I am a 100% disabled AMERICAN Veteran. I was financially exploited for Five years. Then when the fraud detective was forced to resign he has terrorized my service dog and me with hate crimes for 9 years. The local PD refuse to respond. Are disrespectful... They do not submit or investigate cases. Prosecutors are embarrassed so they've declined Fraud, destruction of property, stole so much money, domestic violence, gun in courtroom for DVPO hearing.... BPD and KCSO know that former ATG substantiated the allegations.
