Proposed No. 2009-0349.2

Sponsors Ferguson, Dunn, Hague, Patterson,
Constantine, Phillips and Lambert

1 AN ORDINANCE adopting an inventory of high
2 conservation value properties and specifying the manner in
3 which an inventory of high conservation value properties
4 will be periodically updated; and adding a new chapter to
5 K.C.C. Title 26.

6

7 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

8 **SECTION 1. Findings:**

9 A. King County has acquired interests in open space properties in the form of fee
10 simple ownership, conservation easements and development rights. The county has done
11 so using funds from various funding sources, including conservation futures taxes,
12 Forward Thrust, real estate excise taxes, surface water management fees, the river
13 improvement fund, the salmon recovery funding board, the interagency committee for
14 outdoor recreation, voter-approved open space bond funds and state and federal
15 conservation-oriented grants.

16 B. The primary purposes of acquiring open space properties are to conserve,
17 preserve, protect or enhance natural or scenic resources, timberland devoted primarily to

18 the growth and harvest of timber for commercial purposes, streams, rivers, wetlands,
19 soils, beaches, tidal marshes, fish or wildlife habitat, water quality, passive recreational
20 opportunities, visual quality along highway, road and street corridors and scenic vistas,
21 for current and future generations of King County residents.

22 C. Preserving the character of open space properties also reduces urban sprawl,
23 provides natural corridors in urban areas and serves to mitigate the effects of human
24 activities that contribute to climate change.

25 D. The county council wishes to provide enhanced protection of certain high
26 conservation value, open space properties that King County currently owns, or in which
27 the county owns a conservation easement or development rights, without increasing
28 current restrictions on the use of those properties or requiring the county to purchase
29 additional properties.

30 E. The council by separate ordinance is submitting to a vote of the qualified
31 voters of King County a proposal to amend the King County Charter, adding a new
32 Section 897 to protect in perpetuity certain high conservation value open space properties
33 in which the county has a real property interest. The county desires to adopt an ordinance
34 implementing that charter amendment, which ordinance shall be contingent upon voter
35 approval of the proposed charter amendment.

36 SECTION 2. In accordance with Section 897 of the King County Charter, the
37 council hereby adopts Attachment A to this ordinance as the inventory of high
38 conservation value properties.

39 SECTION 3. Section 4 of this ordinance should constitute a new chapter in
40 K.C.C. Title 26.

41 NEW SECTION. SECTION 4.

42 A. A high conservation value property may not be removed from or added to the
43 inventory of high conservation value properties except by an ordinance adopted in
44 conformance with Section 897 of the King County Charter.

45 B. In addition to the public hearing required by Section 897 of the King County
46 Charter, before such an ordinance is adopted, unless the ordinance is an emergency
47 ordinance, the county council or the county executive shall hold a public meeting in the
48 council district in which the property is located to discuss the removal or addition.

49 C. The inventory of high conservation value properties adopted pursuant to
50 Section 897 of the King County Charter shall be maintained by the clerk of the council
51 and the department of natural resources and parks. For each inventoried property, the
52 inventory shall include the following information:

53 1. Commonly used name;

54 2. Type of property interest owned by the county;

55 3. Approximate size;

56 4. Parcel number or numbers;

57 5. Recording number or numbers for deeds by which the property was acquired
58 by the county; and

59 6. A map that is sufficiently detailed to show the boundaries of the inventoried
60 property.

61 **SECTION 5. Effective date.** This ordinance takes effect the effective date of the
62 proposed amendment of the King County Charter submitted to the qualified voters of
63 King County by Ordinance ---- (Proposed Ordinance 2009-0245). This ordinance does

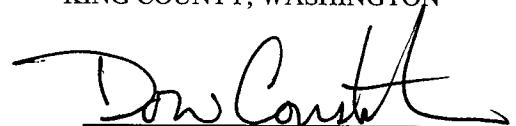

Ordinance 16601

64 not take effect if the proposed amendment to the King County Charter is not approved by
65 the voters.
66

Ordinance 16601 was introduced on 6/1/2009 and passed by the Metropolitan King County Council on 7/20/2009, by the following vote:

Yes: 9 - Mr. Constantine, Mr. Ferguson, Ms. Hague, Ms. Lambert, Mr. von Reichbauer, Mr. Gossett, Mr. Phillips, Ms. Patterson and Mr. Dunn

CLERK KING COUNTY COUNCIL

The Inventory of High Conservation Value Properties consists of this table and the attached map delineations. For each inventoried property interest, the table identifies the official name of the site, the number of acres included in the inventory, and type of property interest owned by King County. While the table also provides the recording number of the deed(s) by which the inventoried property interest was acquired and the parcel(s) on which the inventoried property interest is located, such information is for reference purposes only and is not intended to delineate the actual boundaries of the inventoried property interest. Such boundaries are delineated on the map.

created from King County DNRP Parks & Transfer of Development Rights property inventory as of 12/31/2008 (except for Upper Raging River Forest site added on 5/19/2009).
