Proposed No. 2019-0472.1

Sponsors Balducci

1 AN ORDINANCE authorizing the county executive to
2 execute an interlocal cooperation agreement for allocation
3 of property tax revenues between the city of Seattle and
4 King County.

5 PREAMBLE:

6 King County has placed before the qualified electors of King County a
7 ballot proposition authorizing the county to levy additional regular
8 property taxes countywide in amounts up to 26.5 cents per thousand
9 dollars of assessed valuation each year for six consecutive years on all
10 taxable property within the county for the support of emergency medical
11 services.

12 The city of Seattle operates and funds an emergency medical services
13 program that is independent from, but coordinated with, the county's
14 program.

15 A portion of the revenues to be collected in accordance with the
16 countywide emergency medical services levy will be attributable to
17 taxable property located within the legal boundaries of the city of Seattle.

18 The parties desire to reimburse and transfer to the city of Seattle for the
19 support of its emergency medical services program all revenues to be

20 collected in accordance with the countywide emergency medical services
21 levy from the taxable property located within the legal boundaries of the
22 city of Seattle.

23 RCW 84.52.069 provides that no countywide emergency medical services
24 proposal may be placed on the ballot without approval of the legislative
25 authority of at least seventy-five percent of all cities in the county over
26 50,000 in population.

27 As a condition of the city of Seattle's approval of the countywide
28 emergency medical services levy, the city of Seattle approved the attached
29 agreement on June 24, 2019.

30 The county has determined that the reimbursement and transfer of
31 emergency medical services levy proceeds as set forth in the attached
32 agreement will not affect the county's ability to provide emergency
33 medical services throughout the county.

34 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

35 SECTION 1. The council executive is hereby authorized to execute, substantially
36 in the form of Attachment A to this ordinance, an interlocal cooperation agreement

37 between the city of Seattle and King County for allocation of 2020 through 2025 property
38 tax revenues levied for emergency medical services.

INTERLOCAL COOPERATION AGREEMENT FOR ALLOCATION OF
PROPERTY TAX REVENUES

BETWEEN THE CITY OF SEATTLE

AND

KING COUNTY

(2020—2025)

THIS AGREEMENT is entered into pursuant to the "Interlocal Cooperation Act," codified as Ch. 39.34 RCW, by and between The City of Seattle ("The City") and King County ("The County"); WITNESSETH:

WHEREAS, the County desires to place before the qualified electors of King County a ballot proposition authorizing the County to levy additional regular property taxes County-wide in amounts up to 26.5 cents per thousand dollars of assessed valuation each year for six consecutive years on all taxable property within King County for the support of emergency medical services ("EMS") pursuant to the powers granted to it in RCW 84.52.069; and

WHEREAS, the City operates and funds an emergency medical services program which is independent from, but coordinated with the County's program; and

WHEREAS, a portion of the revenues to be collected pursuant to the County-wide EMS levy will be attributable to taxable property located within the legal boundaries of the City; and

WHEREAS, the parties hereto desire to reimburse and transfer to the City for the support of its emergency medical services program all revenues to be collected pursuant to the County-wide EMS levy from the taxable property located within the legal boundaries of the City of Seattle; and

WHEREAS, the County has determined that the reimbursement and transfer agreement set forth below will not affect the County's ability to provide emergency medical service throughout the County; and

WHEREAS, RCW 84.52.069 provides that no County-wide EMS levy proposal may be placed on the ballot without the legislative authority of at least 75% of those cities with a population exceeding 50,000.

Now, Therefore, the parties agree as follows:

1. The County shall submit to the qualified electors of King County at a general election to be held on November 5, 2019, a proposition authorizing the County to levy additional regular property taxes each year for exactly six consecutive years beginning in 2019 for collection beginning in 2020 on taxable property within the County in amounts up to twenty-six and a half (26.5) cents per thousand dollars of assessed valuation pursuant to RCW 84.52.069 for expenses incurred in the provision of emergency medical services.
2. This Agreement shall commence upon its signing by both parties. This Agreement shall terminate when all property taxes levied by King County under this Agreement have been collected and the proper share transferred to the City.
3. Upon approval by the qualified electors of King County of the authority for additional regular property tax levies as set forth in RCW 84.52.069 and paragraph 1 of this Agreement, the County shall transfer to the City all revenues collected pursuant to the County-wide EMS levy from taxable property located within the legal boundaries of the City.

The total amount transferred shall not be less than the smaller of the following:

- a) All revenues that could be collected under a County-wide EMS levy from taxable property located within the legal boundaries of the City a levy rate of twenty-six and a half (26.5) cents per thousand dollars of assessed valuation, accounting for historical rates of under collection: or
- b) The amount identified for the corresponding tax collection year as “Projected Net Seattle Property Taxes” set forth in the King County 2020-2025 “Emergency Medical Services Levy Overview – Proposed Financial Plan (March 2019 Forecast)” dated May 17, 2019 attached as Exhibit 1: or
- c) All revenues that could be collected under a county-wide EMS levy from taxable property located within the legal boundaries of the City at the highest levy rate that the county is allowed to impose under state law, accounting for historical rates of undercollection.

In any year in which the County has imposed the highest levy allowed under state law, but the distribution of assessed value growth would result in a net transfer of money from the rest of King County to Seattle under “b” above, then Seattle agrees to receive its transfer under “c” above.

4. Transfer of the revenues set forth in Paragraph 3 above shall be administered by the King County Finance and Business Operations Division of the Department of

Executive Services in the manner and at such times as the County transfers revenues produced pursuant to levies listed in or authorized by RCW 84.52.043, provided if the amount to be transferred requires a payment in excess of the actual EMS levy revenues collected within the legal boundaries of the City, the additional transfer amount shall be distributed in the same manner as King County distributes taxes for an annexation.

5. All revenues received pursuant to the County-wide EMS levy and this Agreement shall be used only for the provision of emergency medical care or emergency medical services as specified in RCW 84.52.069(5) and shall be deposited into a special revenue account established by the City for that purpose. The City shall provide the county a report describing the City's use of the proceeds annually.

6. In return for the County's agreement to impose taxes and transfer tax proceeds as set forth in Paragraphs 2 and 3 above, the City gives its approval by ordinance for the submission to the qualified electors of King County of the County-wide multi-year additional property tax levy proposition for emergency medical services described in Section 1 above.

7. Nothing in this Agreement shall be deemed to prohibit the City from levying an annual tax levy pursuant to RCW 84.52.052 or a levy pursuant to RCW 84.52.069 to fund emergency medical services.

8. The parties hereto expressly reserve for themselves the right to amend this Agreement. No amendment hereto will be effective unless it is in writing and signed by the authorized representatives of the parties hereto.
