ARTICLE 2: UNION RECOGNITION AND MEMBERSHIP

Section 1. Recognition. The Employer recognizes International Federation of Professional and Technical Engineers, Local 17 as the exclusive representative of all full-time regular and probationary employees doing the work of the job classification listed in attached Addendum A, excluding all others.

Section 2.

- A. It shall be a condition of employment that within thirty (30) days of the effective date of this Agreement all employees covered by this Agreement shall become and remain members in good standing in the Union, or pay an agency fee to the Union in lieu of membership. Each Employee covered by this Agreement and hired into the bargaining unit on or after its effective date will, on the thirtieth day following the beginning of such employment, become and remain a member in good standing of the Union, or pay an agency fee to the Union in lieu of membership.
- B. An employee who holds bona fide religious tenets or teachings that prohibit Union membership or the payment of dues or initiation fees to Union organizations or any other reason is eligible for a religious exemption as determined by the Public Employment Relations Commission, will pay an amount of money equivalent to regular union dues and initiation fees to a charitable organization mutually agreed upon by the Employee and the Union. Such employee will furnish the Union with written proof that such payments are being made.
- C. Failure by an Employee to abide by the provisions of paragraph A and B will constitute cause for discharge. If an Employee has failed to fulfill the above obligation, the Union will provide the Employee and the County with thirty days notification of the Union's intent to initiate discharge action. During this period, the Employee may make restitution of the amount which is overdue.

Section 3. Dues Deduction.

- A. Upon receipt of written authorization individually signed by a bargaining unit Employee, the County shall have deducted from the pay of such employee the amount of dues and/or fees or representational fees as certified by the Union and transmit the same to the Union.
 - **B.** The Union will indemnify, defend and hold the County harmless against any

claims made and against any suit instituted against the County on account of any collection of dues for the Union. The Union agrees to refund to the County any amounts paid to it in error on account of the collection provision upon presentation of proper evidence thereof.

Section 4. New Hire Forms. The County will require all new employees hired into a position included in the bargaining unit to sign a form provided by the Union which will inform them of the Union's exclusive recognition. One copy of the form will be retained by the County, one by the employee and the original sent to the Union. The County will notify the Union of any employee leaving the bargaining unit because of termination, layoff, promotion, demotion, transfer, leave of absence or dismissal.

Section 5. Lists. The County will transmit to the Union twice a year, upon request, a current listing of all employees in the unit. Such list shall indicate the name of the employee, wage rate, and job classification, and seniority date (as defined in Article 12). This provision shall not be construed to limit the right of either party to request information pursuant to RCW 41.56.

ARTICLE 3: UNION RIGHTS & REPRESENTATION

Section 1. Union Access. Authorized representatives of the Union shall be afforded access to the worksite pursuant to RCW 41.56. The County shall make all reasonable efforts to afford access and the Union shall make all reasonable efforts not to disrupt the normal course of work during site visits.

Section 2. Stewards. The Union shall have the right to appoint stewards. Stewards will be granted reasonable release time to conduct Union business connected to the County's operations.

Section 3. Bulletin Boards. The County agrees to permit the Union to post on County bulletin boards the announcement of meetings, election of officers, and any other Union material.

Section 4. Electronic Mail. The Union may use electronic mail (e-mail) for jointly communicating information in which the County has an interest such as: general meeting announcements and scheduling, labor/management committee communications (agendas, minutes, announcements and scheduling) and other like information. A Shop Steward may use the County's e-mail system for communication with a member and the Union in accordance with the County's e-mail policy.

Section 5. Contracting Out. The County agrees not to contract out the work traditionally and normally performed by members of the bargaining unit if contracting out such work supplants or replaces bargaining unit positions.

ARTICLE 4: RIGHTS OF MANAGEMENT

The management of the County and the direction of the work force is vested exclusively in the
County subject to the terms of this agreement. Except to the extent there is contained in this
Agreement express and specific provisions to the contrary, all power, authority, rights and
jurisdictions of the County are retained by and reserved exclusively to the County. Such functions
include, but are not limited to: the right to manage the work of employees, to suspend or terminate
regular employees for just cause, transfer, and evaluate employees; to determine and implement
methods, means and assignments to accomplish the work, establish classifications and select
personnel by which operations are to be conducted, including staffing levels; and to initiate, prepare,
modify and administer the budget.

ARTICLE 5: EMPLOYEE RIGHTS

Section 1. Discipline. The parties agree that in their respective roles, primary emphasis shall be placed on preventing situations requiring disciplinary action through effective employeemanagement relations. The primary objective of discipline shall be to correct and rehabilitate. The County may discipline or discharge a regular employee for just cause. The County shall apprise the employee of her/his right to Union representation during investigatory interviews ("Weingarten Rights"). If the County determines to impose disciplinary action against any employee for any reason, the employee shall be apprised of his/her rights of union representation during a predisciplinary or disciplinary meeting and of rights of appeal and representation as provided for in Article 14 (Dispute Resolution Procedures) of this Agreement. Discharge during an employee's probationary period is not subject to the grievance procedure, as such employees serve at-will.

Section 2. Off-duty Conduct. The off-duty activities of employees shall not be cause for disciplinary action unless such activities are detrimental to the employee's work performance and/or have an adverse impact upon the program of the agency.

Section 3. Personnel File Review. The employee and/or representative may examine the employee's personnel file(s) if the employee so authorizes in writing. Material placed into the employee's file(s) relating to job performance or personal character shall be brought to his/her attention. The employee may dispute the propriety of including the material in the file(s) by inserting a relevant rebuttal into the file(s). Unauthorized persons shall not have access to employee files or other personal data relating to their employment.

(including merit pay, if applicable) up to the maximum accrual amount, less mandatory withholdings.

Section 3. Vacation Accrual Date. Each employee will accrue vacation each payroll period, based on County seniority. County seniority is defined as completed years of service with King County and its predecessor organizations. Eligible employees shall accrue vacation leave from their date of hire. If an employee resigns from the County in good standing or is laid off and subsequently returns to County employment within two years from such resignation or layoff, the employee's prior County service shall be counted in determining the vacation leave accrual under this Article.

Section 4. Use of Vacation. Employees shall not be eligible to take their accrued vacation leave until they have successfully completed their first six months of County employment. Vacation may be used in full day increments at the discretion of the department director or designee. Vacation requests will be considered in light of operational needs and will not be unreasonably denied. An employee may not be granted vacation benefits if not previously accrued.

Section 5. Vacation Donation. Any benefit eligible employee who has completed at least one (1) year of service may, upon written notice to the donating and receiving employees' division managers, donate to any other benefit eligible employee a portion of his or her accrued vacation for the purpose of supplementing the sick or family leave benefits of the receiving employee. Donated vacation shall be converted to a dollar value based upon the donor's straight-time rate of pay.

Vacation donations are strictly voluntary. Employees are prohibited from offering or receiving monetary or other compensation in exchange for donating vacation hours. The number of hours donated shall not exceed the donor's accrued vacation credit as of the date of the request.

Donated vacation must be used within ninety (90) calendar days. Donated vacation not used within 90 days or due to the death of the receiving employee shall revert to the donor.

Donated vacation is excluded from vacation payoff provisions.

Section 6. Separation from Employment. Employees in benefit eligible positions who leave King County for any reason after successful completion of six months of County service shall be paid for their unused vacation up to 480 hours maximum. Employees shall not be eligible to be paid for vacation leave until they have successfully completed their first six months of County service; if they leave County employment prior to successfully completing their first six months of

County service, they shall forfeit and not be paid for accrued vacation leave.

In the case of separation by death, payment of unused vacation, up to a maximum of 480 hours, will be made to the employee's estate or, in applicable cases, as provided by RCW Title 11 and RCW 49.48.

Section 7. County Employment while on Vacation. No employee shall be permitted to work for compensation for the County in any capacity during a time when the employee is on paid vacation.

Section 8. Maximum Accrual. Benefit eligible full-time employees may accrue up to sixty (60) days of vacation leave, prorated to reflect their normally scheduled work week. Benefit eligible part-time employees may accrue vacation leave up to sixty (60) days prorated to reflect their normally scheduled work week. At the time of separation, no employee will be paid for more than 480 hours.

Section 9. Vacation Carryover. In order to be eligible for carryover of vacation leave beyond the maximum accrual, an employee must have made a request to use vacation leave during the calendar year, and the appointing authority must have disapproved such request. In order to be eligible for carryover of excess vacation leave, a written plan must be developed and approved by the employee and appointing authority. This plan must outline how the excess vacation will be used in the next year. The Human Resources Division of the Department of Executive Services as well as the appointing authority must approve all requests for carryover of vacation.

Sick leave accrual will begin on the first day of the month following the month in which the employee commenced employment. There is no limit on the amount of sick leave an employee may accrue. Every benefit eligible part-time employee shall receive and expend sick leave benefits proportionate to the employee's regular work day.

- Section 2. Approved Sick Leave Use. An employee may not use sick leave until he/she has actually accrued such leave. Accrued sick leave may be used for the following reasons:

of service or who terminate by reason of death, shall be paid or their estates paid or as provided for by RCW Title 11, as applicable, an amount equal to 35% of their unused, accumulated sick leave multiplied by the employee's rate of pay in effect upon the date the employee leaves County employment less mandatory withholdings.

All payments shall be in cash, based on the employee's hourly rate of pay, and there shall be no deferred sick leave reimbursement. The pre-tax dollars may be applied to the purchase of County health insurance at the COBRA rates.

Section 10. Bereavement Leave.

A. All benefit eligible employees shall be entitled to three days of bereavement leave per occurrence due to the death of an immediate family member. For purposes of this Section, "immediate family member" is defined as children, parents, those who have served *in loco parentis*, siblings, spouse or domestic partner, son or daughter-in-law, grandchildren, and the parents and children of the employee's spouse or domestic partner.

Page 17

ARTICLE 10: HOURS OF WORK

Section 1. Normal workweek. The standard workweek shall consist of five consecutive workdays, Monday through Friday.

Section 2. Alternate and Flex Workweeks. It is the County Executive's policy to actively promote alternative workweek or telecommuting schedules wherever possible. Each bargaining unit member shall have the opportunity to request an alternative workweek or telecommuting schedule. The employee shall submit the request in writing to management listing the reason(s) for the request and the type of alternate workweek or telecommuting schedule requested. Management will evaluate the feasibility of the employee's request. The decision of whether or not to grant an alternative workweek or telecommuting schedule will be stated in writing to include the reasons for denial or approval, according to an established list of criteria. If a request for an alternative workweek or telecommuting schedule is denied, the employee may appeal the denial in accordance with the appeal process listed below.

Management or the employee may terminate an alternative workweek or telecommuting schedule, in writing, with advance notice of thirty (30) calendar days. When management terminates an alternative workweek or telecommuting schedule, the employee must receive written notification stating the reason(s) for the termination. In instances where the County, due to emergency or business reasons, must terminate the alternative workweek or telecommuting schedule, the County will provide as much notice of schedule change as practicable. Upon receiving written notification of termination of the schedule, the employee may appeal the termination of the schedule in accordance with the appeal process listed below.

Appeal Process: When a request for an alternative workweek or telecommuting schedule has been denied or an existing alternative workweek or telecommuting schedule has been terminated, upon receiving written notice from management, the employee shall have ten (10) business days to appeal in writing to the Human Resources Service Delivery Manager or designee. Human Resources Service Delivery Manager or designee shall, within ten (10) business days of receipt of the appeal notice, contact the employee and their Local 17 Union Representative to schedule a meeting to address the appeal. ARTICLE 12: REDUCTION IN FORCE

Section 1. The terms of this Article apply only to King County career service employees.

Section 2. Pre-Layoff. When a reduction in force is anticipated, the County and the Union shall meet and jointly endeavor to find ways to minimize, or eliminate, the actual reduction of positions.

When a reduction in force is required, the County and the Union shall meet and jointly endeavor to find ways to minimize or eliminate the number of employees who must be involuntarily laid off.

The County will attempt to place said employee into any vacant position for which the employee is qualified, or endeavor to retrain or redeploy affected employees to the extent possible.

Section 3. Notice. When the elimination of a position shall result in an employee being laid off, the County shall provide written notice to the Union and the affected employee at least 30 calendar days prior to the effective date of the layoff. To the extent practicable, the County shall provide 180 days layoff notice to affected employees.

Section 4. Seniority and Layoff Order. Seniority shall be defined as date of hire into a job classification within the bargaining unit; provided, however, for employees in the bargaining unit as of the initial date of implementation, seniority shall as be defined as total FTE career service within the King County Office of Emergency Management. An employee who leaves a covered bargaining unit position for more than two years will lose all accrued seniority. An employee who has been laid off will be credited for prior service if recalled pursuant to the terms of this Agreement. In the event that there are two employees having the same seniority, the County will consider ability and skill to be the determining factor on retention. Any layoffs will be conducted in reverse seniority order.

Section 5. Outplacement/Referral Services. The County shall provide outplacement services to employees in the bargaining unit as provided in the County's Career Support Services (formerly titled Layoff and Recall Program.) These services shall be made available to all bargaining unit employees who receive layoff notices, and to the extent practicable, to employees who have been identified as being at-risk of layoff. Management will make all efforts to place regular employees within the bargaining unit within existing positions in the Office of Emergency Management;

provided, however, that employees will be paid at the salary of the position offered and, if the position is a term-limited temporary (TLT) position, the employee will be converted to TLT status. Employees who accept a TLT position within the Office of Emergency Management or a lower-level position within the Career Service in lieu of layoff retain their recall rights set forth in Section 6 of this Article.

Section 6. Recall

A. An employee who is laid off will have general hiring preferences to other vacant County positions, consistent with the County's Workforce Management Plan, for a period of two years following the employee's layoff. During the two year recall period, the employee will retain specific recall rights to a position within the job classification from which he/she was laid off regardless of whether the employee has accepted a different position with the County. Recall and placement offers shall be done by seniority, where the most senior laid-off employee is offered the position first.

B. An employee who is recalled from layoff will have all unpaid sick leave balances and his/her seniority restored.

ARTICLE 13: POSTING PROCEDURE AND PROBATION

Section 1. Posting of Vacancies. Employees are encouraged to seek advancement within their specific work units as well as within the County as a whole. In order to promote such, the County shall post announcements informing employees of open recruitment opportunities within all County departments.

Section 2. Probationary Period. Employees hired into regular positions will serve a six (6) month probation period. The probation period may be extended by the manager/designee at his/her discretion, not to exceed one (1) year. Consistent with the definition of "probationary employee" and "probationary period" contained in the King County Personnel Guidelines, during probation an employee serves at will and probationary terminations are not subject to the grievance and arbitration provisions of this Agreement. Employees will be allowed to attend a minimum of eighty hours of Emergency Management Training in their first year of employment.

ARTICLE 14: DISPUTE RESOLUTION PROCEDURES

Section 1. Grievance/Arbitration/Mediation. King County and the Union recognize the importance and desirability of settling grievances promptly and fairly in the interest of continued good employee relations and morale. To this end, the following procedure is outlined. The parties agree to make every effort to settle grievances at the lowest possible level of supervision.

The parties also support the concept of resolving disputes by mutually consenting to mediation wherever practicable. The parties are encouraged to resolve disputes through a mutually acceptable mediation forum at any step in this process. The process will use a mutually acceptable mediator and conclude within thirty (30) days after the mutual request.

Employees will be unimpeded and free from restraint, interference, coercion, discrimination or reprisal in seeking adjudication of their grievances.

A. Definition. A grievance is an issue raised by an employee, a group of employees, the Union (by a steward or the Local), or the County regarding the application and interpretation of the terms and provisions of this agreement. If a grievance is brought by the County, the grievance may be filed at Step 2.

B. Procedure.

Step 1. Director or Designee. A grievance shall be presented by the grievant and/or Union representative in writing, within twenty (20) working days of the date when the grievant knew or should have known of the basis for a grievance, to the Director of the Office of Emergency Management. The grievance must contain at a minimum (1) a written statement of the grievance, (2) a reference to which contract provision(s) the grievant believes have been violated, and (3) a requested remedy. The Director or designee shall attempt to resolve the matter and notify the grievant within fifteen (15) working days from the date the grievance was received. Failure by the Director or designee to issue a response within the prescribed timeline shall automatically advance the grievance to the next step. The grievant shall have ten (10) working days from the issuance of management's Step 1 response (or the date that the Step 1 response was due) to advance the grievance to Step 2, otherwise the grievance shall be presumed to be resolved. The grievant's request to advance the grievance to Step 2 must be made in writing to the Director of the Human Resources

Division (HRD), copying the issuer of the Step 1 response. The Union or its representative must sign the grievant's request to advance a grievance to Step 2.

Step 2. HRD Director or Designee. If after thorough evaluation, the decision of the Director or designee has not resolved the grievance to the satisfaction of the Union, the grievance may be presented to the Human Resources Division Director (Central HR) as stated above. All letters, memoranda and other written materials previously submitted to the decision makers at Step 1 shall be made available for the review and consideration of the Human Resources Division Director or designee. He/she may interview the employee and/or his/her representative and receive any additional related evidence that he/she may deem pertinent to the grievance. The Human Resources Division Director or designee shall issue a written decision within thirty (30) working days of receipt of the Step 2 grievance. Failure by the Human Resources Division Director or designee to issue a response within the prescribed timeline shall automatically advance the grievance to the next step. If the matter is not resolved, the Human Resources Division Director or designee will be the Union's contact thereafter in this process. The Union shall have thirty (30) working days from the issuance of management's Step 2 response (or the date that the Step 2 response was due) to advance the grievance to Step 3, otherwise the grievance shall be presumed to be resolved.

In the instance when the grievance is initiated by the County, the County shall submit the second step grievance to the bargaining unit's Union Representative who shall have thirty (30) working days to issue a response. The County shall have thirty (30) working days from the issuance of the Union's Step 2 response (or the date that the Step 2 response was due) to advance the grievance to Step 3, otherwise the grievance shall be presumed to be resolved.

Step 3. Arbitration. If after thorough evaluation, the decision of the Human Resources Division Director or designee has not resolved the grievance, the Union or the County may request to submit the grievance to arbitration, in accordance with the timelines and procedures stated above. The process for selection of the arbitrator and the authority of the arbitrator are set forth in Sections 2 and 3 below.

Section 2. Selection of Arbitrator. Should arbitration be necessary, the Parties shall select a third disinterested party to serve as an arbitrator. In the event that the parties are unable to agree upon

an arbitrator, then the arbitrator shall be selected from a panel of five arbitrators furnished by the

American Arbitration Association, the Federal Mediation and Conciliation Service or the Public Employment Relations Commission, whichever source is mutually acceptable. The arbitrator will be selected from the list by both the County representative and the Union, each alternately striking a name from the list until only one name remains. The party to strike first shall be determined by a coin toss. Section 3. Authority of the Arbitrator. The arbitrator shall be asked to render a decision

promptly and the decision of the arbitrator shall be final and binding on both parties. No matter may be arbitrated which the County, by law, has no authority over, has no authority to change, or has been delegated to any civil service commission or personnel board, as defined in RCW 41.56.

The arbitrator shall have no power to change, alter, detract from or add to the provisions of this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement in reaching a decision.

The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne equally by both parties. Each party shall bear the cost of its own attorneys' fees regardless of the outcome of the arbitration.

Section 4. Timelines and Extensions. Failure by the grieving party to comply with any time limitation of the procedure in this Article shall constitute withdrawal of the grievance; provided, however, any time limits stipulated in the grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement.

Section 5. Unfair Labor Practice(s) Resolution. The parties agree that thirty (30) days prior to filing a ULP complaint with PERC, the complaining party will notify the other party, in writing, meet, and make a good faith attempt to resolve the concerns unless the deadline for filing with PERC would otherwise pass or the complaining party is seeking a temporary restraining order as relief for the alleged Unfair Labor Practice.

ARTICLE 15: CLASSIFICATION

Section 1. Classification. The County shall furnish the Union with specific classification specifications for classifications in the bargaining unit. The County and the Union shall meet to review proposed modifications and revisions to said specifications and will negotiate the resulting impacts.

Section 2. Reclassification. Requests for reclassification may be made because an employee has been working in an out of class assignment for twelve (12) months or longer, or because there is a significant change in an employee's duties and responsibilities for a period of twelve (12) months or longer. No employee shall submit a reclassification request if it has been less than one (1) year since the date of a previous reclassification determination.

Requests for reclassification must be submitted on the County's form to request reclassification (presently known as the Position Description Questionnaire or PDQ form). The employee will provide a completed copy of the form to his/her supervisor and the Department's Human Resources Service Delivery Manager or designee for review and comment. The supervisor will review and comment within fourteen (14) calendar days, and then forward the form to the division director. The division director shall have fourteen (14) calendar days to review and comment and forward the form to HRD.

If the supervisor or division director has any disagreement with the information provided on the form by the employee, the supervisor or division director will discuss this disagreement with the employee prior to forwarding the form to HRD.

HRD shall make the classification analysis within 120 calendar days. If HRD determines that an employee should be reclassified, the reclassification will be effective the date the PDQ was submitted to the employee's supervisor and the Human Resources Service Delivery Manager, one or both of whom will acknowledge receipt of the PDQ and record the date received. If HRD determines that a reclassification is not appropriate, the Union may request a hearing with a mutually agreed upon mediator/arbitrator as provided through the King County Alternative Dispute Resolution Program or other mutually agreed upon neutral within thirty (30) calendar days from the date the employee was notified that a reclassification would not take place.

The parties agree that the mediator/arbitrator's role in this hearing will be to consider testimonial and documentary evidence presented by the County and the Union regarding the employee's appropriate job classification. The mediator/arbitrator will make a determination as to whether the employee is correctly classified, and if not, the appropriate classification to which the employee should be assigned.

ARTICLE 16: LABOR-MANAGEMENT COMMITTEE

The County and the Union agree to establish a Labor-Management Committee. The purpose of this committee is to discuss matters of concern of either party and the meetings will be held at convenient times and days. Responsibility for coordinating meetings shall alternate between the parties.

ARTICLE 17: SAVINGS CLAUSE

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decrees of a court of competent jurisdiction, such invalidation of such part or provision of this Agreement shall not invalidate the remaining portions hereof, provided, however, upon such invalidation the parties agree immediately to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

ARTICLE 18: WORK STOPPAGES AND EMPLOYER PROTECTION

Section 1. The County and the Union agree that the public interest requires efficient and uninterrupted performance of all County services and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. Specifically, the Union shall not cause or condone any work stoppage, including any strike, slowdown or refusal to perform any customarily assigned duties, sick leave absence which is not bona fide, or other interference with County functions by employees under this Agreement and should same occur, the Union agrees to take appropriate steps to end such interference. Any concerted action by any employee in the bargaining unit shall be deemed a work stoppage if any of the above activities have occurred. Being absent without authorized leave shall be considered as an automatic resignation. Such a resignation may be rescinded by the division manager if the employee presents satisfactory reasons for his/her absence within three (3) calendar days of the date his automatic resignation became effective.

Section 2. Upon notification in writing by the County to the Union that any of its members are engaged in a work stoppage, the Union shall immediately, in writing, order such members to immediately cease engaging in such work stoppage and provide the County with a copy of such order. In addition, if requested by the County a responsible official of the Union shall publicly order such Union employees to cease engaging in such a work stoppage.

Section 3. Any employee who commits any act prohibited in this Section will be subject to the following action or penalties:

- A. Discharge.
- B. Suspension or other disciplinary action as may be applicable to such employee.
- Section 4. In general, employees who encounter a sanctioned picket line in the course of their duties and who fear of imminent harm to their health and safety should contact their supervisor for work instructions. In the event of picketing at the employee's regular place of work, Division management and the Union will develop an approach for dealing with the safety concerns of the bargaining unit while ensuring emergency management operations. When possible, these discussions will take place in advance.

ARTICLE 19: WAIVER AGREEMENT

Section 1. The parties acknowledge that each has had the unlimited right within the law and the opportunity to make demands and proposals with respect to any matter deemed a proper subject for collective bargaining. The results of the exercise of that right and opportunity are set forth in this Agreement. Therefore, the County and the Union, for the duration of this Agreement, each agrees to waive the right to oblige the other party to bargain with respect to any subject or matter not specifically referred to or covered in this Agreement.
