The Inventory of High Conservation Value Properties consists of this table and the attached map delineations. For each inventoried property interest, the table identifies the official name of the site, the number of acres included in the inventory, and type of property interest owned by King County. While the table also provides the recording number of the deed(s) by which the inventoried property interest was acquired and the parcel(s) on which the inventoried property interest. Such action in the parcel of the inventoried property interest. Such action is for reference purposes only and is not intended to delineate the actual boundaries of the inventoried property interest. Such boundaries are delineated on the mapsentory was created from King County DNRP Parks & Transfer of Development Rights property inventory as of 12/31/2008 (except for Upper Raging River Forest site added on 5/19/2009).
