SUMMARY OF RECOMMENDATIONS:

Department's Recommendation:	Approve 7.83 acres for 40% of assessed value
Examiner's Recommendation:	Approve 7.83 acres for 40% of assessed value

PRELIMINARY REPORT:

On February 14, 2020, the Department of Natural Resources and Parks (DNRP) submitted its report on file no. E19CT026 to the Examiner.

PUBLIC HEARING:

After reviewing the preliminary report and examining available information on file with the application, the Examiner conducted a public hearing on the application on February 27, 2020, in the King County Courthouse, 516 Third Avenue, Seattle, Washington.

FINDINGS AND CONCLUSIONS:

1. General Information:

Owner/s:	Vashon Maury Island Land Trust PO Box 2031 Vashon, WA 98070
Location:	11132 SW 204th Street, Vashon
STR:	SW 5-22-3
Zoning:	RA5-SO
Parcel no/s.:	0622039064
Total acreage:	9.00 acres

2. The Applicant timely filed an application to King County for the Public Benefit Rating System (PBRS) program current use valuation of the property to begin in 2020. As required by law, notification of the application occurred.

3. A summary of relevant PBRS categories follows below. (Plain text represents a category an applicant requested an award for and that DNRP agrees is warranted. Any ~~strikethrough~~ represents a category an applicant requested an award for but that DNRP disagrees is warranted. Any *italics* represents a category an applicant did not request an award for, but that DNRP nonetheless concludes is warranted. And any *asterisk* represents a category where DNRP finds an award is warranted, but only if certain contingencies or conditions are met.)

PBRS categories:	<u>Open Space Resources</u>	
	Public recreation area	*
	Aquifer protection area	5
	<i>Significant wildlife or salmonid habitat</i>	5
	Watershed protection area	5
	<u>Bonus Categories</u>	
	Conservation easement or historic easement	*
	Unlimited public access	*
	Easement and access	*

The DNRP-recommended score of 15 points results in a current use valuation of 40% of assessed value for the enrolled portion of the property.

4. Additional credit may be awarded administratively under the public recreation area, conservation easement or historic easement, unlimited public access, and easement and access categories, subject to recording, with the King County Recorder's Office, an approved conservation easement by **December 31, 2020**. Award of credit in these categories will increase the point total to 78 points, more than enough to reduce the current use valuation down to 10% of assessed value for the enrolled portion of the property.
5. As to the land area recommended for PBRS enrollment, the Applicant requested 8.40 acres and DNRP recommends 7.83 acres. (Enrollment acreage is the entire parcel less the excluded area, as calculated by DNRP. In the event the County Assessor's official parcel size is revised, the PBRS acreage shall be administratively adjusted to reflect that change.)
6. Except as modified herein, the facts set forth in DNRP's preliminary report and testimony at the February 27, 2020, public hearing are correct and incorporated herein by reference. Copies of this report and DNRP's report will be provided to the Metropolitan King County Council for final approval.
7. Approval of 15 points (and a current use valuation of 40% of assessed value) and conditional approval of additional points (and 10% of assessed value) for 7.83 acres of the property are consistent with KCC Chapter 20.36 and with the purposes and intent of King County to maintain, preserve, conserve, and otherwise continue in existence adequate open space lands and to assure the use and enjoyment of natural resources and scenic beauty for the economic and social well-being of King County and its citizens.

RECOMMENDATION:

1. APPROVE current use valuation of 40% of assessed value for the 7.83-acre enrolled portion of the property.
2. CONDITIONALLY APPROVE additional credit for the public recreation area, conservation easement or historic easement, unlimited public access, and easement and access categories, subject to recording, with the King County Recorder's Office, an approved conservation easement by **December 31, 2020**, resulting in current use valuation of 10% of assessed value for the 7.83-acre enrolled portion of the property.

DATED March 12, 2020.

David Spohr
King County Hearing Examiner

NOTICE OF RIGHT TO APPEAL

A person appeals an Examiner recommendation by following the steps described in KCC 20.22.230, including filing with the Clerk of the Council a sufficient appeal statement and a \$250 appeal fee (check payable to the King County FBOD). Appeal statements may refer only to facts contained in the hearing record; new facts may not be presented on appeal. KCC 20.22.230 also requires that the appellant provide copies of the appeal statement to the Examiner and to any named parties listed on the front page of the Examiner’s recommendation.

Prior to the close of business (4:30 p.m.) on *April 6, 2020*, an electronic copy of the appeal statement must be sent to Clerk.Council@kingcounty.gov and a paper copy of the appeal statement must be delivered to the Clerk of the Council's Office, Room 1200, King County Courthouse, 516 Third Avenue, Seattle, Washington 98104. Prior mailing is not sufficient if actual receipt by the Clerk does not occur within the applicable time period. If the Office of the Clerk is not officially open on the specified closing date, delivery prior to the close of business on the next business day is sufficient to meet the filing requirement.

Unless both a timely and sufficient appeal statement and filing fee are filed by *April 6, 2020*, the Clerk of the Council shall place on the agenda of the next available Council meeting a proposed ordinance implementing the Examiner’s recommended action. At that meeting the Council may adopt the Examiner’s recommendation, defer action, refer the matter to a Council committee, or remand to the Examiner for further hearing or further consideration.

If a timely and sufficient appeal statement and filing fee are filed by *April 6, 2020*, the Examiner will notify all parties and interested persons and provide information about “next steps.”
