duties. The supervisor will ensure that the employee is relieved of regular duties a minimum of twelve (12) hours prior to the time of reporting for jury duty.

When the employee is dismissed from jury duty (completion of jury duty assignment) the employee is required to contact his/her supervisor immediately. The supervisor will instruct the employee when to report to work, PROVIDED: there must be a minimum of twelve (12) hours between the time the employee is dismissed from jury duty and the time he/she must report for regular duties.

Section 7. <u>Bus passes</u>: Eligible bargaining unit employees may receive bus passes as provided by County ordinance, policies, and procedures.

Section 8. <u>Essential Personnel</u>: DAJD has reviewed its policies with respect to employees considered essential personnel, with the goal of including as few non-commissioned employees as reasonably necessary to meet the needs of the Department of Adult and Juvenile Detention.

ARTICLE 12: GRIEVANCE PROCEDURE

King County recognizes the importance and desirability of settling grievances promptly and fairly in the interest of continued good employee relations and morale and to this end the following procedure is outlined. To accomplish this, every effort will be made to settle grievances at the lowest possible level of supervision.

Employees will be unimpeded and free from restraint, interference, coercion, discrimination or reprisal in seeking adjudication of their grievances.

Section 1. <u>Definition</u>: Grievance - An issue raised by a party to this Agreement relating to the interpretation of his/her rights, benefits, or conditions of employment as contained in this Agreement, except that verbal or written reprimands are not subject to Step 5 of the grievance procedure outlined in this Agreement.

Procedure

Step 1 - <u>Immediate Supervisor</u>: A grievance shall be presented by the aggrieved employee, or his/her representative if the employee wishes, on a Union grievance form within 14 calendar days of the act or omission giving rise to the grievance, to the employee's immediate supervisor.

The grievance must:

- A. fully describe the alleged violation and how the employee was adversely affected;
- B. set forth the section(s) of the Agreement which have been allegedly violated; and
- C. specify the remedy or solution being sought by the employee filing the grievance.

The supervisor or administrator shall gain all relevant facts and shall attempt to adjust the matter and notify the employee within three working days. If a grievance is not pursued to the next level within three working days, it shall be presumed resolved.

Step 2 - <u>Division Manager</u>: If, after thorough discussion with the immediate supervisor or administrator, the grievance has not been satisfactorily resolved, the Union shall present the grievance to the appropriate manager for investigation, discussion and written reply. The appropriate manager shall be defined as follows: Department of Adult and Juvenile Detention - Facility Commander. The manager shall make his/her written decision available to the aggrieved employee within ten (10) working days. If the grievance is not pursued to the next higher level within five (5) working days, it

shall be presumed resolved.

Step 3 - <u>Department Director</u>: If, after thorough evaluation, the decision of the manager has not resolved the grievance to the satisfaction of the employee, the Union may present the grievance to the department director. All letters, memoranda and other written materials previously submitted to lower levels of supervision shall be made available for the review and consideration of the department director. He/she may interview the employee and/or his/her representative and receive any additional related evidence which he/she may deem pertinent to the grievance. He/she shall make his/her written decision available within ten working days. If the grievance is not pursued to the next higher level within five working days, it shall be presumed resolved.

Step 4 - <u>Human Resources Division Director of the Department of Executive Services</u>: If, after thorough evaluation, the decision of the department director has not resolved the grievance, the grievance may be presented to a committee comprised of: one representative from the Union, one representative from the Department, and a Human Resources, Department of Executive Services, Labor Relations representative who shall also act as Chair. The Union representative and/or the Department representative may be subject to challenge for cause.

This committee shall convene a hearing for the purpose of resolving the grievance. Both parties to the grievance shall be entitled to call witnesses on their behalf, and all such hearings shall be closed for the purpose of maintaining confidentiality, unless otherwise mutually agreed to. The Committee Chair shall render a decision within fifteen (15) working days of the hearing. If the Chair fails to render a decision within 15 days the Union may proceed to Step 5 of this grievance procedure (except verbal or written reprimands, which may not be appealed to Step 5). The proceedings shall be informal. The parties shall not be represented by outside attorneys. "Outside" attorneys are those who do not work for King County or for the Union. Rules of evidence do not apply. The purpose shall be to determine the validity of the grievance and render a decision appropriate to that determination.

By mutual agreement, the parties may call in a mediator in place of the grievance panel and the Human Resources Division Director of the Department of Executive Services, to attempt to resolve the dispute. The parties shall jointly select the mediator, who will hear both sides of the

dispute and attempt to bring the parties to an agreement. The mediator may not bind the parties to any agreement, as mediation is a voluntary process. Parties are encouraged to participate in good faith mediation and nothing the mediator says shall be admissible in an arbitration.

By mutual agreement the parties may either waive this Step (in writing) or by mutual agreement the Human Resources Division of the Department of Executive Services, Labor Relations representative may do a review of the file and the union's arguments and issue a prompt written decision.

All employer grievances shall be initiated at Step 4 of this procedure.

Step 5 - Arbitration: Either the County or the Union may request arbitration within thirty (30) days of the issuance of the Step 4 decision, and the party requesting arbitration must at that time specify the exact question which it wishes arbitrated. The parties shall then select a third disinterested party to serve as an arbitrator. In the event that the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected from a panel of seven arbitrators furnished by the American Arbitration Association or the Federal Mediation and Conciliation Service, or by another agency if the parties mutually agree. The arbitrator will be selected from the list by both the County representative and the Union, each alternately striking a name from the list until one name remains. The arbitrator, under voluntary labor arbitration rules of the Association, shall be asked to render a decision promptly and the decision of the arbitrator shall be final and binding on both parties.

The arbitrator shall have no power to change, alter, detract from or add to the provisions of this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement in reaching a decision.

The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne equally by both parties. Each party shall bear the cost of any witnesses appearing on that party's behalf. Regardless of the outcome, each party is responsible for their own attorney and representation fees.

No matter may be arbitrated which the County by law has no authority over, has no authority to change, or has been delegated to any civil service commission or personnel board as defined in Chapter 108, Extraordinary Session, 1967, Laws of the State of Washington.

There shall be no strikes, cessation of work or lockout during such conferences or arbitration.

Time restrictions may be waived in writing by consent of both parties.

Section 2. <u>Multiple Procedures</u>: If employees have access to multiple procedures for adjudicating grievances, then selection by the employee of one procedure will preclude access to other procedures; selection is to be made no later than at the conclusion of Step 2 of this grievance procedure.

Section 3. <u>Just Cause/Progressive Discipline</u>: No employee may be discharged, suspended without pay, or disciplined in any way except for just cause. In addition, the County will employ the concept of progressive discipline in appropriate cases. The County's policy is that discipline is corrective, rather than punitive in nature. It is understood that there may be egregious cases that may result in discharge, disciplinary transfer, or other disciplinary action that do not require corrective action.

Written reprimands may not be used for purposes of progressive discipline once three (3) years have passed from the date the reprimand was issued, and the employer has documented no similar problems with the employee during this three (3) year time period. In those instances where disciplinary action is based on reasonable evidence of the commission of a crime, or the proposed discipline involves suspension or termination of the employee, the grievance procedure will begin at Step 3, unless Step 3 is waived by mutual agreement of parties, in which case the procedure will begin at the next appropriate step.

Section 4. <u>Probationary Period</u>: All new, and reinstated career service employees serve a probationary period of up to one (1) year from the date of their appointment. During this period, the employee is evaluated as a part of the final selection process; appointment to a career service position is not considered final unless the employee successfully completes a probationary period. Career service employees who are promoted, transferred, or demoted serve a probationary period from the date of their change in status. The Probationary period rules relating to such period are defined by King County Career Service Rules.

Section 5. <u>Union Concurrence</u>: Inasmuch as this is an agreement between the County and the Union, no individual may, without Union concurrence, make use of the provisions of this Article.

ARTICLE 13: BULLETIN BOARDS

The employer agrees to permit the Union to post on County bulletin boards the announcement of meetings, election of officers, and any other Union material. Authorized representatives of PSEU may use the County's e-mail system for legitimate, legal communication in furtherance of good labor relations, as long as such communication is consistent with King County rules, regulations and policy, as well as PERC rules.

ARTICLE 14: NON-DISCRIMINATION

The Employer or the Union shall not unlawfully discriminate against any individual with respect to compensation, terms, conditions, or privileges of employment because of race, color, religion, national origin, sexual orientation, age, sex, or any sensory, mental or physical handicap.

The parties agree that personnel actions may be taken to accommodate disabilities, as may be required under the Americans with Disabilities Act (ADA), and that such an accommodation under the ADA shall take precedence over any conflicting provisions of this agreement.

Grievances under this article may proceed through Step 4 only and may not go to arbitration.

The employee's right to file a complaint with an administrative agency under the appropriate County,

State, or Federal law is not limited by this Article but such rights are subject to the appropriate statutes of limitations contained in such laws.

ARTICLE 15: SAVINGS CLAUSE

Should any part of this collective bargaining agreement or any provision contained herein be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of a court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof; provided, however, upon such invalidation, the parties agree to meet and negotiate such parts or provision affected. The remaining parts or provisions shall remain in full force and effect.

ARTICLE 16: WORK STOPPAGES AND EMPLOYER PROTECTION

Section 1. No Work Stoppages: The employer and the signatory organization agree that the public interest requires efficient and uninterrupted performance of all County services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the signatory organization shall not cause or condone any work stoppage, including any strike, slowdown, or refusal to perform any customarily assigned duties, sick leave absence which is not bona fide, or other interference with County functions by employees under this agreement and should same occur, the signatory organization agrees to take appropriate steps to end such interference. Any concerted action by any employees in any bargaining unit shall be deemed a work stoppage if any of the above activities have occurred.

Section 2. <u>Union Responsibilities</u>: Upon notification in writing by the County to the signatory organization that any of its members are engaged in a work stoppage, the signatory organization shall immediately, in writing, order such members to immediately cease engaging in such work stoppage and provide the County with a copy of such order. In addition, if requested by the County, a responsible official of the signatory organization shall publicly order such signatory organization employees to cease engaging in such a work stoppage.

Section 3. <u>Disciplinary Action</u>: Any employee who commits any act prohibited in this article will be subject to the following action or penalties:

- 1. Discharge.
- 2. Suspension or other disciplinary action as may be applicable to such employee.

5

ARTICLE 17: WAIVER CLAUSE

The parties acknowledge that each has had the unlimited right within the law and the opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right and opportunity are set forth in this agreement. Therefore, the County and the signatory organization, for the duration of this agreement, each agree to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or covered by this Agreement.

The parties agree that in the event they enter into memoranda of understanding during the life of this agreement, such agreements are binding when signed by authorized representatives of the parties. No ratification process is required.

2

ARTICLE 18: REDUCTION-IN-FORCE

Section 1. <u>Layoff Procedure</u>: Employees laid off as a result of a reduction in force shall be laid off according to inverse seniority within the classification, with the employee with the least time being the first to be laid off. In the event there are two (2) or more employees eligible for layoff within the Department with the same classification seniority, the Department head will determine the order of layoff based on employee performance, PROVIDED: no regular or probationary employee shall be laid off while there are temporary employees serving in the class or position for which the regular or probationary employee is eligible and available. Each employee will have an adjusted service date based on their length of service within their classification and Department.

Section 2. <u>Reversion to Previously Held Positions</u>: In lieu of layoff, a regular or probationary employee may on the basis of classification seniority, bump the least senior employee in any lower level position (within the department and bargaining unit) formerly held by the employee designated for layoff, provided that the employee exercising his/her right to bump has more seniority in the classification than the employee who is being bumped.

Section 3. <u>Re-Employment List</u>: The names of laid off employees will be placed in order of layoff (with the employees with the most seniority as defined above placed at the top of the list) on a Re-employment List for the classification previously occupied. The Re-employment List will remain in effect for a maximum of two (2) years or until all laid off employees are rehired, whichever occurs first.
