 11 116, 118 and 126, as amended, and Attachment A, as
 12 amended, and Ordinance 19103, Sections 21 and 21, as
 13 amended; and declaring an emergency.

14 BE IT ORDAINED BY THE COUNCIL OF KING COUNTY:

15 **SECTION 1. Findings:**

16 A. On February 29, 2020, the Governor of Washington state declared a state of
 17 emergency in all counties in Washington and directed that the plans and procedures of the
 18 Washington State Comprehensive Emergency Management Plan be implemented as a
 19 result of coronavirus disease 2019 ("COVID-19").

Ordinance 19120

20 B. COVID-19 is a respiratory disease that can result in serious illness or death and
21 can easily spread from person to person; and is classified by the World Health
22 Organization as a pandemic that spreads easily from person to person and may result in
23 serious illness or death.

24 C. On March 1, 2020, King County executive Dow Constantine signed a
25 proclamation of emergency enabling "extraordinary measures" to respond to the COVID-
26 19 outbreak. On March 3, 2020, the council passed Motion 15610 affirming the
27 executive's proclamation of emergency.

28 D. As a result of the continued worldwide spread of COVID-19, its significant
29 progression in Washington state, and the high risk it poses to our most vulnerable
30 populations, on March 23, 2020, the Governor issued a "Stay Home - Stay Healthy" order
31 prohibiting, with limited exceptions, all people in Washington state from leaving their
32 homes or participating in social, spiritual and recreational gatherings of any kind
33 regardless of the number of participants, and required all nonessential businesses in
34 Washington state to cease operations except for performing basic minimal operations. In
35 describing COVID-19's impact on public health and the economy, the order noted the
36 pandemic's progression in Washington state that continues to threaten the economy and
37 remains a public disaster affecting life, health, property or the public peace. The order
38 was extended twice, with the last extension expiring May 31, 2020.

39 E. On May 31, 2020, the Governor reiterated that a State of Emergency continues
40 to exist, but amended the "Stay Home - Stay Healthy" proclamation and renamed it the
41 "Safe Start - Stay Healthy" proclamation and that except as provided in the phased
42 county reopening plan, all other provisions remain in force.

Ordinance 19120

43 F. COVID-19 and the related preventative measures necessitated by COVID-19,
44 including those outlined in the “Safe Start - Stay Healthy” proclamation are causing
45 extraordinary, unprecedented and devastating economic effects in King County and
46 throughout Washington.

47 G. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act
48 (“the CARES Act”), a \$2.2 trillion federal stimulus package, became law. The CARES
49 Act provides relief to state and local governments through a variety of federal agencies
50 and programs, such as the Federal Emergency Management Agency, the Housing and
51 Urban Development's Community Development Block Grants and Public Health and
52 Social Services Emergency Fund through Health and Human Services, as well the
53 Treasury Department's Coronavirus Relief Fund. Certain of these relief programs apply
54 to the county, which the county will use the moneys provided by these programs to either
55 pay or reimburse, or both pay and reimburse, the county for necessary expenditures
56 incurred due to the public health emergency, including expenses preparing for,
57 responding to and preventing COVID-19.

58 H. In response to the State and county declarations of emergency, as well as
59 guidance from the local health officer and state Department of Health, the county was
60 required to take emergency protective measures to eliminate or lessen immediate threats
61 to lives, public health and safety. These measures were directly related to the emergency
62 and include the county’s response to mitigate community transmissions. The actions
63 taken by the county to prevent, prepare for and respond to the public health emergency
64 were reasonable and prudent given the county's needs and the information available at the
65 time, and in accordance with federal regulations and cost principles. Internal policies and

Ordinance 19120

66 procedures, including procurement guidelines to support the work and expenditures made
67 were followed. All expenditures made were in carrying out the legal responsibilities of
68 the county.

69 I. Expenditures in this ordinance are intended to be eligible for FEMA
70 reimbursement. The expenditures, which are necessary as a direct result of and to
71 respond to the public health emergency include, but are not limited to: supplies and
72 commodities directly related to public health emergency and services being provided by
73 the county; emergency medical care; medical sheltering; emergency distribution of food
74 and supplies; security and law enforcement; emergency transportation; new medical
75 supplies required as a result of the emergency and essential to the public health and safety
76 services being performed; costs associated with quarantine such as cleaning and
77 disinfecting facilities and equipment, the cost of de-intensification sheltering; leasing
78 facilities to provide non-congregate sheltering for isolation and quarantine to target
79 populations including COVID-19 positive individuals and those who have been in
80 contact with COVID-19 positive and asymptomatic high risk individuals; other services
81 and associated costs incurred due to the “Stay Home - Stay Healthy” order and the local
82 public health officer order; and other items such as telework support for essential public
83 health and safety personnel.

84 J. On June 18, 2020, the King County board of health adopted Resolution 20-08,
85 which declared racism as a public health crisis. The council acknowledges the board of
86 health's resolution and recognizes that COVID-19 disproportionately impacts historically
87 disadvantaged communities such as Black, Latinx, Indigenous and other Communities of
88 Color. The board of health found that structural, historical and systemic racism are the

Ordinance 19120

89 root causes for this disproportionate impact. The council recognizes the devastating
90 impacts of COVID-19 throughout the county and that relief is necessary for every
91 community impacted, particularly those historically disadvantaged communities that are
92 more adversely impacted by COVID-19. The council is also committed to creating
93 policies aimed at uplifting historically disadvantaged communities and to create better
94 health and economic outcomes for historically disadvantaged communities that will in
95 turn benefit the county as a whole.

96 K. All of the emergency operations, public health and safety COVID-19
97 response, personal protective equipment, housing and eviction prevention, hazard pay,
98 food security, digital access, behavioral health COVID-19 response, preventative public
99 health measures taken for judicial administration, jail and other agencies and other costs
100 proposed in this ordinance are in the public interest, reasonable and necessary
101 expenditures to prevent, prepare for and respond to COVID-19 and incurred due to the
102 COVID-19 public health emergency. The costs were not accounted for in the most-
103 recently approved state or county budget and will be incurred by the county before
104 December 30, 2020.

105 L. The council has authority to enact an emergency appropriation ordinance as
106 set forth in Section 470.20 of the King County Charter.

Ordinance 19120

342 The executive should file the countywide performance measures report and a
343 motion required by this proviso by December 1, 2019, in the form of a paper original and
344 an electronic copy with the clerk of the council, who shall retain the original and provide
345 an electronic copy to all councilmembers, the council chief of staff and the lead staff for
346 the committee of the whole, or its successor.

362 held in King County correction facilities who have not been adjudicated or sentenced
363 ("pretrial") and why;

Ordinance 19120

365 this proviso to reduce the number of nonviolent pretrial adults held in King County

372 detention; (2) documentation of the activities conducted by the workgroup as required by
373 this proviso; (3) the recommendations identified by the workgroup as required by this
374 proviso; and (4) from a noncounty subject matter expert on pretrial detention,

384 executive transmits the feasibility study for a waste to energy facility to manage the
385 region's solid waste that provides a comparison to waste export by rail and a motion that
386 should acknowledge receipt of the feasibility study and reference the subject matter, the
387 proviso's ordinance, ordinance section and proviso number in both the title and body of

Ordinance 19120

388 the motion and a motion acknowledging receipt of the feasibility study is passed by the
389 council. The study should be performed by a contractor with significant experience in
390 the field of waste management and recycling, demonstrated expertise with waste to
391 energy technology and familiarity with the capital and operating needs of waste to energy
392 facilities located around the world, and shall primarily consider a waste to energy facility
393 that uses mass burn technology. The contractor may also identify other technologies that
394 may be feasible to accommodate the current and future projections for the amount and
395 composition of the county's waste stream. The solid waste division must provide the
396 county's waste tonnage forecast model to the contractor upon request and explain any
397 assumptions.

398 The feasibility study shall include, but not be limited to:

399 A. A review of factors that may affect the county's future waste tonnage forecast
400 completed in 2018, and an analysis, with a range of estimates, of how different
401 assumptions could affect the forecast;

403 includes an analysis of the future rail capacity forecast, the estimated capital and
404 operating costs and the environmental impacts;

405 C. An evaluation of the size of a waste to energy facility that would be needed to
406 accommodate the county's solid waste over a twenty to fifty year time horizon, beginning
407 in 2025, with any assumptions clearly articulated, and a description of any siting needs
408 including the necessary parcel size;

409 D. A discussion of the costs of a waste to energy facility and potential financing
410 options that includes estimates for the capital costs, the annual operating and maintenance

Ordinance 19120

411 costs and the estimated impact on the county's tipping fee, with any assumptions clearly
412 articulated;

413 E. A discussion of any environmental impacts of a waste to energy facility;

414 F. An assessment of regional electricity markets and the regulatory structure to
